

ROLL TOP SOFA

Combining tactile curves with strong fluid lines, the Roll Top Sofa embodies the recognisably reductive Sedilia aesthetic. With gracefully flowing arms that follow the shape of the body, it has been finely tuned to create a cocooning corner of comfort. The distinctive full seat has been hand sprung with particularly long springs to provide a supportive yet supremely soft sit, ideal for formal or informal settings. A fusion of traditional and modern handmaking techniques, crafted using only natural upholstery fillings, the Roll Top is built with care and precision to guarantee a long life of relaxation.
