

PYLON DAYBED

The Pylon Daybed is the third affiliate of our Pylon Family; inspired in shape by ancient Egypt's monumental temple gateways. Its playful, interlocking-block design creates a striking, sincere stature, with arms that taper from the ground up, holding the fully hand sprung seat snug in suspension. An interaction of leaning lines, compound angles and clement curves, it's versatile, comfortable, and meticulously handcrafted with 100% natural, toxin-free upholstery fillings.
