

ELLAND ROAD STADIUM EXPANSION

Elland Road is an historic stadium rooted within the local community, home to an unparalleled atmosphere and held in proud affection by a fanbase stretching across the globe. The Owners of Leeds United Football Club see the planned redevelopment and modernisation of the stadium as a beacon for growth and excellence, helping deliver to loyal supporters, the local community and wider city the stadium they deserve.

Leeds United Football Club is applying for planning permission from Leeds City Council to expand Elland Road stadium to a capacity of up to 53,000. The aim is to enhance and retain the iconic atmosphere and spirit of Elland Road. It will bring the West and North stands up to current stadium standards - while improving and providing an engaging overall fan experience. Our ambition is to deliver a stadium fit for the future which will leave a sustainable legacy for generations.

A premier league stadium, for a premier league club, with the community at its heart.
