

A-LEVELS

WELCOME TO LEEDS SIXTH FORM COLLEGE

As a student at Leeds Sixth Form College, you will have the opportunity to study three A-Level subjects alongside your football programme with Leeds United College. Your A-Level programme is a two-year course of study and is designed to support progression into higher education.

A-Levels give you the opportunity to develop a rich and varied knowledge of academic disciplines, gain well-recognised qualifications, enter the world of work at a higher level and progress to specialised degree courses. You will choose three subjects from the following areas: Creative Arts, English and Humanities, Science and Maths, Social Science.
