## Advice to Applicants

Before being accepted for membership, applicants are required to complete three tramps with the club to ensure newcomers can be certain they enjoy tramping before joining the club and have a good understanding of how our club operates.

Each of these tramps should be approximately 3 hours long and can be at the “easy” end of the scale we use.

If you have not completed the 3 tramps please join us on a tramp or contact us for more information.

If you have already completed three tramps, apply for membership by completing this application form and provide details of the tramps below.

1<sup>st</sup> Tramp      Date ..... Tramp ..... Leader .....

2<sup>nd</sup> Tramp      Date ..... Tramp ..... Leader .....

3<sup>rd</sup> Tramp      Date ..... Tramp ..... Leader .....

After completing the three tramps, your membership application will be considered at the next committee meeting and you will be contacted shortly after by the Membership Officer. They will advise the annual membership fee to pay.

Membership fees cover the 12 month period from 1 August to 31 July.

The fees are currently \$45 for Ordinary members and \$25 for Juniors (14 to 17 years).

Payment should be made to:

**Manukau Tramping Club, Bank Account 12-3031-0395096-00**

## Safety & First Aid Kit

We recommend you obtain the Bushcraft Manual from: [Mountain Safety Council New Zealand — Bushcraft Manual](#). This is free to download.

From the above manual make up an “Individual First Aid Kit” (page 250) and where applicable an “Individual Survival Kit” (page 251).

Our Membership Officer will email you a “Personal Information Form”. You should fill this in and keep it in your First Aid Kit. Carry this whenever you tramp. This is where you can list details of any medicines you take and past medical history should it ever be needed in an emergency.
