

# What's included with implementation

On-demand, custom content designed to standardize processes, improve collaboration & deliver better project outcomes.

## Work 1:1 with a Training Center Specialist

Meet directly with our specialists to learn how to access and edit your own Training Center, along with personalized bi-annual business reports once your live.

## Use a Pre-Loaded Template

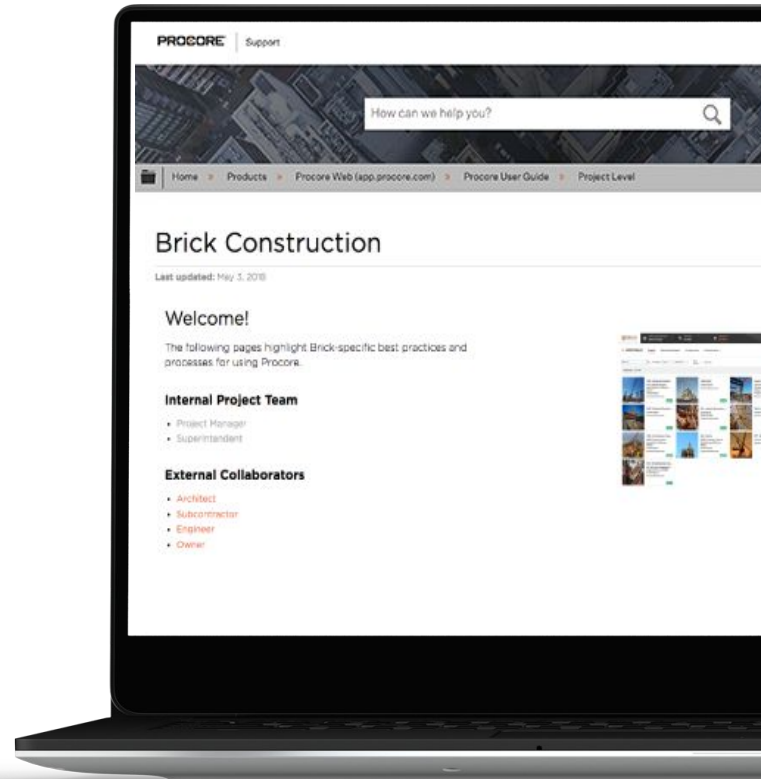

Our comprehensive template helps jumpstart progress in developing a customized site without starting from scratch.

## Utilize Procore Support Content

Learn how to leverage content from Procore's thousands of support pages to make maintaining your site a breeze.

## Easily Add New Users

Connect your Procore Directory to your internal group in Training Center to automatically ensure new users can access training content.

## A guided Training Center Implementation *will* maximize your experience

Use our team of experienced Training Center specialists for:

- Best practices and how-tos
- On-demand meetings
- Improved site design\*
- Hands off development\*

*\*Available only with the purchase of Training Center implementation plus package.*

# Training Center **Implementation Packages** to Create Your Custom Knowledge Management System

Choose the level of support you need to set up Procore Training Center, creating a central hub for training and documentation.

---

## Training Center

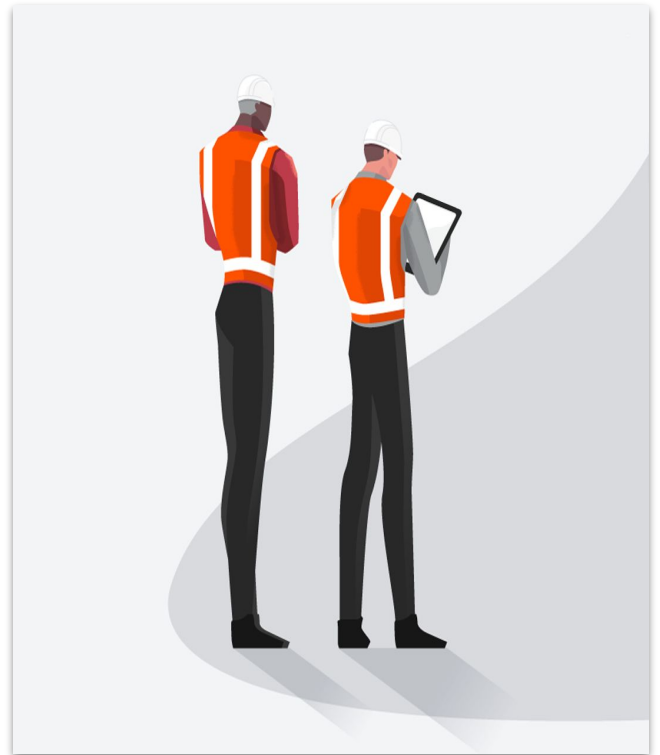

**Included**

Partner with Procore's Training Center Specialists to learn how to customize your own site for custom content. Receive hands-on training on how to edit, move, and organize content from Procore's Support Site alongside your own custom content. After you go live with your site, you will also receive bi-annual business reports to see how your team is utilizing your new single source of truth.

## Training Center Plus Implementation

**\$3,000**

With the Plus Implementation packages, get extra training meetings, extended email support, and enhanced site design. You simply provide your existing Standard Operating Procedures (SOPs) and content, and your Training Center Specialist will work with your guidance to create your training center that reflects your brand and meets your specific needs.
