G. PREMIUMS

1. Amount

The initial Premium Amounts payable for Coverage under this Policy are set out in the Application. To begin Coverage, the Group must pay the Total Estimated Premium Amount to the Insurance Company. The Total Estimated Premium Amount is an estimate of that amount of money necessary to fund the required Premiums to cover the total number of Members whom the Group estimates will enroll for Insurance Company Coverage under the Policy. Payment of the Total Estimated Premium Amount and execution of the Application is acceptance of this Policy. The Coverage will not begin until the Insurance Company receives the Total Estimated Premium Amount.

The Aggregate Premium is the Premium required for all Members. Aggregate Premiums are shown on all Premium Statements.

The Insurance Company may change the Premium amounts upon 60 days written notice to the Group at renewal based on various factors, including: (1) the Group’s claim experience; and (2) the demographics of the Members Covered by the Insurance

Company, including their age, geographic area, family composition, tobacco use; or number of Members. The Insurance Company may also change the Premiums on a quarterly basis, based on scheduled trend increases or additional rate changes allowed by the state regulatory authority. In the event of termination or addition of a subsidiary, operation or class of Subscribers Covered by the Insurance Company, the Insurance Company may change the Premium amounts, as noted above.

The Group may reject any revised Premium by terminating this Policy as of the date that the revised Premiums would become effective. To do so, the Group must provide written notice of termination not less than 60 days prior to the date that revised Premium would first become payable pursuant to this Policy.

2. Premium Statement

The Insurance Company will prepare and submit a monthly Premium statement ("Statement") to the Group, listing: (1) Subscribers shown on its records; (2) type of Coverage selected by each Subscriber (e.g., individual, family, etc.); and (3) the Aggregate Premium payable to the Insurance Company for providing Coverage for all Members for the next billing period. The Insurance Company will prepare this statement not less than 30 days prior to the end of each billing period this Policy remains in effect.

The Group must pay the Aggregate Premium for anyone Covered or added during the billing period.

3. Subscribers Listed on Premium Statement and Terminations

a. A Subscriber and his or her Covered Dependents Member will not have Coverage if the Subscriber is not listed on the Premium statement. Any such Subscriber and his or her Covered Dependents may still have coverage if:

- 1) The Insurance Company receives the Enrollment Form from the Group within 30 days after the earlier of:
 - a) the date the Enrollment Form was executed; or
 - b) the end of the Open Enrollment Period during which the Subscriber is eligible to enroll in Coverageand
- c) the Group promptly submits the Enrollment Form to the Insurance Company; and
- d) the Group pays the applicable Premium to the Insurance Company from the date that error occurred upon discovery of that error and a request for such payment from the Insurance Company.

b. The Group may terminate a Member's Coverage by submitting a termination request to the Insurance Company. The Group will not request retroactive termination of a Member's Coverage for any time period during which the applicable premium was paid.

The Insurance Company will retroactively terminate a Member's Coverage to the extent allowed by law, if:

- 1) the Group notifies the Insurance Company of a Member's termination from Coverage within 90 days after the Member's termination. The Insurance Company will refund any remitted Premium.
- 2) the Group does not notify the Insurance Company of a Member's termination from Coverage within 90 days after the date of Member's termination. The

Insurance Company will only retroactively terminate the Member's Coverage for 90 days from the date of notice to the Insurance Company. The Insurance Company will not refund more than 3 months of Premium payments to the Group if it fails to notify the Insurance Company of the termination of the Member's Coverage in a timely manner.

If after notification, the Insurance Company fails to terminate that Member's Coverage; then, upon the Group's discovery of the Insurance Company's failure to delete the Member, the Insurance Company will:

- c. terminate the Member's Coverage retroactively; and
- d. credit the Group for Premiums paid during such time period when Coverage was retroactively terminated.

4. Determining Premium

On approximately the first (1st) day of each month, the Insurance Company will determine the number of Subscribers and/or Members Covered under the Policy, and this will be the basis for the Premium charged paid by the Insurance Company for the following billing period. The Group will submit monthly a listing of Members for the Insurance Company to reconcile Members covered under the Group's Coverage. The following describes how the Insurance Company will bill for adding and terminating Members:

a. Additions

- 1) If a Subscriber or Dependent becomes Covered under the Policy after the fifteenth (15th) day of any billing period, and the Premium would be affected by this change, there will not be a partial Premium charge for that billing period. The Group will pay Premium for that Subscriber for the first full billing period for Coverage.
- 2) If a Subscriber or Dependent becomes Covered on or before the fifteenth (15th) day of any billing period, and the Premium would be affected by this change, the Group will pay a full month's Premium for that billing period.

(1) If a Subscriber or Dependent becomes eligible under the Group's Coverage during the billing period, the Subscriber or Dependent is added on the first day of the next billing period following the date he or she becomes eligible for Coverage. Subscribers are not added during the billing period, unless they become eligible for Coverage due to a Qualifying Event.

(2) For certain classes of Members, as detailed in the Application or the Employer Group Application Change Form:

- a) If a Subscriber or Dependent becomes Covered under the Policy after the fifteenth (15th) day of any billing period, and the Premium would be affected by this change, there will not be a partial Premium charge for that billing period. The Group will pay Premium for that Subscriber for the first full billing period for Coverage.
 - b) If a Subscriber or Dependent becomes Covered on or before the fifteenth (15th) day of any billing period, and the Premium would be affected by this change, the Group will pay a full month's Premium for that billing period.
- 3) For certain other classes of Members, as detailed in the Application or EGA Employer Group Application Change Form:

- a) If a Subscriber or Dependent becomes eligible under the Policy during the billing period, the Subscriber or Dependent is added on the first day of the next billing period following the date he or she becomes eligible for Coverage. Subscribers are not added during the billing period, unless they become eligible for Coverage due to a Qualifying Event.
- b. Subscriber Terminations
 - 1) If a Subscriber's or Dependent's Coverage terminates before the fifteenth (15th) day of any billing period, and the Premium would be affected by this change, the Insurance Company will credit the Group for the Premium for that Subscriber for that entire billing period. That credit will appear on the Group's next Premium Statement generated after the Insurance Company processes the termination.
 - 2) If a Subscriber's or Dependent's Coverage terminates on or after the fifteenth (15th) day of any billing period, and the Premium would be affected by this change, the Group will pay full Premium for that billing period.

(1) If a Subscriber's or Dependent's Coverage terminates during a billing period, and the Premium would be affected by this change, the Premium charged for that Subscriber's Coverage for the last billing period does not reduce.

(2) For certain classes of Members, as detailed in the Application or Employer Group Application Change Form:

- a) If a Subscriber's or Dependent's Coverage terminates before the fifteenth (15th) day of any billing period, and the Premium would be affected by this change; the Insurance Company will credit the Group for the Premium for that Subscriber for that entire billing period. That credit will appear on the Group's next Premium Statement generated after the Insurance Company processes the termination.
- b) If a Subscriber's or Dependent's Coverage terminates on or after the fifteenth (15th) day of any billing period, and the Premium would be affected by this change, the Group will pay full Premium for that billing period.
- 3) For certain other classes of Members, as detailed in the Application or Employer Group Application Change Form:
 - a) If a Subscriber's or Dependent's Coverage terminates during a billing period, and the Premium would be affected by this change, the Premium charged for that Subscriber's Coverage for the last billing period does not reduce.

c. Qualifying Event

If a Member has been added or terminated as a result of a Qualifying Event, the addition or termination will be handled according to the statutory requirement for the Qualifying Event. Premiums will be determined in accordance with the provision outlined in Section E.4.a and E.4.b above.

5. Payment of Premium

The Aggregate Premium is due in full at the Insurance Company's office on or before the first day of each billing period.

After payment of the Total Estimated Premium Amount, subsequent payments have a grace period of 30 days following the Premium due date (the "Grace Period").

The Aggregate Premium may be paid to the Insurance Company during that Grace

Period without causing termination of the Policy. If the Aggregate Premium is paid after the Grace Period, the Insurance Company's acceptance or depositing of such funds shall not be construed to mean or equate to a guarantee of or acquiescence to reinstate the Policy, continue Coverage, or waive termination of the Policy by the Insurance Company.

If the Group pays the premium by check, the Group must remit the Aggregate Premium on or before the first day of each billing period.

If the Group pays the premium electronically, the Group will transfer the amount specified in the statement into an account or the Insurance Company's designated account so that such funds will be available through the ACH (Automated Clearing House) by the first day of each billing period.

There will be a charge for any checks for payment of premiums that are returned to the Insurance Company for insufficient funds, closed accounts, or any other reason.

6. Failure to Pay Premiums

If the Aggregate Premium is not paid by the end of the Grace Period, the Insurance Company, in its sole discretion, may: (1) notify the Group of such non-payment and termination date of the Policy and all Coverage thereunder and terminate the Policy Coverage back to the last Premium due date; or (2) work with the Group to arrange payment of the Aggregate Premium, for a period of up to 90 days. If the Group fails to pay the Premium when required, the Insurance Company will be entitled to recover Insurance Company Expenses. Insurance Company Expenses include: (1) the total outstanding Aggregate Premium; (2) the finance charge set forth below; and (3) a fee for any checks for payment of Premiums that are returned to Insurance Company for insufficient funds, closed accounts, or any other reason; and (4) any expenses reasonably incurred in recovering the amount owed to the Insurance Company including attorney's fees.

If the Insurance Company terminates the Policy back to the last Premium due date, the Insurance Company may recoup benefit payments from Members and/or Providers.

The Group is still obligated to reimburse the Insurance Company for any claims or charges which the Insurance Company has to pay, as required by: (1) state or federal law; (2) pharmacy benefit management agreement; or (3) provider agreement, plus a reasonable administrative fee.

7. Termination for Non-Payment of Premium

If the payment received does not pay the Aggregate Premium, plus any other due charges in full, the Insurance Company has the discretionary authority to terminate the Policy, or place an administrative hold on the payment of Policy benefits. A payment of less than the full amount due will be deemed non-payment. If the Group has access to pharmacy benefits through the Insurance Company's pharmacy benefit manager, and its Members incur claims after the termination date of Coverage, the Group must reimburse the Insurance Company for the cost of these services.

8. Reinstatement

If this Policy is terminated and the Group requests reinstatement, the Group must remit: (1) the total outstanding Aggregate Premium; (2) the applicable finance charge or fee; and (3) the Aggregate Premium for the current billing period. The Group must do so within fifteen (15) calendar days following the termination date. The Policy may be reinstated by the Insurance Company as though it had remained continuously in effect. The Insurance Company reserves the right to decline to reinstate this Policy, however, upon refunding the Aggregate Premium for the current billing period to the Group.

9. Finance Charge

The Insurance Company may impose a finance charge of five percent (5%) per month. This applies to the amount of any Aggregate Premiums not remitted to the Insurance Company on or before the first day of any billing period after the expiration of the Grace Period. This applies through the duration of this Policy.

H. TERM

The initial term of this Policy is set forth in the Application. The Policy will automatically renew for an additional 12 month period unless terminated by the Group upon not less than 30 days advance written notice prior to the end of the Renewal Date. The Insurance Company shall give the Group not less than 60 days' written notice of any: change in the Premium for providing Coverage to Members; or 30 days written notice of any (1) material changes in the Covered Services; or (2) other material changes in the provisions of this Policy; that will become effective on a Renewal Date. Payment of the applicable Aggregate Premium on or after that date shall constitute acceptance of those changes by the Group, individually and on behalf of all Members.

I. TERMINATION OF POLICY

1. For Cause

- a. If the Insurance Company does not receive payment of any Aggregate Premium, when due, the Insurance Company may terminate this Policy in accordance with section D of this Agreement.
- b. Either party may terminate this Policy, with or without prior notice, effective as of midnight prior to the date that the other party: (a) ceases doing business as a going concern; (b) makes an assignment for the benefit of creditors; (c) admits in writing that it is unable to pay debts as they come due; or (d) consents to the appointment of a trustee or receiver; or if a trustee or receiver is appointed pursuant to applicable Federal or State bankruptcy, insolvency, or similar laws.
- c. The Insurance Company may terminate this Policy, upon not less than 30 days prior written notice, if the Group fails to comply with a material Insurance Company provision relating to the Group's contribution or group participation rules.
- d. Upon written notice, the Insurance Company may terminate or rescind the Policy for fraud or intentional misrepresentation by the Group of a material fact concerning the Group or a Member.
- e. Upon written notice, the Insurance Company may terminate a Subscriber's or Member's Coverage under this Policy for fraud or intentional misrepresentation by the Group or the Member of a material fact concerning the Subscriber or Member. Termination of a Subscriber's Coverage automatically terminates Coverage for all of

his or her Dependents.

2. For No Cause

The Group may terminate this Policy upon providing 31 days' notice in advance of the requested termination date. The Insurance Company, at its option may agree to allow the Group to retroactively terminate the Policy.

Should the Insurance Company agree to a retroactive termination date, the Group is still obligated to reimburse the Insurance Company for any claims or charges which the Insurance Company has to pay, as required by:

- a. state or federal law;
- b. pharmacy benefit management agreement; or
- c. provider agreement, plus a reasonable administrative fee.

The Insurance Company may terminate the Agreement if it is ceasing to offer this Coverage in the market.

3. Because of Inability to Perform Obligations

This Agreement may be immediately suspended or terminated by written notice to the other party if either party is unable to perform its obligations by reason of: (1) complete or partial destruction of facilities; (2) a material reduction in the number of Participating Providers; (3) lockout; (4) strike; (5) riot; (6) war; (7) pandemic, (8) act of God; or (8) by any ordinance, law, order or decree of any governmental authority. Neither party will be required to perform its duties nor be liable for any damages arising from the suspension or termination of this Policy pursuant to this paragraph. The Insurance Company shall refund any unearned Aggregate Premium to the Group for the period following the date of such suspension or termination of this Policy.

The Insurance Company, at its option may agree to allow the Group to retroactively terminate the Policy. Should the Insurance Company agree to a retroactive termination date, the Group is still obligated to reimburse the Insurance Company for any claims or charges which the Insurance Company has to pay, as required by: (1) state or federal law; (2) pharmacy benefit management agreement; or (3) provider agreement, plus a reasonable administrative fee.

4. Effect Upon Incurred Obligations

The termination of this Policy shall not relieve either party from any obligations incurred prior to the date of termination. The termination will not constitute an election of remedies by the terminating party. Any remedies available upon the termination of this Policy will be cumulative.

If the Insurance Company terminates the Policy back to the last date through which the Group's Premium has been paid, the Insurance Company may recoup benefit payments from Members and/or Providers.

The Group is still obligated to reimburse the Insurance Company for any claims or charges which the Insurance Company has to pay, as required by: (1) state or federal law; (2) pharmacy benefit management agreement; or (3) provider agreement, plus a

reasonable administrative fee.

If the Group has access to pharmacy benefits through the Insurance Company's pharmacy benefit manager, and its Members incur claims after the termination date of Coverage, the Group must reimburse the Insurance Company for the cost of these services.

5. Post Termination Premium Balances

Within 120 days from the date the Insurance Company is notified of the Group's Coverage termination, the Insurance Company will conduct a final accounting. The final accounting will take into account all payments, funds transfers, etc., necessary to fulfill both parties' obligations under this Policy. If any outstanding payments, funds, transfers, etc. due to the Insurance Company or the Group total less than \$100 when the Group's Coverage terminates: (1) the amount shall be forgiven; and (2) the parties agree that any financial obligation to the other party shall end.

6. Post Termination Reports

Upon termination of this Policy, the Group must pay charges for the cost of producing any report in advance of receiving the requested report. Among other things, this applies to post-termination audits, requests from replacement insurers or administrators, and requests from the Group itself.

J. CONTINUATION OF COVERAGE

1. Continuation of Coverage

If a Member's Coverage terminates as the result of an event which permits that Member to elect to continue his or her Coverage in accordance with applicable Federal or State laws (a "Qualifying Event"), ("Continuation Coverage"), that Member will be entitled to remain Covered under this Policy. The Member must comply with the requirements of the laws and pay the applicable Premium for the Coverage. Federal and state laws determine how long the Group is required to continue to provide Coverage to that Member. The EOC describes the terms and conditions of such Continuation Coverage in greater detail.

The Group will notify Members of their right to obtain Continuation Coverage following a Qualifying Event. The Group will collect and remit the Premium for the Coverage to the Insurance Company. If Members do not enroll and pay the Premium for Continuation Coverage, on or before the date their Continuation Coverage would become effective, the Insurance Company will terminate their Coverage. They may be reinstated if they subsequently enroll and pay the applicable Premiums within the enrollment period for Continuation Coverage specified by law. If the Group fails to notify a Member of his or her right to enroll for Continuation Coverage in accordance with applicable laws, the Insurance Company will not extend the enrollment period beyond that required by law had the Group informed the Member of that right in a timely manner. The Insurance Company may consent, in writing, to extend the enrollment period for Continuation Coverage for that Member.

K. RELATIONSHIPS WITH OTHER PARTIES

1. Between Network Providers and the Insurance Company

The Insurance Company may enter into agreements with health care providers, insurers, and any other individuals or entities, as it deems necessary to fulfill its obligations under this Agreement. Such parties are independent contractors. Network Providers are independent contractors who are solely responsible for any services rendered to their Member patients. The Insurance Company makes no express or implied warranties or representations concerning the continued participation of any Network Provider. The Group acknowledges for itself and on behalf of Members that the Insurance Company has established various arrangements to encourage Network Providers to render Covered Services in an appropriate and cost effective manner. Such arrangements include provider penalties.

2. **Between the Group and the Insurance Company**

The relationship between the Insurance Company and the Group is a contractual relationship between independent contractors. Neither party is a partner, joint venturer, agent or employee of the other when performing its obligations pursuant to this Agreement.

Nothing in this Agreement shall be construed to make the Insurance Company a sponsor, administrator or fiduciary of the Group's Employee benefit under ERISA. The Insurance Company is not and shall not be deemed to be a fiduciary of the Group's plan, except as necessary to exercise the discretionary authority granted to it by the Group in making authorization, eligibility and coverage determinations and construe the terms of Members' Coverage pursuant to this Policy.

L. GROUP ADMINISTRATION ASSIGNMENT TO BROKER OR OTHER THIRD PARTY AND HOLD HARMLESS ARRANGEMENT

If the Group has assigned some or all of those functions, as indicated below, to a third party and if the Group has appointed such third party to act on its behalf for those functions, the Group understands and agrees that the third party is the contractor and/or agent of the Group and not the Insurance Company. This Group is responsible and shall hold the Insurance Company harmless as a result of any actions resulting from such delegation and appointment. The Group affirms that it has properly executed a Business Associate Agreement (as defined in 45 CFR Part 160) with such third party.

1. **Third Party To Provide Enrollment Information**

If the Group has contracted with a third party to provide enrollment information to the Insurance Company on the Group's Members, the third party shall submit such enrollment information to the Insurance Company in either paper or electronic form. The third party must submit the enrollment information using the Insurance Company's approved forms or electronic guidelines. In the event the Group and the third party submit duplicate or conflicting information, the Insurance Company will rely on the latest information provided.

If the third party submits such enrollment information to the Insurance Company in electronic format (including but not limited to on-line enrollment via the web or other electronic media), then the Insurance Company may provide a password for use by the third party in accessing the electronic system to provide enrollment information. If granted, this password is for the exclusive use of the third party and will expire, at the latest, when the Group's relationship with the third party expires. A separate and distinct password will be supplied to the Group. All access and activity to the electronic

system will be monitored by the Insurance Company. Such access may be limited or confined to certain information according to the agreement between the Group and the third party. The Insurance Company reserves the right to block access to information contained in the electronic system.

The Group authorizes the Insurance Company to accept such enrollment information. The Group shall be responsible for the validity and accuracy of the information provided to the Insurance Company and shall indemnify and hold the Insurance Company harmless from any and all liability, loss, damages, claims and expenses, including attorney's fees, as a result of the actions or inactions of the third party, including without limitation, any incorrect information provided.

2. Third Party To Receive Premium Statement and/or Make Premium Remittance
If the Group has contracted with a third party to receive the Premium Statement and/or make premium remittances to the Insurance Company, the Group understands that this does not relieve the Group from remittance of the amount due by the due date. The Group will be held responsible for the premium remittance. The Group will be responsible for any late fees or finance charges imposed for late payment. Any payment delinquency notices or coverage termination notices for non-payment of premium will be sent to the third party for notice and delivery to Group Members.

The Group authorizes the Insurance Company to send such Premium Statements to and receive and accept such premium remittances from the third party. The Group shall be responsible for the validity and accuracy of the information provided to the Insurance Company and shall indemnify and hold the Insurance Company harmless from any and all liability, loss, damages, claims and expenses, including attorney's fees, as a result of the actions or inactions of the third party, including without limitation, any incorrect information provided.

If the Group assigns other functions to the third party, this Agreement shall control the performance of those functions.

The Insurance Company is not a party to the agreement between the Group and the third party. The Insurance Company may refuse to accept information from the third party.

The Insurance Company shall make reasonable accommodation to assist the Group in the administration of its assigned duties and responsibilities.

- a. With regard to Electronic Protected Health Information (as defined in 45 CFR Parts 160 and 162 ("Security Standards")), the Group shall:
- b. implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of Electronic Protected Health Information that the Group creates, receives, maintains or transmits as required by the Security Standards;
- c. ensure that any agent, including third party or any subcontractor to whom the Group provides such information agrees to implement reasonable and appropriate safeguards to protect it;
- d. report to the Insurance Company any Security Incident (as defined in the Security Standards) involving the Group's data of which the Group becomes aware within seven (7) days of the Security Incident.

This section will take effect on the effective date of the Agreement third party arrangement and will end on the earlier of:

- The date the Group's Insurance Company terminates.
- The date the Group notifies the Insurance Company in writing 31 days of the termination of such agreement that it has terminated the relationship with the third party.
- The information provided is consistently unusable by the Insurance Company in the administration of the Group's Insurance Company.
- The information provided is not in the format required by the Insurance Company.

O. MISCELLANEOUS

GROUP MUST IMMEDIATELY NOTIFY INSURANCE COMPANY OF ANY AND ALL CHANGES IN GROUP'S PREMIUM CONTRIBUTION RATE AND CONFIRM THE CONTRIBUTION RATE AT RENEWAL.

2. Premium Rebates

If Insurance Company is required by law to provide a premium rebate to Group's Members, and former Subscribers, Insurance Company, in its sole discretion, will choose one of the following methods of distribution, as allowed by law:

- b. Group will provide Insurance Company with any information that is necessary for Insurance Company to pay the rebates to Members and former Subscribers in accordance with applicable law, including, but not limited to information relating to premium contribution amounts and contact information. If Group fails to provide Insurance Company with premium contribution information that is necessary to calculate a rebate to Members and former Subscribers on a pro rata basis based on the percentage of premium paid, Insurance Company will distribute 100% of the rebate for Group's coverage to Members and former Subscribers, without regard to the pro-rata share of the premium contribution made by Group and Group waives any claim it has to a share of the rebate.

To the extent applicable, if Group is a non-ERISA and a non-governmental plan, Group shall distribute the employee contribution portion of any MLR rebate to employees in a method consistent with applicable laws and Federal regulations or guidance. If Group decides to use or distribute the rebate in a different manner than the one agreed to above, Group shall notify Insurance Company of such decision, in writing, and any MLR rebate due to the Group will be paid directly to Subscribers instead, as required by PPACA and other applicable laws.
