

# Enroll in autopay to make paying your bill very, very easy

It's great having your bills paid automatically, on time, and worry free.

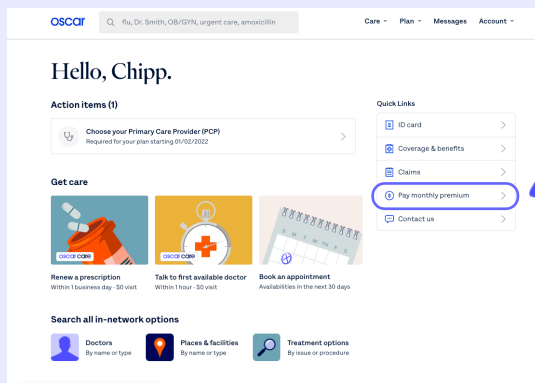

Here's how you set up autopay:

1

Log in to your online account.

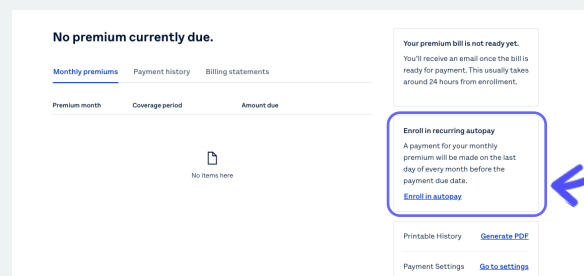

2

Go to **'Pay monthly premium'** on your homepage.

3

Select **'Enroll in autopay.'**

## Oscar Tip

You'll need the **account holder name plus routing and account number**. You'll find these numbers on your checks or on your bank's website.

A check from 'Oscar member' with address '1234 Oak Anyton, USA' and account number '1234'. The 'PAY TO THE ORDER OF' field is empty. The routing number '123456789' and account number '000123456789' are highlighted with blue boxes and arrows. The check also shows a 'FROM' field and a 'DOLLARS' field.

**Routing number** is a 9-digit number at the lower left corner of your check.

**Account number** is a 5-18 digit number, separated from the routing number by a symbol.

4

Select your **payment method**.
