*Plans are available to all eligible persons, regardless of disease status. If you don't have type 1 or type 2 diabetes, or you have pre-diabetes or gestational diabetes, these plans may offer you certain reduced costs, but you are not eligible for all Rewards and Incentives program offerings that offer even more savings. Coverage for benefits is limited per clinical guidelines. These plans are not available in MI, TN, VA, CA, NY & NJ. **To be eligible for healthy groceries rewards, members must have a type 1 or type 2 diabetes diagnosis, be active in Oscar's diabetic management program within 3 months of plan activation date, and complete either their annual physical or a wellness visit. Cash rewards are distributed through healthy groceries debit cards – up to \$100 per year. ***Fitness class access is available after a member completes 2 recommended services (labs, eye exam)****Maximum out-of-pocket insulin cost depends on applicable state rules. Review your plan documents to confirm costs. Oscar will apply the lower of the maximum state-mandated out-of-pocket insulin cost, or \$100.
