Oscar Plan Brochure - Oklahoma  
2026 Individual and Family Plans

# Hi, we're Oscar!

**“We started Oscar in 2012 to create the kind of health insurance company we would want for ourselves — one that behaves like a doctor in the family.”**

*- Mario Schlosser, Co-Founder & Chief Technology Officer*

## LET'S GET TO KNOW EACH OTHER...

We're health insurance that actually works for you by making a healthier life accessible and affordable. We stand by your side no matter the question or the issue, so getting care is easy.

## HERE'S HOW:

### **Low-cost medications<sup>1</sup>**

We talked to doctors and members to figure out how to reduce prescription costs for the most commonly prescribed meds! So you'll be able to afford what you need.

### **A team that has your back**

You'll have the ongoing support of a Care Team, whose only job is to help you make the most of your plan. They can answer questions about whether a provider is in network, help coordinate your appointments, make sense of your bills, and much more.

### **Virtual care options that fit your schedule (not the other way round)**

See your primary care provider from home through our app or website—always with the same team, and visits are \$0.

Need help with an urgent diagnosis, prescription or refill? Oscar Virtual Urgent Care offers 24/7 care in as little as 15 minutes, with \$0 copays.<sup>2</sup>

<sup>1</sup> Please check state and plan benefits for the most up to date information.

For 2026, Oscar Primary Care is available in TX (excluding non-elite EPO Bronze plans), NY (excluding Standard Silver, Standard Bronze, and Secure plans), FL (excluding HSA and Secure plans), AZ (excluding Secure plans), GA (excluding HSA and Secure plans), OK (excluding Secure plans). Oscar Primary Care providers are employed by Oscar Medical Group, not Oscar Insurance Company or its insurance plan affiliates. Oscar Primary Care is only available to members 18 years of age and older. Prescriptions, visits and services may be limited at the provider's discretion and Oscar Primary Care is not intended to be used in conjunction with another primary care consultation. Oscar Care in-person visits in conjunction with your virtual visit may have a copayment. Due to medical licensing laws, you must be in your home state at the time of your virtual visit.

On HMO plans in GA and TX, and on EPO plans in Northern and Central FL markets there may be a cost share associated with your visit. Please view plan details [here](#) (opens in new window) for more detailed information

<sup>2</sup> Oscar's Virtual Urgent Care offerings are not available in US territories or internationally. If you have an HSA-compatible high-deductible health plan or a Secure plan, you won't be eligible for \$0 visits. Prescriptions, visits and services may be limited per provider discretion.

# Let's talk basics

When you're shopping for a plan all the insurance terms can be confusing, but knowing the basics can help you make the right choice.

## **Maximum out-of-pocket**

The maximum amount you'll pay for covered healthcare expenses during the year. It's sometimes called MOOP. After you meet this amount, your plan will pay for all of your covered medical expenses.

## **Copay**

A fixed dollar amount you're responsible for paying for a covered service. For example, a \$35 co-pay means you'll pay \$35 with in-network providers.

## **Co-insurance/ Percentage Co-payment**

How much you owe for a covered healthcare service or prescription, usually presented as a percentage. For example, a 50% coinsurance means you'll pay 50% of the cost of care with in-network providers.

## **Out-of-pocket**

Any money you'll pay towards covered healthcare expenses – like deductible, copays and coinsurance.

## **Premium**

The fixed monthly fee you'll pay for your health insurance plan.

## **Deductible**

The amount you'll spend on certain covered services before your plan starts paying for your care.

# Choosing your plan

Everyone is unique and looking for different things from their health insurance coverage. We get that. So our metal tiers and plans give you plenty of options that suit your specific budget and healthcare needs.

## CHOOSING YOUR METAL TIER

There are 3 different metal tiers when it comes to our health plans: Bronze, Silver, and Gold. **You'll receive the same quality of care and the same benefits for all tiers.**

Bronze plan	Silver plan	Gold plan
		
<b>Lower premium, higher out-of-pocket expenses</b>  60% of covered health costs paid by Oscar, 40% paid by you  Good choice if you don't expect to use your plan often, but still want coverage to protect you from very high costs	<b>Moderate premium, moderate out-of-pocket expenses</b>  70% of covered health costs paid by Oscar, 30% paid by you  Cost share reductions available if you're eligible  Good choice if you're willing to pay a slightly higher monthly premium and get more care covered	<b>Higher premium, lower out-of-pocket expenses</b>  80% of covered health costs paid Oscar, 20% paid by you  Good choice if you need care often

## CHOOSING YOUR PLAN SUITE

Within each tier there are 3 plan suites you can choose from. The plan suites range from Simple to Elite. The difference between them is the breakout of coinsurance and copays.

Simple	Classic	Elite
<b>Lowest monthly premium</b>  More coinsurance based cost-shares  Mostly available in Bronze and Silver metal tiers	<b>Mid to high monthly premium</b>  Out-of-pocket costs will be a mix of coinsurance & copays  For example, you may have a copay for labs and coinsurance for a hospital stay	<b>Highest monthly premium</b>  More copay based cost-shares  \$0 medical deductible

# Plan Overview

In Oklahoma, Oscar offers PPO plans with a range of premiums, deductibles, cost shares, and plan types. This gives you flexibility to choose a plan that matches your unique needs.

## WHAT DOES THIS MEAN?

PPOs (Preferred Provider Organization)

PPO plans give you the broadest access to care. They typically cover in-network and out-of-network doctors and facilities.

With a PPO, your health insurance is flexible. You may be eligible for out-of-network coverage, and you don't need a referral from a primary care doctor to see a specialist.

**For example, lets say you are concerned about some stomach issues you are experiencing....**

You can make an appointment to see an in-network gastroenterologist directly.
