**Disclaimers:**

**Benefits may be subject to deductible.** Oscar has specific rates with in-network providers. Members pay Oscar’s rate with in-network providers until reaching the plan’s deductible. For coinsurance, member pays coinsurance percentage of the rate until deductible and out-of-pocket max is reached. Plan pays 100% thereafter.

The first 3 non-preventive visits across these categories are subject to the copay, pre-deductible. Subsequent visits are charged at 100% of negotiated rate until member meets the plan’s deductible.

All insurance policies and group benefit plans contain exclusions and limitations. It is essential to review your policy documents carefully to determine which health care services are covered. For information on availability, costs, and coverage details, please contact a licensed agent, an Oscar Sales representative, or reach out to Oscar directly at 855-672-2788.

**Oscar Primary Care:** For 2025, Oscar Primary Care is available in TX (excluding non-elite EPO Bronze plans), NY (excluding Standard Silver, Standard Bronze, and Secure plans), FL (excluding HSA and Secure plans), AZ (excluding Secure plans), GA (excluding HSA and Secure plans), OK (excluding Secure plans). Oscar Primary Care providers are employed by Oscar Medical Group, not Oscar Insurance Company or its insurance plan affiliates. Oscar Primary Care is only available to members 18 years of age and older. Prescriptions, visits and services may be limited at the provider’s discretion and Oscar Primary Care is not intended to be used in conjunction with another primary care consultation. Oscar Care in-person visits in conjunction with your virtual visit may have a copayment. Due to medical licensing laws, you must be in your home state at the time of your virtual visit.

**Oscar’s Virtual Urgent Care** offerings are not available in US territories or internationally. If you have an HSA-compatible high-deductible health plan or a Secure plan, you won't be eligible for \$0 visits. Prescriptions, visits and services may be limited per provider discretion.
