## **SECTION 1. HOW TO USE YOUR CONTRACT**

This is your Contract. You should read it carefully before you need Health Care Services. It contains valuable information about:

- your Oscar benefits;
- what is covered;
- what is not covered;
- coverage and payment rules;
- how and when to file a claim and under what circumstances we will pay;
- what you will have to pay as your share; and
- other important information including when benefits may change; how and when coverage stops; how to continue coverage if you are no longer eligible; how we will coordinate benefits with other policies or plans; our subrogation rights; and our right of reimbursement.

Refer to the Schedule of Benefits to determine how much you have to pay for particular Health Care Services.

When reading your Contract, please remember:

1. You should read this Contract in its entirety in order to determine if a particular Health Care Service is covered. Sometimes it may be necessary to change the standard language in this Contract. If changes are needed, we will create an Endorsement to this Contract, which will either be inserted after the section that it modifies, or at the end of the Contract. Be sure to always check for these additional documents before making benefit decisions.
2. The headings of sections contained in this Contract are for reference purposes only and shall not affect in any way the meaning or interpretation of particular provisions.
3. References to “you” or “your” throughout refer to you as the Contractholder and to your Covered Dependents, unless expressly stated otherwise or unless, in the context in which the term is used, it is clearly intended otherwise. Any references, which refer solely to you as the Contractholder or solely to your Covered Dependents will be noted as such.

5. If a word or phrase starts with a capital letter, it is either the first word in a sentence, a proper name, a title, or a defined term. If the word or phrase has a special meaning, it will either be defined in the DEFINITIONS section or within the particular section where it is used.

If you have any questions or complaints concerning this Policy , please call Us at 1-855-OSCAR-88.

## SECTION 2. WHAT IS COVERED?

### Introduction

This section describes the Health Care Services that are covered under this Exclusive Provider Organization (“EPO”) plan contract. This Policy only covers Network benefits. To receive Network benefits, You must receive care exclusively from Network Providers in Our network. Except for Emergency or Urgent Care Services described in the Emergency and Urgent Care Services section of this Policy, You will be responsible for paying the cost of all care that is provided by Non-Network Providers.

As part of the EPO design, referrals are not required to see a specialist.

All benefits for Covered Services are subject to: 1) your share of the cost and the benefit maximums listed on your Schedule of Benefits; 2) the applicable Allowed Amount, 3) any limitations and exclusions, as well as any other provisions contained in this Contract, and 4) our Medical Necessity guidelines then in effect (see the MEDICAL NECESSITY section).

Remember that exclusions and limitations also apply to your coverage. Exclusions and limitations that are specific to a type of Service are included with the benefit description in this section. There are other exclusions and limitations listed in the **WHAT IS NOT COVERED?** section and, in some cases, separate Endorsements that are part of this Contract. More than one limitation or exclusion may apply to a specific Service or a particular situation.

We will provide coverage for the Health Care Services listed in this section only if they are:

1. Authorized in advance by us, if prior coverage authorization is required (see more information below in “Our Benefit Guidelines”);
2. within the Covered Services categories in this section;
3. actually rendered to you (not just recommended) by an appropriately licensed health care Provider who is recognized by us for payment;
4. billed to us on a claim form or itemized statement that lists the procedures and Services rendered to you. Claims and statements should include procedure codes, diagnosis codes and other information we require to process the claim;
5. Medically Necessary, as defined in this Contract and determined by us in accordance with our Medical Necessity coverage criteria in effect at the time Services are provided or authorized;
6. within our benefit guidelines listed in this section;
7. rendered while your coverage is in force; and

## WHAT IS COVERED?

8. not specifically or generally limited or excluded under this Contract.

We will determine whether Services are Covered Services under this Contract after you have obtained them and we have received a claim for them. In some cases we may determine if Services are Covered Services under this Contract before they are rendered to you. For example, we may determine if a transplant would be a Covered Service under this Contract before you have the transplant.

We are not obligated to determine if a Service that has not been provided to you will be covered unless we have designated that the Service must be authorized in advance. We are also not obligated to cover or pay for any Service that has not actually been rendered to you.

In determining if Health Care Services are Covered Services under this Contract, no written or verbal representation by any employee or agent of Oscar or by any other person shall waive or modify the terms of this Contract and, therefore, neither you nor any health care Provider or other person should rely on any such written or verbal representation.

### **Our Benefit Guidelines**

In providing benefits for Covered Services, we may apply the benefit guidelines listed below as well as any other applicable payment rules specific to certain types of Services:

1. Our payment is based on our Allowed Amount and not necessarily the Provider's billed charges.
2. Our payment for certain Health Care Services is included within the Allowed Amount for the primary procedure, and we will not pay additional amounts for any such Services.
3. Our payment is based on the Allowed Amount for the actual Service you received. Payment is not based on:
  - a. a Service that is more complex than the Service you actually received;
  - b. the method used to perform the Service; or
  - c. the day of the week or the time of day the procedure is performed.
4. Some Services that have several components can be described by a single procedure code. In these cases, our payment for such Services includes all components of the Service under that one procedure code. This is also true when a Service is an essential or integral part of the associated therapeutic/diagnostic Service rendered.

### **Services Subject to Preauthorization**

Preauthorization is required before You receive certain Covered Services. You are responsible for requesting Preauthorization for the in-network services listed in Your Schedule of Benefits that require Preauthorization.

To receive inpatient benefits for Mental Health Care, Serious Mental Illness, or treatment of Chemical Dependency, You should get Preauthorization by calling Oscar. Services and supplies for Mental Health Care, Serious Mental Illness, or treatment of Chemical Dependency must be provided by Network Providers that have specifically contracted with Oscar to furnish services and supplies for those types of conditions to be considered for In-Network Benefits. If You require a Medically Necessary Covered Service that is not available through a Network Provider and We approve Your Network Provider's referral, We will cover the service as if it were performed by a Network Provider.

## **Covered Services Categories**

### **Allergy Testing and Treatments**

Testing and desensitization therapy (e.g., injections) and the cost of hyposensitization serum may be covered. The Allowed Amount for allergy testing is based upon the type and number of tests performed by the Physician. The Allowed Amount for allergy immunotherapy treatment is based upon the type and number of doses.

### **Ambulance Services**

Ambulance Services for Emergency Medical Conditions and limited non-emergency ground transport may be covered only when:

1. For Emergency Medical Conditions – it is Medically Necessary to transport you by air, ground or water, from the place an Emergency Medical Condition occurs to the nearest Hospital that can provide the Medically Necessary level of care. If it is determined that the nearest Hospital is unable to provide the Medically Necessary level of care for the Emergency Medical Condition, then coverage for Ambulance Services shall extend to the next nearest Hospital that can provide Medically Necessary care; or
2. For limited non-emergency ground ambulance transport – it is Medically Necessary to transport you by ground:
  - a. from an Out-of-Network Hospital to the nearest In-Network Hospital that can provide care;
  - b. to the nearest In-Network or Out-of-Network Hospital for a Condition that requires a higher level of care that was not available at the original Hospital;

## WHAT IS COVERED?

- c. to the nearest more cost-effective acute care facility as determined solely by us; or
- d. from an acute facility to the nearest cost-effective sub-acute setting.

**Note:** Non-emergency Ambulance transportation meets the definition of Medical Necessity only when the patient's Condition requires treatment at another facility and when another mode of transportation, whether by Ambulance or otherwise (regardless of whether covered by us or not) would endanger the patient's medical Condition. If another mode of transportation could be used safely and effectively, regardless of time, or mode (e.g. air, ground, water) then Ambulance transportation is not Medically Necessary.

### **Limitations**

Air Ambulance coverage is specifically limited to transport due to an Emergency Medical Condition when the patient's destination is an acute care Hospital, and:

1. the pick-up point is not accessible by ground ambulance, or
2. speed in excess of the ground vehicle is critical for your health or safety.

Air Ambulance transport for non-emergency transport is excluded unless it is specifically approved by us in advance of the transport.

Clinical trials are research studies in which Physicians and other researchers work to find ways to improve care. Each study tries to answer scientific questions and to find better ways to prevent, diagnose, or treat patients. Each trial has a protocol which explains the purpose of the trial, how the trial will be performed, who may participate in the trial, and the beginning and end points of the trial.

If coverage is approved, the costs will count toward the Out-of-Pocket Maximum. If coverage is denied under Our standard or expedited Formulary exception process, You are entitled to an external appeal as outlined in the Complaints, Appeals and External Review section of this Policy. Visit Our website at [www.hioscar.com](http://www.hioscar.com) or call 1-855-OSCAR-88 to find out more about this process. For contraceptives only, We will defer to Your Provider's recommendation of Medical Necessity and will provide the contraceptive service or FDA approved item without cost sharing upon request.

**Standard Review of a Formulary Exception.** We will make a decision and notify You or Your designee and the prescribing Health Care Professional no later than 72 hours after Our receipt of Your request. We will make a decision and notify You or Your designee and the prescribing Health Care Professional no later than 24 hours after Our receipt of Your request. If We approve the request, We will cover the Prescription Drug while You suffer from the health condition that may seriously jeopardize Your health, life or ability to regain maximum function or for the duration of Your current course of treatment using the non-Formulary Prescription Drug.

## **Pharmacy Participation Status**

### **Network Pharmacies**

You will be charged the mail order Cost-Sharing for any Prescription Orders or Refills sent to the mail order Pharmacy regardless of the number of days supply written on the Prescription Order or Refill. Prescription Drugs purchased through mail order will be delivered directly to Your home or office. We will provide benefits that apply to drugs dispensed by a mail order Pharmacy to drugs that are purchased from a retail Pharmacy when that retail Pharmacy has a participation agreement with Us or Our vendor in which it agrees to be bound by the same terms and conditions as a Network mail order Pharmacy. You or Your Provider may obtain a copy of the list of Prescription Drugs available through mail order by visiting Our website at [www.hioscar.com](http://www.hioscar.com) or by calling the number on Your ID card.

### **Tier Status**

The tier status of a Prescription Drug may change periodically. These changes may occur without prior notice to You. However, if You have a prescription for a drug that is being moved to a higher tier (other than a Brand-Name Drug that becomes available as a Generic Drug as described below) We will notify You. When such changes occur, Your out-of-pocket expense may change. You may access the most up to date tier status on Our website at [www.hioscar.com](http://www.hioscar.com) or by calling the number on Your ID card. ### **Pharmacy Utilization Review Programs**

Our pharmacy utilization review programs are intended to help educate and encourage the responsible use of Drugs and Supplies. Please review the following information so that you know what you may need to do in order to get the medication you need, without delays at the Pharmacy, and at a lower Cost Share.

We may, in our sole discretion, require that Prescriptions from your Provider for select Prescription Drugs and Supplies or OTC Drugs be reviewed under our pharmacy utilization review programs then in effect, in order for them to be covered. Under these programs, there may be limitations or conditions on coverage for select Prescription Drugs and Supplies and OTC Drugs, depending on the quantity, frequency, or type of Drug or Supply your Provider prescribed.

**Note:** If coverage is not available through these programs, or is limited, this does not mean that you cannot get the Drug or Supply from the Pharmacy. It only means that we will not cover or pay for the Drug or Supply. You are always free to purchase the Drug or Supply at your sole expense.

Our pharmacy utilization review programs include the following:

### **Prior Authorization Program**

Certain Prescription Drugs and Supplies and OTC Drugs require prior authorization from us in order to be covered. If you do not obtain an authorization when one is required we will deny coverage.

Prescription Drugs and Supplies and OTC Drugs that require prior authorization are marked in the Medication Guide with a special symbol.

If your Provider prescribes a medication for you that requires prior authorization, ask him or her to get an authorization for you before you go to pick it up. When the prior authorization decision has been made, we will let you and your Provider know.

You may call the customer service phone number on your ID Card if you would like more information on our pharmacy utilization review program. Your Pharmacist may also tell you if a Prescription Drug or OTC Drug requires prior coverage authorization.

### **Step Therapy**

Step therapy is a process in which You may need to use one (1) or more types of Prescription Drug before We will cover another as Medically Necessary. We check certain Prescription Drugs to make sure that proper prescribing guidelines are followed. These guidelines help You get high quality and cost-effective Prescription Drugs. The Prescription Drugs that require Preauthorization under the step therapy program are also included on the Preauthorization drug list. If coverage is denied, You are entitled to an Appeal as outlined in the Utilization Review and Complaints, Appeals and External Review sections of this Policy.

### **Ultimate Responsibility for Medical Decisions**

The pharmacy utilization review programs have been established solely to determine whether coverage or benefits for Prescription Drugs, Supplies and OTC Drugs will be provided under the terms of this Contract. Ultimately the final decision as to whether the Prescription Drug, Supply or OTC Drug should be prescribed must be made by you and the prescribing Physician. Decisions made by us in authorizing coverage are made only to determine whether coverage or benefits are available under this Pharmacy Program and not for the purpose of providing or recommending care or treatment. We reserve the right to modify or terminate these programs at any time.

Any and all decisions that require or pertain to independent professional medical judgment or training, or the need for a Prescription Drug, Supply or OTC Drug, must be made solely by you and your treating Physician in accordance with the patient/Physician relationship. It is possible that you or your treating Physician may conclude that a particular Prescription Drug, Supply or OTC Drug is needed, appropriate, or desirable, even though such Prescription Drug, Supply or OTC Drug may not be authorized for coverage by us. In such cases, it is your right and responsibility to decide whether the Prescription Drug, Supply or OTC Drug should be purchased even if we have indicated that we will not pay for such Prescription Drug, Supply or OTC Drug.

### **Quality Assurance**

Quality assurance is a formal methodology and set of activities designed to assess the quality of Health Care Services provided. Quality assurance includes formal review of care, problem identification, corrective actions to remedy identified deficiencies and evaluation of actions taken. We have a quality assurance program in place to assess the services of network pharmacies.

## SECTION 5. MEDICAL NECESSITY

In order for Health Care Services to be covered under this Contract, the Services must meet all of the requirements to be a Covered Service, including being Medically Necessary, as determined by us and defined in this Contract.

It is important to remember that any time we review Services for Medical Necessity it is solely for the purpose of determining coverage, benefits or payment under the terms of this Contract and not for the purpose of recommending or providing medical care. When we review for Medical Necessity, we may review specific medical facts or information about you. Any such review, however, is strictly for the purpose of determining whether the Service provided or proposed meets the definition of Medical Necessity in this Contract. In applying the definition of Medical Necessity to a specific Service, we may apply our coverage and payment guidelines then in effect.

All decisions that require or pertain to independent professional medical/clinical judgment or training, or the need for medical Services, are solely your responsibility and that of your treating Providers. You and your Providers are responsible for deciding what medical care you should have and when that care should be provided. We are solely responsible for determining whether expenses incurred for that medical care are covered under this Contract. In making coverage decisions, we will not be deemed to participate in or override your decisions concerning your health or the medical decisions of your health care Providers.

The following are a few examples of hospitalization and other Services that are not Medically Necessary:

1. staying in the Hospital because arrangements for discharge have not been completed;
2. use of laboratory, x-ray, or other diagnostic testing that has no clear indication, or is not expected to alter your treatment;
3. staying in the Hospital because supervision in the home, or care in the home, is not available or is inconvenient; or being hospitalized for any Service which could have been provided adequately in an alternate setting (e.g., Hospital outpatient department or at home with Home Health Care Services); or
4. inpatient admissions to a Hospital, Skilled Nursing Facility, or any other facility for the purpose of Custodial Care, convalescent care, or any other Service primarily for the convenience of the patient or his or her family members or a Provider.

**Note:** Whether or not a Service is specifically listed as an exclusion, the fact that a Provider may prescribe, recommend, approve, or furnish a Service does not mean that the Service is Medically Necessary (as determined by us and defined in this Contract) or a Covered Service. You are free to obtain a Service even if we deny coverage because the Service is not Medically Necessary;

## MEDICAL NECESSITY

however, you will be solely responsible for paying for the Service. Please refer to the DEFINITIONS section for the definition of "Medically Necessary or Medical Necessity".

## **SECTION 6. YOUR SHARE OF HEALTH CARE EXPENSES**

This section explains what your share of the health care expenses may be for Covered Services you receive. Since not all plans include all the different types of Cost Share explained in this section, it is important that you look at your Schedule of Benefits to see your share of the cost for specific Covered Services.

**WARNING: LIMITED BENEFITS WILL BE PAID WHEN NONPARTICIPATING PROVIDERS ARE USED.**

You should be aware that when you elect to utilize the services of a nonparticipating provider for a covered nonemergency service, benefit payments to the provider are not based upon the amount the provider charges. The basis of the payment will be determined according to your policy's out-of-network reimbursement benefit. Nonparticipating providers may bill insureds for any difference in the amount.

**YOU MAY BE REQUIRED TO PAY MORE THAN THE COINSURANCE OR COPAYMENT AMOUNT.**

Participating providers have agreed to accept discounted payments for services with no additional billing to you other than coinsurance, copayment, and deductible amounts. You may obtain further information about the providers who have contracted with your insurance plan by consulting your insurer's website or contacting your insurer or agent directly.

### **Deductibles**

A deductible is a fixed dollar amount that you must pay before we begin to pay for Covered Services. There are different types of deductibles; some that apply to most Covered Services on your plan and some that apply only to a specific type of Service. Listed below are the different types of deductibles and a brief explanation of how they work. You will need to look at your Schedule of Benefits to find out what types of deductibles (if any) apply to your plan.

Rules for applying charges to deductibles:

- We can only apply charges for claims we actually receive;
- Only charges for Covered Services will be applied; and
- We will only apply the amount of charges up to our Allowed Amount.

### **Overall Deductible (DED)**

This deductible applies to most of the Covered Services on your plan before we begin to pay for Covered Services. When we talk about this type we just call it "Deductible" and on the Schedule of Benefits "DED". Some Covered Services, such as Preventive Services, do not apply the Deductible when you use In-Network Providers, so be sure to look at your Schedule of Benefits.

After the Deductible has been met, neither you nor your Covered Dependents (if any) will have any additional Deductible amount for the rest of that Calendar Year. The Deductible starts over every year on January 1<sup>st</sup>.

There are individual and family Deductibles, both of which apply on a Calendar Year basis:

### **Individual Calendar Year Deductible**

If you are the only person on your plan, you only have to reach the individual Deductible and the family Deductible listed on your Schedule of Benefits does not apply to you. This amount, when applicable, must be satisfied by you each Calendar Year before any payment will be made by us. If more than one person is on your plan, the amount each person has to reach depends on the type of family Deductible described below.

### **Family Calendar Year Deductible**

If you have one or more family members on your plan, the family Deductible can be satisfied by any one Covered Person or a combination of Covered Persons depending on the type of Deductible described below.

### **Embedded Deductible**

If your Schedule of Benefits indicates that the Deductible is embedded, each Covered Person only needs to satisfy the individual Deductible and not the entire family Deductible, prior to us paying for Covered Services for that Covered Person. We will not begin to pay for Covered Services for the other family members until they either satisfy the individual Deductible or until the family Deductible is met. The family Deductible is met when any combination of family members' costs for Covered Services meets the family Deductible limit. The maximum amount that any one Covered Person in your family can contribute toward the family Deductible is the amount applied toward that person's individual Deductible.

### **Shared Deductible**

If your Schedule of Benefits indicates that the family Deductible is Shared, the entire family Deductible must be met by any one Covered Person or a combination of any or all Covered Persons before we will begin to pay for Covered Services for any Covered Person under your plan.

### **Copayments**

A Copayment is a fixed dollar amount you must pay when you receive certain Covered Services. Listed below are the different types of Copayments and a brief explanation of how they work. If our Allowed Amount or the Provider's actual charge for a Covered Service rendered is less than the Copayment amount, you will pay the lesser of our Allowed Amount or the Provider's actual

charge for the Covered Service. Not all plans have Copayments, so be sure to look at your Schedule of Benefits.

Copayments:

- must be paid at the time you receive the Services;
- apply before any payment will be made by us;
- apply regardless of the reason for the Service; and
- usually apply to all Services rendered during the visit, but there are exceptions to this rule, so be sure to check your Schedule of Benefits and the brief explanations below.

### **Office Services Copayment**

An office Services Copayment applies to each office visit and applies to all Covered Services rendered during that visit, except for Durable Medical Equipment, Medical Pharmacy, Orthotics and Prosthetics, which may require Cost Share amounts in addition to the Copayment.

### **Inpatient Facility Services Copayment**

The inpatient facility Copayment only applies to the inpatient facility (such as a Hospital) and you must pay it for each inpatient admission. Remember that there may be additional Cost Share amounts you will have to pay for Covered Services provided by Physicians and other health care professionals while you are an inpatient.

### **Outpatient Facility Services Copayment**

The outpatient facility Copayment only applies to an outpatient facility and you must pay it for each outpatient visit. Remember that there may be additional Cost Share amounts you will have to pay for Covered Services provided by Physicians and other health care professionals while using these facilities.

**Note:** Copayments for outpatient facility Services may vary depending on the type of facility chosen and the Services received. Please see your Schedule of Benefits for more information. If your plan includes a Copayment for emergency room Services and you are admitted to the Hospital as an inpatient at the time of the emergency room visit, this Copayment will be waived, and you will pay the Cost Share that applies to inpatient facility Services.

### Coinsurance

Coinsurance is a percentage of our Allowed Amount that you must pay before we will pay our portion of the Allowed Amount for Covered Services. The Coinsurance percentage is figured after all other Cost Share amounts for a given Service, such as Deductible. Not all plans have Coinsurance, so be sure to look at your Schedule of Benefits.

Your Coinsurance does not apply to charges for services which are not covered and will not be reduced by refunds, rebates or any other form of negotiated post-payment adjustments.

**Note:** If a particular Covered Service is not available from any In-Network Provider, the Coinsurance percentage that we will base payment on for that Covered Service will not be less than ten (10%) percentage points lower than the Coinsurance percentage we would have based payment on had the Covered Services been available from an In-Network Provider.

For example, if the In-Network Coinsurance for your plan were 80%, the Coinsurance percentage that would be used as a base for Covered Services as described above would be between 70% and 80% of the Allowed Amount. In this example, the Coinsurance percentage used as the basis for payment would not be less than 70% of the Allowed Amount.

### Application of Multiple Cost Share Types

When a Service is subject to more than one type of Cost Share, the Schedule of Benefits will list the Cost Share types in the order in which they apply to the Service. For example, when the Schedule shows "\$100 Copay then DED"; this means that the Copay is applied first and then, if you have not reached the Deductible; the Deductible is applied to the remainder of that Service, up to the Allowed Amount. If you have already met the plan Deductible; then only the Copay is applied.

Remember that when you use Out-of-Network Providers, your Cost Share amounts only apply to the Allowed Amount. Any Out-of-Network Provider charges over the Allowed Amount are not covered and do not count towards your Cost Share or Out-of-Pocket Maximums.

### Out-of-Pocket Maximums

An out-of-pocket maximum is the Calendar Year limit on Cost Share amounts that you have to pay for a given Calendar Year for Health Care Services that are Covered Services under this Contract. After you have paid this dollar amount in Cost Share, you will have no additional Cost Share for the rest of that Calendar Year and we will pay 100 percent of our Allowed Amount for Covered Services rendered during the rest of that Calendar Year.

**Individual Calendar Year Out-of-Pocket Maximum**

If you are the only person on your plan, only the individual out-of-pocket maximum applies to you and the family out-of-pocket maximum listed on your Schedule of Benefits does not apply to you. After you have reached the individual out-of-pocket maximum, you will have no additional Cost Share for the rest of that Calendar Year and we will pay 100 percent of our Allowed Amount for Covered Services rendered during the rest of that Calendar Year. If more than one person is on your plan the amount each person has to reach depends on the type of out-of-pocket maximum described below.

**Family Calendar Year Out-of-Pocket Maximum**

If you have one or more family members on your plan, the family out-of-pocket maximum can be satisfied by any one Covered Person or a combination of Covered Persons depending on the type of out-of-pocket maximum described below.

**Embedded Out-of-Pocket Maximum**

If your Schedule of Benefits indicates that the out-of-pocket maximum is embedded, when any one Covered Person meets the individual out-of-pocket maximum, that Covered Person will have no additional Cost Share for the rest of the Calendar Year. The rest of the family must continue satisfying their out-of-pocket maximum until the family out-of-pocket maximum is met. The maximum amount that any one Covered Person in your family can contribute toward the family out-of-pocket maximum is the amount applied toward that person's individual out-of-pocket maximum.

**Shared Out-of-Pocket Maximum**

If your Schedule of Benefits indicates that the out-of-pocket maximum is shared, any one Covered Person or a combination of any or all Covered Persons can meet the family out-of-pocket maximum. Once the family out-of-pocket maximum is met, neither you nor your Covered Dependents will have to pay any additional Cost Share for Covered Services for the rest of the Calendar Year.

All Cost Share amounts you pay toward the Covered Services explained in this Contract will apply to the out-of-pocket maximum, such as Deductibles, Copayments and Coinsurance. The following charges will not apply to the out-of-pocket maximums and when you have reached the out-of-pocket maximum, you will still have to pay these charges:

- Premium amounts you must pay;
- charges for Services that are not covered;
- charges that are in excess of our Allowed Amount; and

- any benefit penalties.

### **How We Will Credit Benefit Maximums**

We will only credit the amounts we actually pay for Covered Services to any benefit maximums on your plan. The amounts we pay are based on our Allowed Amount for the Covered Services provided. You will need to look at your Schedule of Benefits to find out if any benefit maximums apply to your plan.

### **Prior Coverage Credit**

We will give you credit for the satisfaction or partial satisfaction of any Deductible or out-of-pocket maximums met by you under a prior Oscar Contract maintained by you that is replaced with this Contract during the Calendar Year. This provision only applies if the prior coverage purchased by you was in effect immediately preceding the Effective Date of this Contract.

Prior coverage credit toward the Deductible or out-of-pocket maximums will only be given for Health Care Services, which would have been Covered Services under this Contract.

### **Special Rule for Capitated Providers**

We typically pay In-Network Providers for Covered Services provided to you based upon that Providers' negotiated Allowed Amount with us. This form of payment to Providers is called "fee-for-service." In these circumstances, the amount you are responsible for paying for Covered Services will be based upon our actual Allowed Amount negotiated with the rendering Provider and will be credited toward applicable Deductibles and out-of-pocket maximums and/or used to calculate your Coinsurance.

In other circumstances under the agreements we have with In-Network Providers we may pay a set monthly amount per individual to cover the cost of providing Covered Services to you, whether or not care is actually provided during the month. This form of payment is called "capitation." In these instances, when you receive Covered Services from such a Provider, the amounts you are responsible for paying and the applicable credit toward any Deductible or out-of-pocket maximums may be, as determined by us, based upon the amounts we could have paid for such Covered Services to an In-Network Provider of the same or similar provider type licensed to provide such services but not paid on a capitation basis (based on our Allowed Amounts then in effect for such Covered Services). Similarly, in these instances, the amounts you will owe for Coinsurance may be calculated, as determined by us, utilizing the amounts we could have paid an In-Network Provider of the same or similar provider type licensed to provide such services but not paid on a capitated basis (based upon our Allowed Amounts for such Covered Services). The comparison form of payment utilized for this purpose, in the case of such a same or similar

In-Network Provider, is fee-for-service payment. Further, in those circumstances where services provided were paid on a capitation basis but such Provider may be paid fee-for-service by us for

the same or similar services for other individuals, we may utilize the fee-for-service amounts for such same or similar services when calculating the credits toward applicable Deductibles and out-of-pocket maximums and/or use such fee-for-service amounts to calculate your Coinsurance.

### **Additional Expenses You Must Pay**

In addition to your share of the expenses described above, you are also responsible for:

1. charges in excess of any maximum benefit limitation listed in your Schedule of Benefits;
2. expenses for claims denied because we did not receive information requested from you regarding whether or not you have other coverage and the details of such coverage;
3. charges in excess of the Allowed Amount for Covered Services rendered by Providers who have not agreed to accept our Allowed Amount as payment in full;
4. any benefit reductions/benefit penalties;
5. charges for Health Care Services which are non-Covered Services or excluded;
6. the Premium applicable to your Contract; and
7. charges incurred for Services you receive from Out of Network Providers except when such Services are required for Emergency Services for the treatment of an Emergency Medical Condition.

## **SECTION 7. HEALTH CARE PROVIDER OPTIONS**

### **Introduction**

It is important that you understand how the Providers you choose to use for medical care and the type of Service you receive will affect how much you have to pay for medical Services. This section explains payment rules when receiving Covered Services from certain providers. This section does not include the specific Cost Share amounts under your plan; as you read this section, please keep in mind that you will have to check your Schedule of Benefits for those details. For information on Pharmacy Provider options, please refer to the PRESCRIPTION DRUG PROGRAM section.

### **Provider Participation Status**

In order to help control health care costs, we have entered into contracts with certain Providers to participate in Oscar's network. We negotiate with these Providers to establish maximum allowances and payment rules for Covered Services as one way to control health care costs. The allowances we establish are called our Allowed Amounts. The amount you are responsible for paying out-of-pocket for a particular Covered Service is based on our Allowed Amount for that Covered Service.

Your Schedule of Benefits designates the panel of Oscar Providers who are participating for your specific Contract. This is important because these Providers are considered your In-Network Providers for purposes of this Contract.

Remember that using In-Network Providers will result in lower Cost Share for you. You should always check to see whether a Provider is In-Network or Out-of-Network before you receive Services

We encourage you to select and develop a relationship with an In-Network Primary Care Physician. There are several advantages to selecting a Primary Care Physician. (Family Practitioners, General Practitioners, Internal Medicine doctors and Pediatricians):

- Primary Care Physicians are trained to provide a broad range of medical care and can be a valuable resource to coordinate your overall health care needs.
- Developing and continuing a relationship with a Primary Care Physician allows the Physician to become knowledgeable about you and your family's health history.
- A Primary Care Physician can help you determine when you need to visit a specialist and also help you find one based on their knowledge of you and your specific health care needs.

## HEALTH CARE PROVIDER OPTIONS

- Care rendered by Primary Care Physicians usually results in lower Cost Share for you.

You are responsible for checking to see if a Provider is In-Network for your plan prior to receiving Services. To find out if a Provider is in our provider network you can access the current Oscar Provider directory on your member account at [www.hioscar.com/search](http://www.hioscar.com/search); or call the customer service phone number on your ID Card. Please note that a particular provider may enter or leave our Network throughout the year. To find out if a Provider is a Network Provider:

- Check Your Provider directory, available at Your request
- Call 1-855-OSCAR-88; or
- Visit Our website at [www.hioscar.com](http://www.hioscar.com).

### **Out-of-Network Providers**

When you use Out-of-Network Providers your Cost Share for Covered Services will be higher. We will base our payment on the Allowed Amount at the Coinsurance percentage listed in the Schedule of Benefits. If your Schedule of Benefits and Oscar Provider directory do not include a Provider as In-Network under your benefit plan, the Provider is considered Out-of-Network. Remember that most services are not covered when rendered by Out-of-Network Providers, except when such Services are required for Emergency Services for the treatment of an Emergency Medical Condition.

If We determine that We do not have an In-Network Provider that has the appropriate training and experience to treat your condition, we may approve an authorization to an appropriate Out-of-Network Provider. Your In-Network Provider or you must request prior approval of the authorization to a specific Out-of-Network Provider. Approvals of authorizations to Out-of-Network Providers will not be made for the convenience of you or another treating Provider and may not necessarily be to the specific Out-of-Network Provider you requested. If we approve the authorization, all services performed by the Out-of-Network Provider are subject to a treatment plan approved by us in consultation with your PCP, the Out-of-Network Provider and you. Covered Services rendered by the Out-of-Network Provider will be paid as if they were provided by a Network Provider. You will be responsible only for any applicable in-network Cost-Sharing. In the event an authorization is not approved, any services rendered by an Out-of-Network Provider will not be Covered.

### **Accessing Services Outside the Service Area**

In most instances, services, as identified on your Schedule of Benefits, must be provided by in-network Oscar providers that are generally found within the Service Area. If, however, you are traveling outside the Service Area and need Emergency Services to treat an Emergency Medical

Condition and Oscar Network Providers are not reasonably available to provide Services, we will cover such Services as if they had been provided by an in network provider.

### **Provider Financial Incentive Disclosure**

Health care decisions are the shared responsibility of you, your family, and your health care Providers. A Provider's decisions regarding Health Care Services may have a financial impact on you and/or the Provider. For example a Provider in his or her contract with us may agree to accept financial responsibility for your Health Care Services. We encourage you to talk to your Providers about how, and to what extent, the acceptance of financial risk by the Provider may affect his or her Health Care Service decisions.

### **Location of Service**

The location or setting where you receive Services can also affect the amount you pay. For example, the amount you must pay will vary whether you receive Services in a Hospital, a Provider's office, or an Ambulatory Surgical Center. After you and your Physician have determined the plan of treatment most appropriate for your care, you should refer to the WHAT IS COVERED? section and your Schedule of Benefits to find out if the Services are covered and how much you will have to pay. You should also consult with your Physician to determine the most appropriate setting based on your health care and financial needs.

### **Physicians**

When you receive Covered Services from a Physician, several factors will determine your Cost Share, including whether the Physician is In-Network or Out-of-Network, the location of service, the type of Service rendered, whether the Physician participates in certain Oscar programs, and the Physician's specialty (as determined by us).

### **Hospitals**

Each time you receive inpatient or outpatient Covered Services at a Hospital, in addition to any Cost Share for Physician Services, you will have to pay the Cost Share related to Hospital Services.

In-Network Hospitals have been divided into two groups, referred to as "options" on your Schedule of Benefits. Your Cost Share amount may be different for each of these options. Remember your Cost Share amount is also different for Out-of-Network Hospitals.

Since not all Physicians admit patients to every Hospital, it is important when choosing a Physician that you find out the Hospitals where your Physician has admitting privileges. You can find out what Hospitals your Physician admits to by contacting the Physician's office. This information will help you figure out what your Cost Share may be in the event you are hospitalized.

### Specialty Pharmacy

Certain medications, such as injectable, oral, inhaled and infused therapies used to treat complex medical Conditions are typically more difficult to maintain, administer and monitor when compared to traditional drugs. Specialty Drugs may require frequent dosage adjustments, special storage and handling and may not be readily available at local pharmacies or routinely stocked by Physicians' offices, mostly due to the high cost and complex handling they require.

Using the Specialty Pharmacy to provide these Specialty Drugs should lower the amount you have to pay for these medications. Please refer to the Medication Guide for a list of Specialty Pharmacies.

### Other Providers

With Oscar you have access to other Providers in addition to the ones described in this section. Other Providers include facilities that provide alternative outpatient settings or other persons and entities that specialize in specific Services. While these Providers may be recognized for payment, they may not be In-Network Providers for your plan. Also, all of the Services that are within the scope of certain Providers' licenses may not be Covered Services under this Contract. Please refer to the WHAT IS COVERED? and WHAT IS NOT COVERED? sections of this Contract and your Schedule of Benefits to find out what your Cost Share may be for Covered Services rendered by these Providers.

You may be able to receive certain outpatient Services at a location other than a Hospital. Your Cost Share for Services rendered at some alternative facilities is generally less than if you had received those same Services at a Hospital.

### Assignment of Benefits to Providers

Except as set forth in the last paragraph of this section, we will not honor any of the following assignments, or attempted assignments, by you to any Provider, including, and without limitation, any of the following:

1. an assignment of the benefits due you under this Contract;
2. an assignment of the right to receive payments due under this Contract; or
3. an assignment of a claim for damage resulting from a breach, or an alleged breach, of any promise or obligation set forth in this Contract, or any promise or obligation set forth in any contract, plan, or policy.

We specifically reserve the right to honor an assignment of benefits or payment by you to a Provider who:

## HEALTH CARE PROVIDER OPTIONS

1. is an In-Network Provider under your plan of coverage;
2. 2) is a Oscar Provider even if that Provider is not in the panel for your plan of coverage;
3. 3) when applicable honor an assignment of your right to receive payment for Covered Services to an Out-of-Network Provider in accordance with Section 627.638(2) Florida Statutes or other applicable statute then in effect. A written attestation of the assignment of benefits may be required.

### **Quality Assurance**

Quality assurance is a formal methodology and set of activities designed to assess the quality of Health Care Services provided. Quality assurance includes formal review of care, problem identification, corrective actions to remedy identified deficiencies and evaluation of actions taken.

## **SECTION 8. PAYMENT OF PREMIUMS**

This Contract is not enforceable, and your coverage is not effective until we receive and accept the Contractholder's application and the first Premium payment, in full. All future Premium payments are due, in full, in advance or within the Grace Period. The amount of your initial monthly Premium is printed on the front page of this Contract. If we do not, for any reason, provide you with a notice of payment due, you, as the Contractholder, are still obligated under this Contract to pay Premiums on time, even if you do not receive a bill from us. You, as the Contractholder, are solely responsible for submitting the Premium to the address indicated on the bill by the end of the Grace Period.

If we accept Premium for a Covered Dependent for a period of time after such dependent no longer meets the eligibility rules, coverage for such dependent will continue during the Grace Period for which an identifiable Premium was accepted, unless such acceptance resulted from a misstatement of age or residence.

Premium payments from third-party payors, except those required by law and indicated below, may not be accepted:

1. A Ryan White HIV/AIDS Program under title XXVI of the Public Health Service Act;
2. An Indian tribe, tribal organization, or urban Indian organization;
3. A local, State, or Federal government program, including a grantee directed by a government program to make payments on its behalf;
4. Private, not-for-profit foundations if they are made on behalf of QHP enrollees who satisfy defined criteria that are based on financial status, do not consider enrollees' health status and are determined acceptable to us; or
5. From a designated representative acceptable to us. This includes, but is not limited to, immediate family members, domestic partners, or individuals holding a properly executed power of attorney (POA) who make payments out of your accumulated funds on your behalf.

We will review all other third-party payments, including payments made by private, not-for-profit foundations, on a case-by-case basis. We may decline to accept third-party payments, including payments by third-party individuals, that raise concerns for potential conflicts of interest, adverse selection, or fraud.

Some specialty medications may qualify for third-party copayment assistance programs which could lower your out-of-pocket costs for those products, subject to prior approval of Oscar. For any such specialty medication where third-party copayment assistance is used, You will not receive credit toward Your maximum Out-of-Pocket or Deductible for any Copayment or

## PAYMENT OF PREMIUMS

Coinsurance amounts that are applied to a manufacturer coupon or rebate. For further information as to third-party copayment assistance programs approved by Oscar for certain specialty medications, please call Us at 1-855-OSCAR-88.

### **Premium Payment Due Date**

The first Premium payment is due before the Effective Date of this Contract.

For applications received on or before the 15<sup>th</sup> calendar day of the month, the initial Premium payment must be received, in full, by the last calendar day of the month of application, in order for the contract effective date to be the first calendar day of the following month.

For applications received after the 15<sup>th</sup> calendar day of the month, the initial Premium payment must be received, in full, by the last calendar day of the month following the month of application, in order for the Contract Effective Date to be the first calendar day of the second month following the month of application.

In the event that the initial Premium payment is dishonored, your coverage will not be effective and we will not enroll you in coverage.

Each recurring monthly Premium payment, following the initial Premium payment, is due in full on or before the due date as stated on your monthly bill.

### **Grace Period**

This Contract has a Premium payment Grace Period which begins on the date the Premium payment is due. If any required Premium payment is not received by us on or before the due date, it may be paid during this Grace Period. The length of the Grace Period depends on whether or not you are receiving Advanced Payments of the Premium Tax Credit (APTC) as determined by the Marketplace.

#### ***If you DO receive APTC***

The Grace Period is three months, as long as you have paid at least one month's Premium. We will pay all claims for Covered Services during the first month of the Grace Period. During months two and three of your Grace Period we may pend any claims incurred and received during months two and three. If we do not receive your Premium payments in full by the end of the Grace Period your coverage will terminate as of the last day of the first month of the Grace Period. Any pending claims will be denied and you will be responsible for payment of the claims.

#### ***If you DO NOT receive APTC***

The Grace Period is 31 days. Coverage will stay in force during the Grace Period, however; if Premium payments are not received by the end of the Grace Period, coverage will terminate as of the Premium due date.

### **Partial Payments**

When we bill you for different kinds of coverage, products and/or services on the same bill (such as health insurance and dental insurance) and you pay less than the total amount of the bill, the way we credit your partial payment may affect your coverage.

We have established the order in which your partial payment will be applied to the different kinds of coverage, products and/or services, which is outlined on your bill. By accepting this coverage, you agree that partial payments will be applied in the order indicated on your bill.

### **Changes in Premiums**

The Premium may be modified each year on the Anniversary Date due to changes in the Rates. We will provide at least 45 days prior notice to the Contractholder. If you send us any payments after you receive the notice of change to your Premium, this means you, as the Contractholder, agree to the Premium changes.

In addition to the Anniversary Date changes discussed above, your Premium may change if the Risk Class of you or any Covered Dependent changes, or if the number of individuals covered under this Contract changes. For example, the Premium may change if you move to a different geographical area.

### **Defaults in Payments**

If all Premiums required under this Contract are not paid in full when they are due, this Contract will terminate as described in this section. However, even if your coverage is terminated for non-payment, you, as the Contractholder are still obligated under this Contract to pay us any prorated portion of the Premium for the period of time during which we provided benefits, or for any amounts otherwise due us.

## **SECTION 9. ELIGIBILITY AND ENROLLMENT FOR COVERAGE**

Any person who meets and continues to meet the eligibility rules described in this Contract, is entitled to apply for coverage with us under this Contract. These eligibility rules are binding upon you and your eligible dependents. We may require acceptable documents proving that a person meets and continues to meet the eligibility requirements, such as a court order naming the Contractholder as the legal guardian or appropriate Adoption documents described in this section.

### **Contractholder Eligibility**

In order to be eligible to apply for coverage as a Contractholder, you must:

1. meet the requirements for enrollment and eligibility in the Marketplace;
2. be a Resident;
3. apply for coverage under, and be named on, the application for this Contract; and
4. pay the required Premiums.

### **Dependent Eligibility**

A person who meets the residency standards required by the Marketplace and meets the eligibility criteria specified below is eligible to apply for coverage under this Contract as an Eligible Dependent only if the person: 1) was named on the initial application for, or properly enrolled under, this Contract; 2) pays the required Premium; and is:

1. The Contractholder's spouse under a legally valid existing marriage;
2. The Contractholder's present Domestic Partner;
3. The Contractholder's or Covered Domestic Partner's natural, newborn, Adopted, Foster or step child (or a child for whom the Contractholder or Covered Domestic Partner has been court-appointed as legal guardian or legal custodian) who has not reached the end of the Calendar Year in which he or she reaches age 30, regardless of the dependent child's student or marital status, financial dependency on the covered parent, whether the dependent child resides with the covered parent, or whether the dependent child is eligible for or enrolled in any other health plan;
4. The newborn child of a Covered Dependent child. Coverage for such newborn child will automatically terminate 18 months after the birth of the newborn child.

**Note:** You are solely responsible, as the Contractholder, to establish that a child meets the eligibility rules. Eligibility will end when the child no longer meets the eligibility rules required to be an Eligible Dependent described above.

### **Extension of Eligibility for Dependent Children**

A Covered Dependent child may continue coverage beyond the age of 30, provided he or she maintains his or her primary residence in the Service Area and is enrolled in the plan at the time he or she reaches age 30.

### **Children with Disabilities**

In the case of a dependent child with an intellectual or physical disability, such child is eligible to continue coverage as a Covered Dependent, beyond the age of 30, if the child is otherwise eligible for coverage under the Contract.

This eligibility will end on the last day of the month in which the dependent child no longer meets these requirements.

### **Other Eligibility Rules**

1. No person whose coverage with us has been terminated for cause (see the TERMINATION OF COVERAGE section) shall be eligible to re-enroll with us.
2. No person shall be refused enrollment or re-enrollment because of race, color, national origin, disability, sex, age, creed, marital status, gender, gender identity or sexual orientation (except as provided in this section).
3. The Contractholder must notify the Marketplace and Oscar as soon as possible when a Covered Dependent is no longer eligible for coverage. If a Covered Dependent fails to continue to meet each of the eligibility requirements, and the Contractholder does not provide timely notice to the Marketplace and Oscar we shall have the right to:
  - a. retroactively terminate the coverage of such dependent to the date any such eligibility requirement was not met; and
  - b. recover an amount equal to the Allowed Amount for Health Care Services and/or supplies provided after such date, less any Premium we received for such dependent for coverage after such date.

Upon our request, the Contractholder shall provide proof, which is acceptable to us, of a Covered Dependent's continuing eligibility for coverage.

## General Rules for Enrollment

1. Any person who is not properly enrolled with us through the Marketplace will not be covered under this Contract. We will have no obligation whatsoever to any person who is not properly enrolled.
2. All factual representations made by you to Oscar and the Marketplace in writing in connection with the issuance of this Contract and enrollment hereunder must be accurate and complete. Any false, incomplete or misleading information provided during the enrollment process, or at any time, may cause you to be disqualified for coverage and, in addition to any other legal right we may have, we may terminate or Rescind your coverage.
3. We will not provide coverage or benefits to any person who would not have been eligible to enroll with us, had accurate and complete information been provided to us on a timely basis. In such cases, we may require you or a person legally responsible for you, to reimburse us for any payments we made on your behalf.
4. Eligibility for coverage under this Contract is determined by the Risk Class applicable to you and your dependents. In determining eligibility for coverage under this Contract, we rely on the information provided by you prior to your enrollment.
5. You agree that if you obtain coverage through the Marketplace we may rely on information provided to us on your behalf as if they are “you” for administrative purposes including but not limited to eligibility and member data.
6. If, in applying for this Contract or in enrolling yourself or dependents you commit fraud or make an intentional misrepresentation of material fact, we may Rescind your coverage. After two years from your Effective Date your Contract may only be Rescinded for fraudulent misstatements. If, in applying for this Contract or in enrolling yourself or dependents, you make a fraudulent statement or intentional misrepresentation of a material fact including but not limited to, your demographic information including your geographical area, age, or the age of your dependents, we may elect to cancel the Contract with 45 days prior written notice. We may also elect to continue this Contract provided that the Contractholder pays us for the full amount of the Premium that would have been in effect if you had stated the true facts.

## **How to Enroll in Coverage**

To enroll in coverage, you must:

1. complete and submit an application through the Marketplace during the Annual Open Enrollment Period or during a Special Enrollment Period;
2. provide any other information the Marketplace or Oscar may need to determine eligibility, at our request or the request of the Marketplace;
3. agree to pay the required Premium; and
4. complete and submit the required Enrollment Forms through the Marketplace during the Annual Open Enrollment Period or a Special Enrollment Period to add Eligible Dependents or delete Covered Dependents.

### **Annual Open Enrollment Period**

The Annual Open Enrollment Period is the period of time each year, as designated by the Marketplace, when you can change coverage or enroll in a new QHP through the Marketplace. Any changes made to your coverage during the Annual Open Enrollment Period can be effective as early as January 1<sup>st</sup>. If you do not enroll or change coverage during the Annual Open Enrollment Period you will need to wait until the next Annual Open Enrollment Period unless you or your Eligible Dependents are eligible for a Special Enrollment Period.

### **Special Enrollment Periods**

If you experience a life or special enrollment event as determined by the Marketplace you may be eligible to apply for coverage outside of the Annual Open Enrollment Period. A Special Enrollment Period is the period of time immediately before or after one of these life or special events, as determined by the Marketplace. The Effective Date of your new coverage will depend on what type of special event occurred.

To apply for coverage, you must complete the applicable Enrollment Form and submit it to the Marketplace within the Special Enrollment Period. The Marketplace will determine whether you qualify for a Special Enrollment Period, the length of the Special Enrollment Period and your Effective Date.

Special enrollment events are established by state and federal law. Below are examples of special enrollment events. This is not intended to be a complete list. For more detailed information on what qualifies for a Special Enrollment Period go to [www.HealthCare.gov](http://www.HealthCare.gov).

- Loss of minimum essential coverage (e.g., job loss, divorce, aging off parents' plan);  
or

## ELIGIBILITY AND ENROLLMENT FOR COVERAGE

- Gaining a dependent (e.g., marriage, having a baby, Adoption or placement for Adoption or foster care).
- To qualify for a marriage Special Enrollment Period, at least one spouse must:
- Be enrolled in minimum essential coverage at least 1 day in the 60 days before marriage,
- Have lived abroad for 1 or more days in the 60 days before marriage, or
- Be an American Indian or Alaska Native (AI/AN)

### **Additional Rules for Dependent Enrollment**

A person may be added upon becoming an Eligible Dependent during a Special Enrollment Period. Below are special rules for certain Eligible Dependents.

Newborn Children – To enroll a newborn child who is an Eligible Dependent, you must complete and submit any required Enrollment Forms. The Effective Date of coverage for a newborn child is usually the date of birth as long as you have enrolled the newborn child in time (as indicated below). We and the Marketplace must be notified, in writing, when you are adding a newborn and the rules for Effective Date and Premiums charged for the newborn may vary depending on when the notification is received. The Special Enrollment Period to add a newborn is only 60 days. If you do not add a newborn within the 60-day period you will need to wait until the next Annual Open Enrollment Period or for a Special Enrollment Period to add a newborn. You will not be responsible for an additional premium for newborn coverage for the duration of the notice period.

### **Additional Rules for Adopted Newborn Children**

In addition to the above, in order for an Adopted newborn's Effective Date to be the date of birth, a written agreement to Adopt such child must have been entered into by the Contractholder or Domestic Partner prior to the birth of such child, whether or not such an agreement is enforceable. We may require the Contractholder to provide any information and/or documents which we deem necessary in order to administer this provision. Proof of final Adoption must be submitted to us. If the Adopted newborn child is not ultimately placed in your residence, there shall be no coverage for the Adopted newborn child. It is your responsibility as the Contractholder to notify us that the Adopted newborn child is not placed in your residence.

The guidelines above only apply to newborns born after the Effective Date of the Contractholder. If a child is born before the Effective Date of the Contractholder or Domestic Partner the newborn must be added during the application process.

Adopted/Foster Children– To enroll an Adopted child or Foster Child, you must complete and submit any required Enrollment Forms prior to or within 60 days after the date of placement and

## ELIGIBILITY AND ENROLLMENT FOR COVERAGE

pay the additional Premium, if any. The Effective Date will be the date the Adopted or Foster Child is placed in the residence of the Contractholder or Domestic Partner. We may need you to provide additional information and/or documents deemed necessary by us in order to properly administer this provision.

The Special Enrollment Period to add an Adopted child or Foster Child is only 60 days. If you do not add an Adopted child or Foster Child within the 60-day period you will need to wait until the next Annual Open Enrollment Period or for a Special Enrollment Period to add the child.

**Adopted Children** – For all children covered as Adopted children, if the final decree of Adoption is not issued, coverage shall not be continued for such Adopted child. As the Contractholder, you are solely responsible for notifying us and the Marketplace if the Adoption does not take place. Upon receipt of notification from the Marketplace, we will terminate the coverage of the child on the first billing date following receipt of the written notice.

**Foster Children** – If your status as a foster parent is terminated, coverage will end for any Foster Child. As the Contractholder, you are solely responsible for notifying us and the Marketplace in writing that the Foster Child is no longer in your care. Upon receipt of notification from the Marketplace, we will terminate the coverage of the child on the first billing date following receipt of the written notice.

**Other Dependents** -- If other Eligible Dependents were not named on the application for this Contract (such as a new spouse or a new court order to provide coverage for a minor child), you may still apply for coverage for such dependents during a Special Enrollment Period. An Eligible Dependent can become covered when you submit the required Enrollment Forms to the Marketplace and pay the required Premiums. The Effective Date of coverage for such dependents will be determined by the Marketplace.

### **Continuing Coverage on Termination of Eligibility**

If coverage ceases because of termination of eligibility under this Contract, you shall be entitled to be issued a Contract in your name without evidence of insurability, provided that application is made and Premiums are paid within 31 days after termination. There will be continuous coverage during the 31-day period, if such coverage is selected and the Premiums are paid. See also the Notice of Ineligible Dependent subsection of the TERMINATION OF COVERAGE section.

## **SECTION 10. TERMINATION OF COVERAGE**

### **Introduction**

This section describes the rules for termination of coverage. We have divided this section into two subsections: Termination of an Individual; and Termination of the Contract.

### **Termination of an Individual**

If your coverage is terminated by us for any reason we will provide you and the Marketplace with notice at least 45 days prior to your last day of coverage under this Contract.

#### **Contractholder**

A Contractholder's coverage will automatically end at 12:01 a.m. on the termination date provided in your termination notice. A Contractholder's coverage will end for the following reasons:

1. the Contract terminates in accordance with Termination of the Contract subsection;
2. the Contractholder's coverage is terminated for cause (see Termination for Cause below);
3. the Contractholder is no longer eligible for coverage in a QHP through the Marketplace;
4. the Contractholder no longer meets any of the eligibility requirements; or
5. the Contractholder changes from one QHP to another during an Annual Open Enrollment Period or a Special Enrollment Period.

If you, as the Contract holder, wish to terminate your coverage, you must provide at least 14 days' notice to us and the Marketplace and complete any required Enrollment Forms.

#### **Covered Dependent**

A Covered Dependent's coverage will automatically end at 12:01 a.m. on the termination date provided in your termination notice. A Covered Dependent's coverage will end for the following reasons:

1. the Contractholder's coverage terminates for any reason;
2. the Covered Dependent no longer meets any of the eligibility requirements;

## TERMINATION OF COVERAGE

3. 18 months after the birth of a newborn child who is the child of a Covered Dependent child;
4. the Covered Dependent's coverage is terminated by us for cause.

If you, as the Contractholder, wish to delete a Covered Dependent from coverage, you must provide at least 14 days' notice to us and the Marketplace and complete any required Enrollment Forms.

### **Domestic Partner and/or Domestic Partner's Dependent Child**

In addition to the rules listed under Covered Dependent above, a covered Domestic Partner and his or her Covered Dependent child's coverage under the Contract will end at 12:01 a.m. on the date that the Domestic Partnership ends or the date of death of the covered Domestic Partner.

### **Termination for Cause**

If, in our opinion, any of the following events occur, we may terminate a person's coverage for cause:

1. disruptive, unruly, abusive, unlawful, fraudulent or uncooperative behavior to the extent that your continued coverage with us impairs our ability to provide coverage and/or benefits or to arrange for the delivery of Health Care Services to you or any other Covered Person. Prior to terminating your coverage for any of the above reasons, we will:
  - a. make a reasonable effort to resolve the problem presented by you, including the use or attempted use of our Appeal and Grievance Process;
  - b. ascertain, to the extent possible, that your behavior is not related to the use of medical Services or mental illness; and
  - c. document the problems encountered, efforts made to resolve the problems, and any of your medical conditions involved.
2. fraud, intentional misrepresentation of material fact or omission in applying for coverage or benefits;
3. you intentionally misrepresent, omit or give false information on Enrollment Forms or other forms completed for us for the purpose of obtaining coverage under this Contract, by you or on your behalf; or
4. misuse of the ID Card.

If You engage in abusive or threatening conduct toward an employee or agent of Oscar, You will receive one warning in writing. If You engage in further abusive or threatening conduct toward

## TERMINATION OF COVERAGE

an employee or agent of Oscar following such warning, You will receive written notice of termination at least 45 days in advance of termination.

Any termination made under the provisions stated above is subject to review in accordance with the Appeal and Grievance Process described in this Contract.

### **Rescission of Coverage**

We reserve the right to Rescind coverage under this Contract or coverage for any person covered under this Contract as permitted by law.

We may only Rescind the Contract or coverage of a person covered under the Contract if you or another person on your behalf commits fraud or you make an intentional misrepresentation of material fact in applying for coverage or benefits. Only fraudulent misstatements on the Enrollment Form may be used by us to void coverage or deny any claim for loss incurred or disability, if discovered after two years from your Effective Date.

We will provide at least 45 days advance written notice to the Contractholder of our intent to Rescind coverage.

Rescission of coverage is considered an Adverse Benefit Determination and is subject to the Adverse Benefit Determination review standards described in the CLAIMS PROCESSING section and the appeal procedures described in the APPEAL AND GRIEVANCE PROCESS section.

### **Notice of Ineligible Dependent**

If a Covered Dependent no longer meets all of the applicable eligibility requirements specified in the ELIGIBILITY AND ENROLLMENT FOR COVERAGE section of this Contract, the Contractholder must notify us in writing immediately and no later than 31 days after the date the Covered Dependent ceases to be eligible for coverage. If we receive notification after the 31-day period, the change will be effective as of a current date and we will not refund any Premiums.

### **Our Responsibilities Upon Termination of Your Coverage**

Upon termination of coverage for you or any of your Covered Dependents for any reason, we will have no further liability or responsibility with respect to such person, except as otherwise specifically described in this Contract.

### **Certification of Creditable Coverage**

In the event coverage ends for any reason, we will issue a written certification of Creditable Coverage to you.

## TERMINATION OF COVERAGE

The certification of Creditable Coverage will indicate the period of time you were enrolled with us.

Upon request, we will send you another certification of Creditable Coverage within a 24-month period after termination of coverage. You may call the customer service phone number on your ID Card to request the certification.

The succeeding carrier will be responsible for determining if our coverage meets their qualifying Creditable Coverage guidelines.

### Termination of the Contract

#### **Discontinuation of Form**

We may decide to discontinue this form, but may do so only if:

1. we provide notice to each Contractholder under this policy form in the individual market at least 90 days before the date the coverage under this policy form will end;
2. we offer the option to each Covered Person to purchase any other individual health care coverage we currently offer to individuals in such market in the state; and
3. we act uniformly without regard to any health-status-related factor of Covered Persons or individuals who may become eligible for such coverage.

#### **Discontinuation of all Policies in Individual Market**

We may decide to discontinue all of the policies that we have issued in the individual market in this state (including this Contract), but may do so only if:

1. we provide notice to the Office of Insurance Regulation and each Contractholder at least 180 days before the date the coverage under such policies will end; and
2. we return any unused Premium to the Contractholder. [Defaults in Payments](#)

If all Premiums required under this Contract are not paid in full when they are due, this Contract will terminate at the end of the Grace Period, as described in the PAYMENT OF PREMIUMS section.

#### **Notice of Termination**

If the entire Contract is terminated by us, a written notice of any termination of this entire Contract will be mailed to the Contractholder. This notice will state the reason the Contract is being terminated.

### **QHP Termination or Decertification**

The Marketplace may at any time decertify a QHP if the Marketplace determines that the QHP issuer is no longer in compliance with the general certification criteria as determined by HHS. If the QHP is decertified by the Marketplace, the Marketplace will send you notice of the decertification and will provide you information about your right to a Special Enrollment Period.

### **Conditions of Renewal and Termination**

This Contract is guaranteed renewable. This means that it automatically renews each year on the Anniversary Date unless terminated earlier in accordance with the terms of this Contract. We may terminate this Contract or refuse to renew it if:

1. Premiums are not paid in accordance with the terms of this Contract or we have not received timely Premium payments;
2. the Contractholder no longer meets any of the eligibility requirements.
3. you perform an act, or engage in any practice, that constitutes fraud or make an intentional misrepresentation of material fact; or
4. you fail to comply with a material provision of the Contract.

If we decide to terminate the Contract or not renew it, based on one or more of the actions listed above, we will provide at least 45 days advance written notice.

## **SECTION 11. CLAIMS PROCESSING**

### **Introduction**

This section is intended to:

1. help you understand what your treating Providers must do, under the terms of this Contract, in order to obtain payment for Covered Services that have been rendered or will be rendered to you; and
2. provide you with a general description of the applicable procedures we will use for making Adverse Benefit Determinations, Concurrent Care Decisions and for notifying you when we deny benefits.

#### **Types of Claims**

For purposes of this Contract, there are three types of claims: (1) Post-Service Claims; (2) Pre-Service Claims; and (3) Claims Involving Urgent Care. It is important that you become familiar with the types of claims that can be submitted to us and the timeframes and other requirements that apply.

### **Post-Service Claims**

#### **How to File a Post-Service Claim**

Experience shows that the most common type of claim we will receive from you or your treating Providers will likely be Post-Service Claims.

Oscar Providers have agreed to file Post-Service Claims with us for Health Care Services they render to you. In the event a Provider who renders Services to you does not file a Post-Service Claim for such Services, it is your responsibility to file it with us.

We must receive a Post-Service Claim within 90 days of the date the Health Care Service was rendered or, if it was not reasonably possible to file within such 90-day period, as soon as possible. In any event, no Post-Service Claim will be considered for payment if we do not receive it at the address indicated on your ID Card within one year of the date the Service was rendered unless you are legally incapacitated.

For Post-Service Claims, we must receive an itemized statement containing the following information:

1. the date the Service was provided;
2. a description of the Service including any applicable procedure codes;

3. the amount actually charged by the Provider;
4. the diagnosis including any applicable diagnosis codes;
5. the Provider's name and address;
6. the name of the individual who received the Service; and
7. the Contractholder's name and contract number as they appear on the ID Card.

### **Processing Post-Service Claims**

We will use our best efforts to pay, contest, or deny all Post-Service Claims for which we have all of the necessary information, as determined by us, within the timeframes described below.

### **Payment for Post-Service Claims**

When payment is due under the terms of this Contract, we will use our best efforts to pay (in whole or in part) for electronically submitted Post-Service Claims within 20 days of receipt. Likewise, we will use our best efforts to pay (in whole or in part) for paper Post-Service Claims within 40 days of receipt. You may receive notice of payment for paper claims within 30 days of receipt. If we are unable to determine whether the claim or a portion of the claim is payable because we need more information, we may contest or deny the claim within the timeframes set forth below.

### **Contested Post-Service Claims**

In the event we contest an electronically submitted Post-Service Claim, or a portion of such a claim, we will use our best efforts to provide notice, within 20 days of receipt, that the claim or a portion of the claim is contested. In the event we contest a paper Post-Service Claim, or a portion of such a claim, we will use our best efforts to provide notice, within 30 days of receipt, that the claim or a portion of the claim is contested. The notice may identify the contested portion or portions of the claim and the reasons for contesting the claim or a portion of the claim. The notice may also indicate whether more information is needed in order to complete processing of the claim. If we request additional information, we must receive it within 45 days of the request for the information. If we do not receive the requested information, the claim or a portion of the claim will be processed based on the information in our possession at the time and may be denied. Upon receipt of the requested information, we will use our best efforts to complete the processing of the Post-Service Claim within 15 days of receipt of the information.

### **Denial of Post-Service Claims:**

In the event we deny a Post-Service Claim submitted electronically, we will use our best efforts to provide notice, within 20 days of receipt that the claim or a portion of the claim is denied. In the event we deny a paper Post-Service Claim, we will use our best efforts to provide notice,

within 30 days of receipt of the claim, that the claim or a portion of the claim is denied. The notice may identify the denied portions of the claim and the reasons for denial. It is your responsibility to ensure that we receive all information that we determine is necessary to adjudicate a Post-Service Claim. If we do not receive the necessary information, the claim or a portion of the claim may be denied.

A Post-Service Claim denial is an Adverse Benefit Determination and is subject to the Adverse Benefit Determination standards in this section.

In any event, we will use our best efforts to pay or deny all (1) electronic Post-Service Claims within 90 days of receipt of the completed claim; and (2) paper Post-Service Claims within 120 days of receipt of the completed claim. Claims processing shall be deemed to have been completed as of the date the notice of the claims decision is deposited in the mail by us or otherwise electronically transmitted. Any claims payment relating to a Post-Service Claim that is not made by us within the applicable timeframe is subject to the payment of simple interest at the rate established by the Florida Insurance Code.

We will investigate any allegation of improper billing by a Provider upon receipt of written notification from you. If we determine that you were billed for a Service that was not actually performed, any payment amount will be adjusted and, if applicable, a refund will be requested. In such a case, if payment to the Provider is reduced due solely due to the notification from you, we will pay you 20 percent of the amount of the reduction, up to a total of \$500.

## Pre-Service Claims

### **How to file a Pre-Service Claim**

This Contract may condition coverage, benefits, or payment (in whole or in part) for a specific Covered Service, on the receipt by us of a Pre-Service Claim as that term is defined herein. In order to determine whether we must receive a Pre-Service Claim for a particular Covered Service, please refer to the WHAT IS COVERED? section. You may also call the customer service phone number on your ID Card for assistance.

We are not required to render an opinion or make a coverage or benefit determination with respect to a Service that has not actually been provided to you unless the terms of this Contract require approval by us (or condition payment) for the Service before it is received. See information below for more details on preauthorization.

### **Benefit Determinations on Pre-Service Claims Involving Urgent Care**

For a Pre-Service Claim Involving Urgent Care, we will use our best efforts to provide notice of the determination (whether adverse or not) as soon as possible, but not later than 72 hours after receipt of the Pre-Service Claim unless additional information is required for a coverage decision. If additional information is necessary to make a determination, we will use our best efforts to

provide notice within 24 hours of: (1) the need for additional information; (2) the specific information that you or the Provider may need to provide; and (3) the date that we reasonably expect to provide notice of the decision. If we request additional information, we must receive it within 48 hours of the request. We will use our best efforts to provide notice of the decision on the Pre-Service Claim within 48 hours after the earlier of: (1) receipt of the requested information; or (2) the end of the period you were afforded to provide the specified additional information as described above.

### **Benefit Determinations on Pre-Service Claims that Do Not Involve Urgent Care**

We will use our best efforts to provide notice of a decision of a Pre-Service Claim not involving urgent care within 15 days of receipt provided additional information is not required for a coverage decision. This 15-day determination period may be extended by us one time for up to an additional 15 days. If such an extension is necessary, we will use our best efforts to provide notice of the extension and reasons for it. We will use our best efforts to provide notification of the decision on your Pre-Service Claim within a total of 30 days of the initial receipt of the claim, if an extension of time was taken by us.

If additional information is necessary to make a determination, we will use our best efforts to: (1) provide notice of the need for additional information, prior to the expiration of the initial 15-day period and/or (2) identify the specific information that you or the Provider may need to provide. If we request additional information, we must receive it within 45 days of the request for the information. We will use our best efforts to provide notice of the decision on the Pre-Service Claim within 15 days of receipt of the requested information.

A Pre-Service Claim denial is an Adverse Benefit Determination and is subject to the Adverse Benefit Determination standards in this section.

## **Preauthorization**

To satisfy Preauthorization requirements, You, Your Physician, Provider of services, or a family member should call Oscar at 1-855-OSCAR-88 on business days between 8 a.m. and 8 p.m. CT All timelines for authorization requirements are provided in keeping with applicable state and federal regulations.

In-Network Benefits will be available if You use a Network Provider or Network Specialty Care Provider. Network Providers may Preauthorize services for You, when required, but it is Your responsibility to ensure Preauthorization requirements are satisfied.

However, if care is not available from Network Providers as determined by Oscar, and Oscar authorizes Your visit to an Out-of-Network Provider to be covered at the In-Network Benefit level **prior to the visit**, In-Network Benefits will be paid. Refer to the **HOW THE PLAN WORKS** section of this Policy for additional information.

The following types of services require Preauthorization:

These programs offer integrated and aligned assessment, treatment and discharge planning services for treatment of severe or complex co-occurring conditions which make it unlikely that the Participants will benefit from programs that focus solely on mental illness conditions.

Certain outpatient services that fit one of the following categories may also require Preauthorization. ### Preauthorization for Inpatient Hospital Admissions

In the case of an elective inpatient Hospital admission, the call for Concurrent review should be made at least two (2) business days before You are admitted unless it would delay Emergency Care. In an emergency, Preauthorization should take place within two (2) business days after admission, or as soon thereafter as reasonably possible.

When an inpatient Hospital admission is Preauthorized, a length-of-stay is assigned. Your Plan is required to provide a minimum length of stay in a Hospital facility for the following:

- Treatment of Breast Cancer

- 48 hours following a mastectomy
- 24 hours following a lymph node dissection

If You require a longer stay than was first Preauthorized, Your Provider may seek an extension for the additional days and must request such an extension before the end of the initial stay. Benefits will **not** be available for room and board charges for medically unnecessary days.

### **Preauthorization for Extended Care Expense and Home Infusion Therapy**

Preauthorization for Extended Care Expense and Home Infusion Therapy may be obtained by having the agency or facility providing the services contact Oscar to request Preauthorization. The request should be made:

- Prior to initiating Extended Care Expense or Home Infusion Therapy; and
- When an extension of the initially Preauthorized service is required

Oscar will review the information submitted prior to the start of Extended Care Expense or Home Infusion Therapy and will notify You and the agency or facility in writing confirming Preauthorization or denying benefits. If Extended Care Expense or Home Infusion Therapy is to take place in less than one week, the agency or facility should call Oscar at 1-855-OSCAR-88.

If Oscar has given notification that benefits for the treatment plan requested will be denied based on information submitted, Claims will be denied.

### **Preauthorization for Chemical Dependency, Serious Mental Illness, and Mental Health Care**

In order to receive maximum benefits, all inpatient treatment for Chemical Dependency, Serious Mental Illness, and Mental Health Care must be Preauthorized by the Plan. Preauthorization is also required for certain outpatient services. Outpatient services requiring Preauthorization include psychological testing, Neuropsychological Testing, Intensive Outpatient Programs and electroconvulsive therapy. Preauthorization is not required for therapy visits to a Physician, Behavioral Health Practitioner and/or Other Professional Provider.

To satisfy Preauthorization requirements, You, a family member, or Your Behavioral Health Practitioner must call Us at 1-855-OSCAR-88. All timelines for Preauthorization requirements are provided in keeping with applicable state and federal regulations.

When treatment or service is Preauthorized, a length-of-stay or length of service is assigned. If You require a longer stay or length of service than was first Preauthorized, Your Behavioral Health Practitioner may seek an extension for the additional days or visits. Benefits will not be available for medically unnecessary treatment or services.

**Failure to Preauthorize**

We will reduce benefits by 50% with respect to charges for treatment, services and supplies for services which require Preauthorization by Us but for which you or your provider did not request Preauthorization.

Additionally, Oscar will review the Medical Necessity of Your treatment or service prior to the final benefit determination. If an inpatient Hospital admission, Extended Care Expense, Home Infusion Therapy, any treatment of Chemical Dependency, Serious Mental Illness, and Mental Health Care or extension for any treatment or service described above is not authorized and it is determined that the treatment, service, or extension was not Medically Necessary or Experimental/Investigational, benefits may be reduced or denied.

**Requesting a Preauthorization Review**

If We have all the information necessary to make a determination regarding a Preauthorization review, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three (3) business days of receipt of the request.

If We need additional information, We will request it within three (3) business days. You or Your Provider will then have 45 calendar days to submit the information. If We receive the requested information within 45 days, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three (3) business days of Our receipt of the information. If all necessary information is not received within 45 days, We will make a determination within 15 calendar days of the end of the 45 day period.

**Urgent Preauthorization Review**

With respect to urgent Preauthorization requests, if We have all information necessary to make a determination, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone, within 72 hours of receipt of the request. Written notice will be provided within three (3) business days of receipt of the request. If We need additional information, We will request it within 24 hours. You or Your Provider will then have 48 hours to submit the information. We will make a determination and provide notice to You (or Your designee) and Your Provider by telephone within 48 hours of the earlier of Our receipt of the information, or the end of the 48 hour time period. Written notification will be provided within the earlier of three (3) business days of Our receipt of the information, or three (3) calendar days after the verbal notification.

**Concurrent Care Decisions**

**Reduction or Termination of Coverage or Benefits for Services**

A reduction or termination of coverage or benefits for Services will be considered an Adverse Benefit Determination when:

1. we have approved, in writing, coverage or benefits for an ongoing course of Services to be provided over a period of time or a number of Services to be rendered; and
2. the reduction or termination occurs before the end of such previously approved time or number of Services; and
3. the reduction or termination of coverage or benefits by us was not due to an amendment to the Contract or termination of your coverage as provided by this Contract.

We will use our best efforts to notify you of such reduction or termination in advance so that you will have a reasonable amount of time to have the reduction or termination reviewed in accordance with the Adverse Benefit Determinations described below. In no event shall we be required to provide more than a reasonable period of time within which you may develop your appeal before we actually terminate or reduce coverage for the Services.

### **Requests for Extension of Services**

Your Provider may request an extension of coverage or benefits for a Service beyond the approved period of time or number of approved Services. If the request for an extension is for a Claim Involving Urgent Care, we will use our best efforts to notify you of the approval or denial of such requested extension within 24 hours after receipt of the request, provided it is received at least 24 hours prior to the expiration of the previously approved number or length of coverage for such Services. We will use our best efforts to notify you within 24 hours if: (1) we need additional information; or (2) you or your representative did not follow proper procedures in the request for an extension. If we request additional information, you will have 48 hours to provide the requested information. We may notify you orally or in writing, unless you or your representative specifically request that it be in writing. A denial of a request for an extension of Services is considered an Adverse Benefit Determination and is subject to the procedures described below.

## **Adverse Benefit Determinations**

### **Manner and Content of a Notification of an Adverse Benefit Determination**

We will use our best efforts to provide notice of any Adverse Benefit Determination in writing. Notification of an Adverse Benefit Determination will include (or will be made available to you free of charge upon request):

1. the date the Service or supply was provided;

2. the Provider's name
3. the dollar amount of the claim, if applicable;
4. the diagnosis codes included on the claim (e.g., ICD-9, ICD-10, DSM-IV), and upon request a description of such codes;
5. the standardized procedure code included on the claim (e.g., Current Procedural Terminology), including a description of such codes;
6. the specific reason or reasons for the Adverse Benefit Determination, including any applicable denial code;
7. a description of the specific Contract provisions upon which the Adverse Benefit Determination is based, as well as any internal rule, guideline, protocol, or other similar criterion that was relied upon in making the Adverse Benefit Determination;
8. a description of any additional information that might change the determination and why that information is necessary;
9. a description of the Adverse Benefit Determination review procedures and the time limits applicable to such procedures; and
10. if the Adverse Benefit Determination is based on the Medical Necessity or Experimental or Investigational limitations and exclusions, a statement telling you how to obtain the specific explanation of the scientific or clinical judgment for the determination.

If the claim is a Claim Involving Urgent Care, we may notify you orally within the proper time frames, provided we follow up with a written or electronic notification meeting the requirements of this subsection no later than two working days or three calendar days after the oral notification.

### **Additional Claims Processing Provisions**

#### **Release of Information/Cooperation**

In order to process claims, we may need certain information, including information regarding other health care coverage you may have and/or medical information from Providers who render Services to you. You must cooperate with us in our effort to obtain this information, including signing any release of information form at our request. If you do not fully cooperate with us, we may deny the claim and we will have no liability for such claim.

#### **Physical Examination and Autopsy**

In order to make coverage and benefit decisions, we may, at our expense, require you to be examined by a Provider of our choice as often as is reasonably necessary while a claim is pending. We also reserve the right, if the law permits, to have an autopsy performed on you in case of death. If you do not fully cooperate with such examination, we may deny the claim and we shall have no liability for such claim.

### **Legal Actions**

No legal action arising out of or in connection with coverage under this Contract may be brought against us within the 60-day period following our receipt of the completed claim as required herein. Additionally, no such action may be brought after expiration of the applicable statute of limitations.

### **Fraud, Misrepresentation or Omission in Applying for Benefits**

We rely on the information provided on the itemized statement when processing a claim. All such information, therefore, must be accurate, truthful and complete. Any fraudulent statement, omission or concealment of facts, misrepresentation, or incorrect information may result, in addition to any other legal remedy we may have, in denial of the claim or cancellation or Rescission of your coverage.

### **Communication of Claims Decisions**

All claims decisions, including denial and claims review decisions, will be communicated to you in writing such as through your monthly member health statement. This written correspondence may indicate:

1. The specific reason or reasons the claim was denied.
2. Reference to the specific Contract provisions upon which the denial is based as well as any internal rule, guideline, protocol, or other similar criterion that was relied upon in making the Adverse Benefit Determination.
3. A description of any additional information that would change the initial determination and why that information is necessary.
4. An explanation of the steps to be taken if you wish to have a claim denial reviewed.
5. A description of the applicable Adverse Benefit Determination review procedures and the time limits applicable to such procedures.
6. If the Adverse Benefit Determination is based on the Medical Necessity or Experimental or Investigational limitations and exclusions, a statement telling you how you can obtain the specific explanation of the scientific or clinical judgment for the determination.

**Circumstances Beyond Our Control**

Covered Services may be delayed or made impractical by circumstances not reasonably within Oscar's control, such as complete or partial destruction of facilities, war, riot, civil insurrection, labor disputes, disability of a significant part of Hospital or medical group personnel or similar causes. If services are delayed or made impractical, Oscar and its Providers will use their best efforts to provide services and benefits covered under this Policy, but neither Oscar nor any Provider shall incur any liability or obligation for failure to provide services or other benefits.

The following guidelines are applicable to reviews of Adverse Benefit Determinations:

1. You must cooperate fully with us in our effort to promptly review and resolve an appeal. In the event you do not fully cooperate with us, you will be deemed to have waived your right to have the appeal processed within the time frames set forth in this section.
2. You, or a Provider or a person acting on your behalf, must specifically request an expedited review. The expedited appeal process only applies to Pre-Service Claims or requests for extension of Concurrent Care Services made at least 24 hours prior to the authorization for such Services expires. An expedited appeal will not be accepted for an Adverse Benefit Determination on a Post-Service Claim.
3. You may review pertinent documents upon request and free of charge, such as any internal rule, guideline, protocol, or similar criterion relied upon to make the determination, and submit issues or comments in writing.
4. If the Adverse Benefit Determination is based on the lack of Medical Necessity of a particular Service or the Experimental or Investigational exclusion, you may

request an explanation of the scientific or clinical judgment relied upon, if any, for the determination, that applies the terms of this Contract to your medical circumstances. This information is provided free of charge.

5. During the review process, the Services in question will be reviewed without regard to the decision reached in the initial determination.
6. We may consult with appropriate Physicians in the same or similar specialty as typically manages the Condition, procedure, or treatment under review, as necessary.
7. Any independent medical consultant who reviews your Adverse Benefit Determination on our behalf will be identified upon request.
8. If the claim is a Claim Involving Urgent Care, you may request an expedited review orally or in writing in which case all necessary information on review may be transmitted between you and us by telephone, facsimile or other available expeditious method.
9. If your request for expedited review arises out of a concurrent review determination by us that a continued hospitalization is not Medically Necessary, coverage for the hospitalization will continue until you have been notified of the determination.
10. We will review the appeal and may make a decision based on medical records, additional information and input from health care professionals in the same or similar specialty as typically manages the Condition, procedure or treatment under review.
11. We will advise you of all appeal decisions in writing, as outlined in the Timing of Our Appeal Review on Adverse Benefit Determinations subsection.

After we receive the additional information, we will have an additional 48 hours to make a final determination.

**Note:** The nature of a claim for Services (i.e. whether it is “urgent care” or not) is judged as of the time of the benefit determination on review, not as of the time the Service was initially reviewed or provided.

### **Timing of Our Review on Grievances**

We will use our best efforts to review your Grievance and communicate the decision within 60 days of receipt of your Grievance.

### **Your Rights under Florida Statute 627.6141**

You, or a Provider acting on your behalf, who has had a claim denied as not Medically Necessary has the opportunity to appeal the claim denial. The appeal may be directed to an employee of Oscar who is a licensed Physician responsible for Medical Necessity reviews. The appeal may be by telephone and the Physician will respond to you, within a reasonable time, not to exceed 15 business days.

### **How to Request External Review of our Appeal Decision**

If we deny your appeal and our decision involves a medical judgment, including, but not limited to, a decision based on Medical Necessity, appropriateness, health care setting, level of care or effectiveness of the Health Care Service or treatment you requested or a determination that the treatment is Experimental or Investigational, you are entitled to request an independent, external review of our decision. Your request will be reviewed by an Independent Review Organization (IRO) with clinical and legal expertise who has no association with us.

You or an individual acting on Your behalf or Your provider has the right to request an immediate review of Our appeal decision by an IRO by submitting a request to the HHS-administered external review contractor, MAXIMUS Federal Services, Inc., within 4 months after receipt of the notice of the determination of Your appeal. There is no cost to You for the independent review.

You will not be required to exhaust Our Appeal process before requesting an IRO if:

- (a) the Appeal process timelines are not met; or
- (b) in an urgent care situation.

Under non-urgent circumstances, You may request a standard external review. For urgent care, You may request an expedited external review.

For a standard external review, We will provide the examiner all documents and information used to make the final internal adverse benefit determination within three business days. For an expedited external review, We will provide the examiner all documents and information used to make the final internal adverse benefit determination as soon as possible.

The MAXIMUS examiner will give You and Us written notice of the final external review decision as soon as possible, but no later than 20 days after the examiner receives the request for a standard external review. For an expedited appeal for prescription drug exception requests, MAXIMUS will issue a response to you or your legal representative no later than 24 hours from receipt.

The appeal process does not prohibit You from pursuing other appropriate remedies, including: injunctive relief; a declaratory judgment or other relief available under law, if the requirement to exhaust the process for appeal and review places Your health in serious jeopardy.

## **SECTION 13. COORDINATION OF BENEFITS**

### **Coordination of Benefits**

Coordination of Benefits is a limitation of coverage and/or benefits to be provided by Oscar. It is designed to avoid duplication of payment for Covered Services and/or supplies. We shall coordinate payment of Covered Services to the maximum extent allowed by law. Contracts which may be subject to Coordination of Benefits include, but are not limited to, the following which will be referred to as "plan(s)" for purposes of this section:

1. any group or non-group insurance, group-type self-insurance, or HMO plan;
2. any plan, program or insurance policy, including an automobile insurance policy, provided that any such non-group policy contains a coordination of benefits provision;
3. Medicare; and
4. to the extent permitted by law, any other government sponsored health insurance program.

The amount of payment by us, if any, is based on whether or not we are the primary payer. When we are primary, we will pay for Covered Services without regard to your coverage under other plans. When we are not primary, our payment may be reduced so that total benefits under all plans will not exceed 100 percent of the total reasonable expenses actually incurred for the Covered Services. In the event the Covered Services were rendered by an In-Network Provider "total reasonable expenses", for purposes of this section, shall be equal to the amount we are obligated to pay such In-Network Provider based on the Provider's contract.

The following rules shall be used to establish the order in which benefits under the respective plans will be determined:

1. This plan always pays secondary to any medical payment, personal injury protection (PIP) coverage or no-fault coverage under any automobile policy available to you.
2. When we cover you as a dependent and the other plan covers you as other than a dependent, we will be secondary.
3. When we cover you as a dependent child and your parents are married (not separated or divorced):
  - a. the plan of the parent whose birthday, month and day, falls earlier in the year will be primary;

## COORDINATION OF BENEFITS

- b. if both parents have the same birthday, month and day, and the other plan has covered one of the parents longer than us, we will be secondary.
4. When we cover you as a dependent child whose parents are not married, or are separated or divorced:
  - a. if the parent with custody is not remarried, the plan of the parent with custody is primary;
  - b. if the parent with custody has remarried, the plan of the parent with custody is primary; the step-parent's plan is secondary; and the plan of the parent without custody pays last;
  - c. regardless of which parent has custody, whenever a court decree specifies the parent who is financially responsible for the child's health care expenses, the plan of that parent is always primary.
5. When we cover you as a dependent child and the other plan covers you as a dependent child:
  - a. the plan of the parent who is neither laid off nor retired will be primary;
  - b. if the other plan is not subject to this rule, and if, as a result, such plan does not agree on the order of benefits, this paragraph shall not apply.
6. If you have continuation of coverage under COBRA or Florida Health Insurance Coverage Continuation Act (FHICCA or mini COBRA), COBRA or FHICCA would be primary.
7. When rules 1 through 6 above do not establish an order of benefits, the plan which has covered the individual the longest shall be primary, unless you are age 65 or older and covered under Medicare parts A and B. In that case, this Contract will be secondary to Medicare.
8. If the other plan does not have rules that establish the same order of benefits as under this Contract, the benefits under the other plan will be determined primary to the benefits under this Contract.

We will not coordinate benefits against an indemnity-type policy, an excess insurance policy, a policy with coverage limited to specified illnesses or accidents, or a Medicare Supplement policy.

### **Facility of Payment**

Whenever payments which should have been made by us are made by any other person, plan, or organization, we shall have the right, exercisable alone and in our sole discretion, to pay over

to any such person, plan, or organization making such other payments, any amounts we shall determine to be required in order to satisfy our coverage obligations hereunder. Amounts so paid shall be deemed to be paid under this Contract and, to the extent of such payments, we shall be fully discharged from liability.

### **Non-Duplication of Government Programs**

The benefits provided under this Contract shall not duplicate any benefits to which you are entitled, or for which you are eligible, under governmental programs such as Medicare, Veterans Administration, TRICARE, or Workers' Compensation, to the extent allowed by law or any extension of benefits of coverage under a prior plan or program which may be required by law.

## **SECTION 14. GENERAL PROVISIONS**

### **Access to Information**

We shall have the right to receive, from any health care Provider rendering Services to you, information that is reasonably necessary, as determined by us, in order to administer the coverage and/or benefits we provide, subject to all applicable confidentiality requirements set forth in this section. By accepting coverage under this Contract, you authorize every health care Provider who renders Services or furnishes supplies to you, to disclose to us or to entities affiliated with us, upon request, all facts, records, and reports pertaining to your care, treatment, and physical or mental Condition, and to permit us to copy any such records and reports so obtained.

### **Amendment**

The terms of coverage and benefits to be provided by us under this Contract may be amended, without your consent or that of any other person, upon 45 days prior written notice to the Contractholder. In the event the amendment is unacceptable to the Contractholder, the Contractholder may terminate this Contract upon prior written notice to us. Any such amendment will be without prejudice to claims filed with us and related to benefits and coverage under this Contract prior to the date of such amendment. No agent or other person, except our duly authorized officer, has the authority to modify the terms of this Contract, or to bind us in any manner not expressly set forth herein, including but not limited to the making of any promise or representation, or by giving or receiving any information. The terms of coverage and benefits to be provided by us under this Contract may not be amended by the Contractholder unless such amendment is evidenced in writing and signed by our duly authorized officer.

### **Assignment and Delegation**

The obligations arising hereunder may not be assigned, delegated or otherwise transferred by either party without the written consent of the other party; provided, however that we may assign our coverage and/or benefit obligations to our successor in interest or an affiliated entity without your consent, at any time.

Any assignment, delegation, or transfer made in violation of this provision shall be void.

### **Compliance with State and Federal Laws and Regulations**

The terms of coverage and benefits to be provided by us under this Contract shall be deemed to have been modified by the parties, and shall be interpreted, so as to comply with applicable state or federal laws and regulations dealing with Rates, benefits, eligibility, enrollment, termination, conversion, or other rights and duties of you or us.

## **Confidentiality**

Such information shall not be disclosed to third parties without your written consent, except for use in connection with bona fide medical research and education, or as reasonably necessary in connection with the administration of coverage and/or benefits under this Contract, specifically including our quality assurance and utilization review activities. Additionally, we may disclose such information to entities affiliated with us. However, any documents or information which are properly subpoenaed in a judicial proceeding, or by order of a regulatory agency, shall not be subject to this provision.

Our financial arrangements with In-Network Providers may require that we release certain claims and medical information about you even if you have not sought treatment by or through that Provider. We do not, by virtue of making coverage, benefit, and payment decisions, exercise any control or direction over the medical judgment or clinical decisions of any health care Provider. Any decisions made by us concerning appropriateness of setting, or whether any Service is Medically Necessary, shall be deemed to be made solely for the purpose of determining whether such Services are covered, and not for the purpose of recommending any treatment or non-treatment. We assume no liability for any loss or damage arising as a result of acts or omissions of any health care Provider.

### **Oscar and the Contractholder**

You are not our agent or representative and shall not be liable for any acts or omissions of Oscar, its agents, servants, or employees. By acceptance of Covered Services hereunder, you agree to the foregoing.

### **Medical Treatment Decisions**

Any and all decisions that require or pertain to independent professional medical judgment or training, or the need for medical Services or supplies, must be made solely by you, your family and your treating Physician in accordance with the patient/Physician relationship. It is possible that you or your treating Physician may conclude that a particular procedure is needed, appropriate, or desirable, even though such procedure may not be covered.

This paragraph shall not create any additional obligations whatsoever on our part other than those obligations created under other provisions of this Contract.

### **Subrogation and Right of Reimbursement**

As used herein, the term "Third Party," means any party that is, or may be, or is claimed to be responsible for illness or injuries to you. Such illness or injuries are referred to as "Third Party Injuries." "Third Party" includes any party responsible for payment of expenses associated with the care for treatment of Third Party Injuries.

If benefits are paid under this Contract for expenses incurred due to Third Party Injuries, then we retain the right to repayment of the full cost of all benefits provided under this Contract on your behalf that are associated with the Third Party Injuries. Our subrogation and reimbursement rights of recovery apply to any claim or potential claim made by you or on your behalf from the following sources, including but not limited to:

- Payments made by a Third Party or any insurance company on behalf of the Third Party;
- Any payments or awards under an uninsured or underinsured motorist coverage policy;
- Any Workers' Compensation or disability award or settlement;

- Any other payments from a source intended to compensate you for injuries resulting from an accident or alleged negligence.

By accepting benefits under this Contract, you specifically acknowledge our right of subrogation. In the event you suffer injuries for which a Third Party is responsible (such as someone injuring you in an accident), and we pay benefits under this Contract as a result of those injuries, we will

## GENERAL PROVISIONS

be subrogated and succeed to the right of recovery against such Third Party to the extent of the benefits we have paid. This means that we have the right, independently of you, to proceed against the Third Party responsible for your injuries to recover the benefits we have paid. In order to secure our recovery rights, you agree to assign to us any benefits or claims or rights of recovery you have under any automobile policy or other coverage, to the full extent of our subrogation and reimbursement claims. This assignment allows us to pursue any claim you may have, whether or not you choose to pursue the claim.

By accepting benefits under this Contract, you also specifically acknowledge our right of reimbursement. This right of reimbursement attaches when we have paid health care benefits for expenses incurred due to Third Party Injuries and you or your representative has recovered any amounts from a Third Party. By providing any benefit under this Contract, we are granted an assignment of the proceeds of any settlement, judgment or other payment received by you to the extent of the full cost of all benefits provided under this Contract. Our right of reimbursement is cumulative with and not exclusive of our subrogation right and we may choose to exercise either or both rights of recovery.

By accepting benefits under this Contract, you or your representatives further agree to:

- Notify us promptly and in writing when notice is given to any party of the intention to investigate or pursue a claim to recover damages or obtain compensation due to Third Party Injuries sustained by you;
- Cooperate with us and do whatever is necessary to secure our right of subrogation and reimbursement under this Contract;
- Give us a first-priority lien on any recovery, settlement, or judgment or other source of compensation which may be had from any party to the extent of the full cost of all benefits associated with Third Party Injuries provided under this Contract (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement);
- Pay, as the first priority, from any recovery, settlement, judgment, or other source of compensation, any and all amounts due to us as reimbursement for the full cost of all benefits associated with Third Party Injuries paid under this Contract (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement), unless otherwise agreed to by us in writing;
- Do nothing to prejudice our rights as set forth above. This includes, but is not limited to, refraining from making any settlement or recovery which specifically attempts to reduce or exclude the full cost of all benefits paid under this Contract; and

## GENERAL PROVISIONS

- Serve as a constructive trustee for the benefits under this Contract over any settlement.

We may recover the full cost of all benefits paid by us under this Contract without regard to any claim of fault on your part, whether by comparative negligence or otherwise. In the event you or your representative fails to cooperate with us, you shall be responsible for all benefits provided by us under this Contract in addition to costs and attorney's fees incurred by us in obtaining repayment.

### **Third Party Beneficiary**

This Contract was issued by Oscar to the Contractholder, and was entered into solely and specifically for the benefit of Oscar and the Contractholder. The terms and provisions of this Contract shall be binding solely upon, and inure solely to the benefit of, Oscar and the Contractholder, and no other person shall have any rights, interest or claims hereunder, or be entitled to sue for a breach hereof as a third-party beneficiary or otherwise. Oscar and the Contractholder hereby specifically express their intent that health care Providers that have not entered into contracts with us to participate in our Provider networks shall not be third-party beneficiaries under this Contract.

### **Change of Beneficiary**

You can change the beneficiary at any time by giving Us written notice. The beneficiary's consent is not required for this or any other change in the Policy, unless the designation of the beneficiary is irrevocable.

## **Statement on Advance Directives**

The following information is provided in accordance with the Patient Self-Determination Act to advise you of your rights under Florida law to make decisions concerning your medical care, including your right to accept or refuse medical or surgical treatment, the right to prepare an advance directive, and explain our policy on advance directives. The information is general and is not intended as legal advice for specific needs. You are encouraged to consult with your attorney for specific advice.

Florida law recognizes your right as a competent adult to make an advance directive instructing your Physician to provide, withhold, or withdraw life-prolonging procedures, or to name someone to make treatment decisions for you in the event that you are found to be incompetent and suffering from a terminal Condition. Advance directives provide patients with a way to direct the course of their medical treatment even after they are no longer able to consciously participate in making their own health care decisions.

An "advance directive" is a witnessed oral or written statement which indicates your choices and preferences with respect to medical care made by you while you are still competent. An advance directive can address such issues as whether to provide any and all health care, including extraordinary life-prolonging procedures, whether to apply for Medicare, Medicaid or other health benefits, and with whom the health care Provider should consult in making treatment decisions.

There are three types of documents recognized in Florida that are commonly used to express an individual's advance directives: a Living Will, a Health Care Surrogate Designation and a Durable Power of Attorney for Health Care.

A Living Will is a declaration of a person's desire that life-prolonging procedures be provided, withheld, or withdrawn in the event that the person is suffering from a terminal Condition and is not able to express his or her wishes. It does not become effective until the patient's Physician and one other Physician determine that the patient suffers from a terminal Condition and is incapable of making decisions.

Another common form of advance directive is the Health Care Surrogate Designation. When properly executed, a Health Care Surrogate Designation grants authority for the surrogate to make health care decisions on behalf of the patient in accordance with the patient's wishes. The surrogate's authority to make decisions is limited to the time when the patient is incapacitated and must be in accordance with what the patient would want if the patient was able to communicate his or her wishes. While there are some decisions the surrogate cannot make, by law, such as consent to abortion or electroshock therapy, any specific limits on the surrogate's power to make decisions should be clearly expressed in the Health Care Surrogate Designation document.

## OTHER IMPORTANT INFORMATION

Finally, there is the Durable Power of Attorney for Health Care. This document, when properly executed, designates a person as the individual's attorney-in-fact to arrange for and consent to medical, therapeutic, and surgical procedures for the individual. This type of advance directive can relate to any medical Condition.

A suggested form of Living Will and Designation of Health Care Surrogate is contained in Chapter 765 of the Florida Statutes. There is no requirement that you have an advance directive and your health care Provider cannot condition treatment on whether or not you have one. Florida law provides that, when there is no advance directive, the following persons are authorized, in order of priority, to make health care decisions on behalf of the patient:

1. a judicially appointed guardian;
2. a spouse;
3. an adult child or a majority of the adult children who are reasonably available for consultation;
4. a parent;
5. siblings who are reasonably available for consultation;
6. an adult relative who has exhibited special care or concern, maintained regular contact, and is familiar with the person's activities, health and religious or moral beliefs;
7. a close friend who is an adult, has exhibited special care and concern for the person, and who gives the health care facility or the person's attending Physician an affidavit stating that he or she is a friend of the person who is willing to become involved in making health care decisions for that person and has had regular contact with the individual so as to be familiar with the person's activities, health, religious and moral beliefs.

Deciding whether to have an advance medical directive, and if so, the type and scope of the directive, can be complex. It may be helpful for you to discuss advance directives with your spouse, family, friends, religious or spiritual advisor or attorney. The goal in creating an advance directive should be for a person to clearly state his or her wishes and ensure that the health care facility, Physician and whomever else will be faced with the task of carrying out those wishes knows what you would want.

It is our policy to recognize your right to make health care treatment decisions in accordance with your own personal beliefs. You have a right to decide whether or not to execute an advance directive to guide treatment decisions in the event you become unable to do so. We will not interfere with your decision. It is your responsibility to provide notification to your Providers that

## OTHER IMPORTANT INFORMATION

an advance directive exists. If you have a written advance directive, we recommend that you furnish your Providers with a copy so that it can be made a part of your medical record.

Florida law does not require a health care Provider or facility to commit any act which is contrary to the Provider's or facility's moral or ethical beliefs concerning life-prolonging procedures. If a Provider or facility in our network, due to an objection on the basis of conscience, would not implement your advance directive, you may request treatment from another Provider or facility.

Our Providers have varying practices regarding the implementation of an individual's advance directive, in accordance with state law. Therefore, we recommend that you have discussions about advance directives with your medical care givers, family members and other friends and advisors. Your Physician should be involved in the discussion and informed clearly and specifically of any decisions reached.

Those decisions need to be revisited in light of the passage of time or changes in your medical Condition or environment.

Complaints concerning noncompliance with advance directives may be submitted to the following address:

Agency for Health Care Administration  
Bureau of Managed Health Care Building 1, Room 311  
2727 Mahan Drive  
Tallahassee, Florida 32308

We hope this information has been helpful to your understanding of your rights under the Patient Self-Determination Act and Florida law.
