With your Oscar Individual & Family Plan, you can now earn rewards throughout the plan year in a way that's tailored to you. Our rewards adapt to every member's unique needs and support your health with the right care — and a few extra bucks.

Get paid to walk (yes, just to walk)

You can earn up to \$10¹ a year in Amazon® gift cards for tracking your daily steps. The Oscar app syncs seamlessly with Google Fit or Apple Health.

Our rewards are tailored to you (so don't miss them)

Your healthy habits go a long way around here. We'll nudge you on any opportunities to earn rewards throughout the year based on your health history. You could earn a reward for getting a certain test, or even completing a care appointment! Just stay tuned to our alerts. You could even earn a little something for simply switching a brand-name prescription from a 30-day to a 90-day supply.

Plus, you get extra for being smart about your Oscar account

Having an Oscar account helps you get the most out of your plan. So, you can earn up to \$5 a year for activating your Oscar account.² And, up to another \$5 for opting into paperless bills.³

Let's get you earning soon!
