

## **MAJOR MEDICAL HEALTH INSURANCE PLAN**

### **Issued by Oscar Health Plan, Inc., Tempe, Arizona**

Welcome to Oscar. This booklet is *your Policy*. It explains what *your* benefits are, how *you* can access these benefits, and the limitations and exclusions that apply to *covered services*. In this *policy*, the terms "*You*" or "*Your*" will refer to the covered person named on the Schedule of Benefits and "*We*," "*Our*" or "*Us*" will refer to Oscar Health Plan, Inc. ("Oscar"). For *your* convenience, *we* have included a Definitions Section, which will explain the meaning of special words and phrases used throughout this *Policy*. Be sure to check these definitions as they may differ from other Health Plans.

### **AGREEMENT AND CONSIDERATION**

In consideration of *your* application and the timely payment of premiums, we will provide benefits to *you*, the covered person, for *covered services* as outlined in this *policy*. Benefits are subject to *policy* definitions, provisions, limitations and exclusions.

### **GUARANTEED RENEWABLE**

Guaranteed renewable means that this *policy* will renew each year on the anniversary date unless terminated earlier in accordance with *policy* terms. *You* may keep this *policy* in force by timely payment of the required premiums. However, we may decide not to renew the *policy* as of the renewal date if: (1) we decide not to renew all policies issued on this form, with the same type and level of benefits, to residents of the state where *you* then live; or (2) there is fraud or an intentional material misrepresentation made by or with the knowledge of a covered person in filing a *claim* for *policy* benefits.

Annually, we may change the rate table used for this *policy* form. Each premium will be based on the rate table in effect on that premium's due date. The *policy* plan, and age of covered persons, type and level of benefits, and place of residence on the premium due date are some of the factors used in determining *your* premium rates. We have the right to change premiums.

At least thirty-one (31) days' notice of any plan to take an action or make a change permitted by this clause will be delivered to *you* at *your* last address as shown in our records. *We* will make no change in *your* premium solely because of *claims* made under this *policy* or a change in a covered person's health. While this *policy* is in force, we will not restrict coverage already in force. Changes to this *policy* will be approved by the Arizona Insurance Department.

This *policy* contains *prior authorization* requirements. Benefits may be reduced or not covered if the requirements are not met. Please refer to the Schedule of Benefits and the *Prior Authorization* Section. *You* are required to enroll each year in order to receive any subsidies for which *you* may be eligible.

This *approval* is referred to as *Prior Authorization*. This means that even though a service or treatment may be a covered benefit, *Prior Authorization* must be obtained before the service or treatment can be received. Even those services that are determined to be *medically necessary* by us must have *Prior Authorization* in order to be covered. *Physicians* and *networks* cannot deny a service or treatment for failure to obtain *Prior Authorization*. Only we can deny *coverage* for *medical services* for failure to obtain *Prior Authorization*. Questions concerning *Prior Authorization* can be directed to *your Primary Care Physician*, or you can call Concierge. *Prior Authorization* does not guarantee *coverage*.

Circumstances in which the service will not be covered include, but are not limited to:

- Other plan provisions are not satisfied (for example, the *member* is not enrolled or eligible for service on the date the service is received, or the service is not a Covered Benefit);
- Fraudulent, materially erroneous or incomplete information is submitted; or
- A material change in the *member's* health condition occurs between the date that the *Prior Authorization* was provided and the date of the treatment that makes the proposed treatment no longer *medically necessary* for such *member*.

In the event that we certify the *medical necessity* of a course of treatment limited by number, time period or otherwise, a request for treatment beyond the certified course of treatment shall be deemed to be a new request.

**As a general rule, please remember that, except for Emergency Services, all *Medical Services* and treatments must be provided by an *In Network health professional* received within the Service Area. If they are not, *your Health Plan* may not cover these services.**

The following services or supplies require *prior authorization*:

1. *Hospital confinements;*
2. *Hospital confinement for psychiatric care;*
3. *Outpatient surgeries and major diagnostic tests;*
4. *All inpatient services;*
5. *Extended care facility confinements;*
6. *Rehabilitation facility confinements;*
7. *Skilled Nursing Facility confinements;*
8. *Transplants; and*

*Prior Authorization* requests must be received by telephone, eFax, or provider web portal as follows:

1. At least 5 days prior to an elective admission as an *inpatient* in a *hospital*, *extended care* or rehabilitation *facility*, or hospice *facility*

3. At least 30 days prior to receiving clinical trial services.
4. At least five (5) days prior to a scheduled inpatient behavioral health or substance abuse treatment admission

After *prior authorization* has been requested and all required or applicable documentation has been submitted, we will notify *you* and *your* provider if the request has been approved as follows:

1. For immediate request situations, within 1 business day, when the lack of treatment may result in an emergency room visit or emergency admission.
2. For urgent *concurrent review* within 24 hours of receipt of the request.
3. For urgent pre-service, within 72 hours from date of receipt of request.
4. For non-urgent pre-service requests within 5 days but no longer than 15 days of receipt of the re-quest.

Except for *medical emergencies*, *prior authorization* must be obtained before services are rendered or expenses are *incurred*.

## **How to Obtain Prior Authorization**

To obtain *prior authorization* or to confirm that a *network provider* has obtained *prior authorization*, contact *us* by telephone at the telephone number listed on *your* health insurance identification card before the service or supply is provided to the *member*.

## **Failure to Obtain Prior Authorization**

Failure to comply with the *prior authorization* requirements will result in benefits being reduced or denied.

*Network providers* cannot bill *you* for services for which they fail to obtain *prior authorization* as required.

We will reduce benefits by 50% with respect to charges for treatment, services and supplies for services which require prior-authorization by us but for which *you* or *your provider* did not request prior-authorization.

### **Prior Authorization Does Not Guarantee Benefits**

*Our authorization* does not guarantee either payment of benefits or the amount of benefits. Eligibility for, and payment of, benefits are subject to all terms and conditions of the *contract*.

### **WHAT TO DO IN AN EMERGENCY**

If *you* are faced with a medical or psychiatric *emergency*, call 911 or go to the Emergency room.

Some examples of *emergencies* include:

- *Acute* chest pain
- Severe burns
- Profuse bleeding
- Suspected poisoning
- Severe allergic reaction

**Non-Emergency and *Routine Care* provided in an Emergency Facility is not covered and the *member* will be financially responsible for any Emergency room expenses incurred for such non-Emergency services.** *Routine Care* is described in the *Definitions* section of this booklet.

Please refer to the *Description of Benefits* section of this booklet for a complete definition of an *emergency*. This section will also tell *you* what is covered and what your responsibility is to notify *us* of an *emergency* situation.

### **URGENT CARE SITUATIONS**

*Urgent Care* Situations include cases of high fevers, severe vomiting, sprains, fractures, or other injuries. For *Urgent Care services*, you should take all reasonable steps to contact your *Physician* for direction and you must receive care from an *In-Network* provider, unless otherwise authorized by this *Plan*. If you are traveling outside of the *network's Service Area*, you should, whenever possible, contact the *Plan* or your *Physician* for direction and authorization prior to receiving services.

### **UTILIZATION MANAGEMENT**

Oscar reviews certain requests for medical procedures, specialty consultations and hospitalizations to determine whether the treatment is *medically necessary*, as determined by *us*, and to verify that the

services are covered under this Health Plan. The determination of the reviewer or professional review organization is not a substitute for the independent judgment of the treating *physician* as to the course of treatment. ***Utilization Management* decisions do not prevent treatment or hospitalization but do determine whether or how the treatment or hospitalization is covered by Oscar.**

## **HOSPITAL BASED PROVIDERS**

When receiving care at an Oscar *network hospital* it is possible that some *hospital-based* providers (for example, anesthesiologists, radiologists, pathologists) may not be under contract with Oscar as *network providers*. These providers are prohibited from billing *you* for the difference between Oscar's allowed amount and the providers billed charge - this is known as "*balance billing*". We encourage *you* to inquire about the providers who will be treating *you* before *you* begin *your* treatment, so *you* can understand their participation *status* with Oscar.

ALTHOUGH HEALTHCARE SERVICES MAY BE OR HAVE BEEN PROVIDED TO *YOU* AT A HEALTHCARE FACILITY THAT IS A *MEMBER* OF THE PROVIDER *NETWORK* USED BY OSCAR, OTHER PROFESSIONAL SERVICES MAY BE OR HAVE BEEN PROVIDED AT OR THROUGH THE FACILITY BY *PHYSICIANS* AND OTHER PROVIDERS WHO ARE NOT *MEMBERS* OF THAT *NETWORK*.

We will pay the health care provider directly for emergency care services rendered by a non-network provider and those services authorized by *us* to be provided by a non-network provider.

## **MEDICAL EXPENSE BENEFITS**

*Covered Services* must be furnished in connection with *medically necessary* diagnosis and treatment of an *illness* or *injury* (other than *covered expenses* for preventive care services, if applicable). If *we* determine that a service or supply or medication is not *medically necessary*, *you* may be responsible for payment of that service, supply or medication.

*Covered Services* are subject to the *copayment* and/or *coinsurance* amounts, Lifetime Maximum Benefits, Maximum Benefits per Year, and other limitations as described in the enclosed Schedule of Benefits, and to all other provisions of this *Policy*.

*Coverage* under the *Policy* is limited to the most effective and efficient level of care and type of service or supply that is consistent with professionally recognized standards of medical practice, as determined by *us*.

*Covered Services* may be delayed or made impractical by circumstances not reasonably within our control, such as complete or partial destruction of facilities, war, riot, civil insurrection, labor disputes, disability of a significant part of Hospital or medical group personnel or similar causes. If services are delayed or made impractical, we and our network providers will use our best efforts to provide services and benefits covered under this Policy, but neither we nor any provider shall incur any liability or obligation for failure to provide services or other benefits.

## **HOW COVERED EXPENSES ARE DETERMINED**

Oscar will pay for *covered expenses* *you* incur under this Health Plan. As described below, *covered expenses* are based on the amount *we* will allow for *covered services* *you* receive from each type of Provider, not necessarily the amount a *physician* or other Provider bills for the service or supply. Other limitations on *covered expenses* may apply. See *Description of Benefits, Limitations and Exclusions*, and *your Schedule of Benefits* sections for specific benefit limitations, maximums, *Prior Authorization* requirements and surgery payment policies that limit the amount *we* pay for certain *covered services*.

## **HOSPITAL INPATIENT AND OUTPATIENT SERVICES**

Any member who receives outpatient emergency services must contact Oscar within 48 hours of admission, or as soon thereafter as is reasonably possible. ### **Enrollment of Newly Eligible Dependent**

*Dependents of the member who become eligible for coverage after the member's original effective date must submit an Enrollment Application requesting dependent Coverage. The member will be notified of coverage approval, the amount of required Premium payment and the effective date of coverage for such dependent.*

### **Enrollment of Newborn, Adopted Child or Child Placed for Adoption**

A newborn child, legally adopted child, or child placed for adoption with the *member* is automatically covered under this *Policy* for the first 31 days following the date of birth, date of adoption or placement for adoption. To continue *coverage* after the first 31 days, the *member* must submit an Enrollment Application for such *dependent* within 60 days of the date of birth, date of adoption or placement for adoption. Failure to enroll a newborn within 60 days following the date of birth will terminate *coverage* at the end of the initial 31-day period. The continued *coverage* of the newborn after the initial 31 day period is subject to *our* receipt of Premium payment for such newborn, if applicable. The newborn will show as an active enrollee from the date of birth, adoption, or placement for adoption.

## For All Members

A member's eligibility for coverage under this contract will continue until the earlier of:

1. The date that a member has failed to pay premiums or contributions in accordance with the terms of this contract or the date that We have not received timely premium payments in accordance with the terms of this contract; or
2. The date the member has performed an act or practice that constitutes fraud or made an intentional misrepresentation of a material fact (e.g., the date that a member accepts any direct or indirect contributions or reimbursement by or on behalf of an employer, for any portion of the premium for coverage under this contract); or
3. The date we decline to renew this contract, as stated in the Discontinuance provision; or
4. The date that the member no longer resides, lives or works in the service area served by the Oscar network plan or in an area for which Oscar is authorized to transact business (for affected members, Oscar will terminate coverage uniformly without regard to any health status-related factor); or
5. The date we receive a request from you to terminate this contract, or any later date stated in your request, or if you are enrolled through the Exchange, the date of termination that the Exchange provides us upon your request of cancellation to the Exchange.

## Loss of Dependent Eligibility

A *dependent* whose *coverage* is terminated due to the *member's* death or due to the *member's* dissolution of marriage may convert a *dependent* membership to a new policy, provided such *dependent* meets the eligibility requirements, submits a completed and signed Enrollment Application to within 60 days of the date *dependent* is terminated, and submits the required Premium payment. The *member* will not be required to furnish evidence of insurability, but *coverage* shall be in accordance with the rules and regulations that may have in effect at the time such *dependent* applies for individual *coverage*. Such rules and regulations may include those relating to *coverage*, amount of Premium payment, and all other terms and conditions governing individual membership.

A *dependent member* will cease to be a *member* at the end of the premium period in which he or she ceases to be *your dependent member* due to divorce or if a child ceases to be an *eligible child*. For *eligible children*, *coverage* will terminate the thirty-first of December the year that the *dependent* turns 26 years of age. All enrolled *dependent members* will continue to be covered until the age limit listed in the definition of *eligible child*.

A *member* will not cease to be a *dependent eligible child* solely because of age if the *eligible child* is:

1. Incapable of self-sustaining employment due to mental handicap or physical handicap that began before the age limit was reached; and
2. Mainly Dependent on the primary *member* for support.

## Effective Dates of Coverage

Subject to the eligibility and enrollment requirements *coverage* under this *Policy*, shall become effective on the following dates:

1. For the *member* and any enrolled *dependent* whose Enrollment Application has been approved by Oscar or the *Federally Facilitated Marketplace*, *coverage* shall commence on the date stated in Oscar or the *Federally Facilitated Marketplace's* written approval letter;
2. For newly eligible *dependents* who become eligible after the *member's* original *effective date* of this *Policy*, *coverage* shall be effective as follows:
  - a. Newborns are automatically covered for the first 31 days from the date of birth. Continued *coverage* beyond the first 31 days is subject to receipt of a signed Enrollment Application and payment of additional Premium, if required;
  - b. Adopted children are automatically covered for the first 31 days following date of adoption. Continued *coverage* beyond the first 31 days is subject to receipt of a signed Enrollment Application and payment of additional Premium, if required;
  - c. Children placed for adoption are automatically covered for the first 31 days from the date of placement. Continued *coverage* beyond the first 31 days is subject to receipt of a signed Enrollment Application and payment of additional Premium, if required;
  - d. Other eligible *dependents*, as defined in this *Policy*, will be covered from the date specified in a letter approving *coverage* and payment of additional Premium if required.

The Exchange may provide a *coverage effective date* for a qualified individual earlier than specified in the paragraphs above, provided that either:

1. The qualified individual has not been determined eligible for *advanced premium tax credit* or *cost sharing reductions*; or
2. The qualified individual pays the entire premium for the first partial month of *coverage* as well as all cost sharing, thereby waiving the benefit of *advanced premium tax credit* and *cost sharing reduction* payments until the first of the next month.

## Change in Status- Notice Required

The *member* is responsible for notifying Oscar or the *Federally Facilitated Marketplace* of any changes that affect his eligibility, or that of his enrolled *dependents*, for services and benefits under this *Policy*. The *member* must notify Oscar or the *Federally Facilitated Marketplace* within 60 days of the event. This includes changes of address, addition or deletion of *dependents* resulting from death, achieving the limiting age, and changes in Dependent Disability or Dependent status. *Coverage* for ineligible *members* will terminate in accordance with the termination provisions described in this *Policy*.

## **PREMIUM PAYMENTS**

### **Premium Payments**

Each premium payment is to be paid on or before its due date. The initial premium payment must be paid prior to the coverage effective date, although an extension may be provided during the annual Open Enrollment

### **Grace Period**

When a *member* is receiving a premium subsidy:

After the first premium is paid, a *grace period* of 3 months from the premium due date is given for the payment of premium. *Coverage* will remain in force during the *grace period*. If full payment of premium is not received within the *grace period*, *coverage* will be terminated as of the last day of the first month during the *grace period*, if Advance Premium Tax Credits are received.

We will continue to pay all appropriate *claims* for *covered services* rendered to the *member* during the first month of the *grace period* and may pend *claims* for *covered services* rendered to the *member* in the second and third month of the *grace period*. We will notify HHS of the non-payment of premiums, the *member*, as well as *providers* of the possibility of denied *claims* when the *member* is in the second and third month of the *grace period*. We will continue to collect Advance Premium Tax Credits on behalf of the *member* from the Department of the Treasury, and will return the Advance Premium Tax Credits on behalf of the *member* for the second and third month of the *grace period* if the *member* exhausts their *grace period* as described above. A *member* is not eligible to re-enroll once terminated, unless a *member* has a special enrollment circumstance, such as a marriage or birth in the family or during annual open enrollment periods.

When a *member* is not receiving a premium subsidy:

Premium payments are due in advance, on a calendar month basis. Monthly payments are due on or before the first day of each month for *coverage* effective during such month. There is a one (1) month *grace period*. This provision means that if any required premium is not paid on or before the date it is due, it may be paid during the *grace period*. During the *grace period*, the *contract* will stay in force; however, *claims* may pend for *covered services* rendered to the *member* during the *grace period*. We will notify HHS, as necessary, of the non-payment of premiums, the *member*, as well as *providers* of the possibility of denied *claims* when the *member* is in the *grace period*.

### **Return of Premium for Ineligible Enrollees**

If Oscar receives a Premium for an individual or a *member's family member* whom Oscar determines does not satisfy the eligibility and enrollment requirements, we will refund those amounts applicable to

the ineligible enrollee. Ineligible enrollees are not *members* of this *health plan* and shall have no right to *covered services* under this *Policy*.

### **Premium Payments from Third-Party Payors**

Oscar requires each policy holder to pay his or her premiums and this is communicated on *your* monthly billing statements. Oscar payment policies were developed based on guidance from the Centers for Medicare and Medicaid Services (CMS) recommendations against accepting third party premiums. Consistent with CMS guidance, the following are the **ONLY** acceptable third parties who may pay Oscar premiums on your behalf:

1. Ryan White HIV/AIDS Program under Title XXVI of the Public Health Services Act;
2. Indian tribes, tribal organizations or urban Indian organizations;
3. State and Federal government programs; or
4. *Family members*.

Upon discovery that premiums were paid by a person or entity other than those listed above, *we* will reject the payment and inform the *member* that the payment was not accepted and that the subscription charges remain due.

*We* will review all other third-party payments, including payments made by private, not-for-profit foundations, on a case-by-case basis. *We* may decline to accept third-party payments, including payments by third-party individuals, that raise concerns for potential conflicts of interest, adverse selection, or fraud.

### **Renewal**

Subject to the provisions governing payment of Premiums, this *Policy* shall automatically renew from Month to Month for which Premiums are being made.

We will notify *you* 31 days in advance for any rate changes, subject to all regulatory requirements. Notices under this provision will be mailed to the *member's* address of record. We also reserve the right to modify or amend this *Policy* and will provide 60-day advance notice to enrollees before the *effective date* of any material modification. Receipt of premium payments made by the *member* shall constitute acceptance of the modification or amendment.

The *member's* failure to make Premium payment prior to expiration of the *grace period* defined herein shall be *cause* for automatic termination of *coverage* under this *Policy*. The date of termination will be the last day of the month for which premium payments have been received in full and accepted by our Accounts Receivable Department.

With the exception of non-payment of premium or loss of eligibility, if we decide to terminate or non-renew this *contract* for any of the reasons set forth in this *contract*, we will give the *member* at least forty- five (45) days advance written notice prior to renewal.

### **Misstatement of Age**

If a *member* misstates the *member's* age, the Premium payable will be as if the *Policy* were purchased at the correct age retroactive to the date the change would have first been effective.

### **Change or Misstatement of Residence**

If you purchased a plan through the *Federally Facilitated Marketplace* and you change your residence, you must notify the *Federally Facilitated Marketplace* of your new residence within 60 days of the change. If you purchased a plan directly from *Oscar* and you change your residence, you must notify *Oscar* by calling Concierge at 1-855-672-2788 (TTY/TDD 711). As a result, your premium may change and you may be eligible for a Special Enrollment Period. See the section on Special Enrollment Periods for more information.

### **Misstatement of Tobacco Use**

The answer to the tobacco question on the application is material to *our* correct underwriting. If a *member's* use of tobacco has been misstated on the *member's* application for *coverage* under this *Policy*, we have the right to re-rate the *policy* back to the original Effective date.

## **TERMINATION**

### **Termination of Coverage:**

This *Policy* may be terminated by *us* upon occurrence of any of the following:

1. If premium payments for the *member* and enrolled *dependents* are not received within the *grace period* defined in this *Policy*, Coverage may automatically terminate. The date of termination will be the last day of the month for which Premium payments have been received and accepted by our Accounts Receivable Department. Refer to the *Reinstatement* heading for further information on how to re-enroll.
2. If a *member* performs an act or practice that constitutes fraud or makes an intentional misrepresentation of material fact under the terms of this *Policy*, Coverage for that individual may be terminated. Notice of termination will be provided by *us* and mailed to the *member's* address of record. Acts of fraud or intentional misrepresentation include the following:
  - a. knowingly furnishing incorrect or incomplete information to *us* in order to obtain benefits for the *member*, enrolled *dependents*, or a non-enrolled individual; or
  - b. allowing another person to *use your* identification card or allowing a *member* to *use* another person's card.
3. If *we* discontinue Coverage for this particular *health plan* in the State of Arizona, coverage under this *Policy* will terminate. A 90-day written notice of termination will be provided by *us* and mailed to the *member's* address of record. The *member*, and his enrolled *dependents*, will have the option of purchasing other health insurance offered by Oscar in the individual market.
4. If *we* cease to offer Coverage in the individual market in the State of Arizona, Coverage under this *Policy* will terminate. A 180 day written notice of termination will be provided by *us* and mailed to the *member's* address of record.
5. If a *dependent* fails to meet the eligibility requirements, coverage for that *dependent* will terminate without further notice to *member*. The *effective date* for termination under this *Policy* will be the last day of the month in which the qualifying event occurred.
6. Coverage will terminate on the date *we* receive a request from *you* to terminate this Evidence of Coverage or any later date stated in *your* request, or if *you* are enrolled through the *Marketplace*, the date of termination that the *Marketplace* provides *us* or *we* provide the *Marketplace*.

### **Termination of Membership**

We are not responsible for the cost of health care services received by a *member* after the date of termination. If a *member* is confined in a *hospital* or other *inpatient* Facility on the date of termination, Coverage will cease on that date, except as specifically stated as otherwise herein.

If a *member* elects to terminate coverage hereunder, and accepts Coverage under another health plan,

we will pay expenses for that *member* until midnight on the date the *member's* Coverage is scheduled to terminate.

## **Cancellation**

A *member* desiring to cancel this *Policy* shall provide advance written notice to the *Federally Facilitated Marketplace*, or if an off-exchange *member* by written notice to *us*. Benefits under this *Policy* shall terminate for all *members* on the last day of the month for which cancellation has been requested, or on the last day of the month for which premium payments have been received by *us*, whichever first occurs. In no event will a request for cancellation be processed retroactive to the date for which Premium payment has been received and accepted by Our Accounts Receivable Department. Cancellation of *member's* membership will also terminate Coverage for a *member's* enrolled *dependents*.

## **Refund upon Cancellation**

We will refund any premium paid and not earned due to *contract* termination. After the *policy* has been continued beyond its original *term*, *you* may cancel the *contract* at any time by written notice, delivered or mailed to the Exchange, or if an off-exchange *member* by written notice, delivered or mailed to *us*. Such cancellation shall become effective upon receipt, or on such later date specified in the notice. If *you* cancel, *we* shall promptly return any unearned portion of the premium paid, but in any event shall return the unearned portion of the premium within 30 days. The earned premium shall be computed on a pro-rata basis. Cancellation shall be without prejudice to any *claim* originating prior to the *effective date* of the cancellation.

## **Loss of Dependent Eligibility**

A *dependent* whose Coverage is terminated for loss of eligibility may apply for Coverage under his own individual plan, provided such *dependent* meets the *member* eligibility requirements, submits a completed and signed Enrollment Application to the *Federally Facilitated Marketplace*, for Exchange coverage, or to *us*, for off-exchange coverage, within 60 days of the termination date of Coverage hereunder, and submits the required Premium payment to *Us*. Coverage shall be in accordance with the rules and regulations that may have in effect at the time such *dependent* applies for individual Coverage. Such rules and regulations may include those relating to Coverage, amount of Premium payment, and all other terms and conditions governing individual membership. Enrollment Applications which are submitted more than 60 days following *dependent's* termination will be subject to Open and *Special Enrollment Periods* and will have an *effective date* in accordance with the rules and regulations in effect at the time of coverage approval.

## **Rescission of Coverage**

We may rescind this *Policy* for any fraudulent or intentional omission or intentional misrepresentation of material facts in the written information submitted by *you* or on *your* behalf on or with *your* enrollment

application. A material fact is information which, if known to *us*, would have caused *us* to decline to issue coverage. If this *Policy* is rescinded, *we* shall have no liability for the provision of coverage under this *Policy*.

By signing the enrollment application, *you* represented that all responses to the Statement of Health were true, complete and accurate, to the best of *your* knowledge, and that should *we* accept *your* enrollment application, the enrollment application would become part of the *Policy* between *us* and *you*. By signing the enrollment application, *you* further agreed to comply with the terms of this *Policy*.

If *we* make a decision to rescind *your* coverage, such decision will be first sent for review to an independent third-party auditor contracted by *us*.

If this *Policy* is rescinded, *we* will provide a written notice that will:

1. Explain the basis of the decision and *your* appeal rights;
2. Clarify that all *members* covered under *your* coverage other than the individual whose coverage is rescinded may continue to remain covered; and
3. Explain that *your* monthly premium will be modified to reflect the number of *members* that remain under this *Policy*.

If this *Policy* is rescinded:

1. We may revoke *your* coverage as if it never existed and *you* will lose health benefits including coverage for treatment already received;
2. We will refund all premium amounts paid by *you*, less any medical expenses paid by *us* on behalf of *you* and may recover from *you* any amounts paid under the *Policy* from the original date of coverage; and
3. We reserve ours right to obtain any other legal remedies arising from the rescission that are consistent with Arizona law.

If *your* coverage is rescinded, you have the right to appeal *our* decision to rescind such coverage.

## **Construction**

This *Policy* has been entered into and delivered, and shall be construed according to the laws of the State of Arizona. For simplicity of expression, pronouns and other terms are sometimes expressed in one number and gender, but where appropriate to the context, these terms shall be deemed to include each of the other numbers and genders. The headings are solely for convenience and shall not affect interpretation.

## **Reinstatement**

We will reinstate a contract when it is erroneously terminated or cancelled. The reinstatement will result in restoration of the enrollment with no break in coverage.

## **CLAIM**

### **How to file a claim for Covered Services - Network Providers**

*Network Providers*, also known as In-Network Providers, will file *claims* on your behalf with *us* for *covered expenses*. Present *your* identification card at the time of service. Payment for *covered expenses* will be made directly to the *network provider*. *You* will be responsible for *copayment, deductibles, coinsurance* amounts, any non-Covered or Excluded Expenses, and amounts over specifically limited benefits. Please refer to the Provider Directory for a list of *network providers*.

### **How to File a Claim for Covered Services - Non-Network Providers**

In the case of a medical *emergency* or as *authorized* by Oscar, you may need to get care from *non-network providers*. *Providers* who do not have an agreement with *us*, may or may not file *your claim* with *us*. If they do not, send a copy of *your* paid itemized bill to *us*, along with a completed *claim* form which can be obtained from *our* website *us*. Payment of the billed expense amount for *covered services*, as defined in this *Policy*, will be paid to *you* subject to applicable *copayments, deductibles* and *coinsurance* amounts, unless *we* are directed otherwise, or as required by applicable state or federal law. *You* will be responsible for *copayments, deductibles, coinsurance* amounts, any non-Covered or Excluded Expenses, and amounts over specifically limited benefits.

### **Claims should be addressed to:**

#### **Paper claims:**

**Oscar Health Plan, Inc.**

**PO Box 52146**

**Phoenix, AZ 85072-2146**

#### **Electronic claims: payor ID OSCAR**

### **Payment of Claims**

Time of payment of *claims*: Indemnities payable under this *Policy* for any *loss* other than *loss* for which this *Policy* provides any periodic payment, will be paid immediately upon receipt of due written proof of such *loss*, and no later than 30 days from an acceptable proof of loss. Subject to due written proof of loss, all accrued indemnities for *loss* for which this *Policy* provides periodic payment will be paid monthly and any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof.

## **Physical Examination and Autopsy**

We have the right to have any *member* examined at *our* expense while a *claim* is pending payment. We also have the right to have an autopsy performed where it is not prohibited by law. These examinations are made at *our* expense and as often as *we* may reasonably require.

## **Med Pay Insurance**

If a member is injured as a result of a motor vehicle accident, we will arrange for medically necessary services. To the extent that the member receives payment and/or reimbursement for such treatment under a medical payment provision of an automobile insurance policy, the member is responsible to reimburse us for the reasonable expenses actually incurred by us for necessary medical treatment actually provided to the member. We reserve the right to pursue legal remedies available for recovery of funds which are duplicated under the provisions of a Member's Med Pay automobile insurance policy.

*Member* must take any actions necessary which include, but are not limited to, providing information, completing and submitting consents, releases, assignments, and other documents to assist *us* in enforcing its rights under this provision.

## **Right to Receive and Release Information**

We may release or receive any information considered to be necessary for *us* to coordinate benefits with respect to any person claiming benefits under this *Policy* and without any additional consent, or notice to, the *member* or any other person or organization. We shall not, however, be required to determine the existence of any other group *payor* or insurer or the benefits payable under such *payor* or insurer when computing *covered services* due a *member* under this *Policy*.

## **Recovery of Overpayment**

If the *covered services* provided by *us* exceed the total amount of benefits that should have been paid under this section, we have the right to recover from one or more of the following:

1. Any person to or from whom such payments were made; or
2. Insurance companies.

## **Facility of Payment**

Payment(s) made under another Plan, which included amounts that should have been paid by *us*, shall be reimbursed to that entity and treated as though it was a benefit paid under this Plan. We will not be required to pay that amount again. The term *payment(s) made* shall include providing benefits in the form of services, in which case *payment(s) made* will be interpreted as the reasonable cash value of the benefits provided in the form of services.

## Medicare

This provision describes how *we* coordinate and pay benefits when a *member* is also enrolled in Medicare and duplication of Coverage occurs. If a *member* is not enrolled in Medicare or receiving benefits, there is no duplication of Coverage and *we* do not have to coordinate with Medicare.

The benefits under this *Policy* are not intended to duplicate any benefits to which *members* are entitled under Medicare. All sums payable under such programs for services provided shall be payable to and retained by *us*. Each *member* shall complete and submit to *us* such consents, releases, assignments and other documents as *we* may request in order to obtain or assure reimbursement under Medicare or any other government program for which *members* are eligible. In cases where Medicare or another government program (excluding Arizona AHCCCS) has primary responsibility, Medicare benefits will be taken into account for any *member* who is enrolled for Medicare. This will be done before the benefits under this *health plan* are calculated.

Charges for services used to satisfy a *member's* Medicare Part B deductible will be applied in the order received by *us*. Two or more expenses for services received at the same time will be applied starting with the largest first.

Any rules for coordination of benefits will be applied after benefits have been calculated under the rules in this provision. The allowed amount, which is either the contracted amount or the Maximum *allowable expenses* will be reduced by any Medicare benefits available for those expenses.

This provision will apply to the maximum extent permitted by federal or state law. *We* will not reduce the benefits due any *member* because of a *member's* eligibility for Medicare where federal law requires that *we* determine its benefits for that *member* without regard to the benefits available under Medicare.

## Health Care Liens

When there is a source of payment for a Covered Service in addition to the *coverage* provided by *us*, such as, for example, a liability insurer, government payer or uninsured and/or underinsured motorist coverage *network providers* may collect from that other source any difference between the negotiated amount of payment agreed upon between *us* and the *network provider* for a Covered Service and the *network provider's* customary charge, by following the procedures set forth in Arizona law (A.R.S. Sec. 33-931).

## Worker's Compensation

The benefits which a *member* is entitled to receive under this *Policy* are not designed to duplicate any benefits to which the *member* is entitled under workers' compensation law. *We* are entitled to reimbursement for any services that have been reimbursed under a workers' compensation claim.

1. *Member* is required to file for workers' compensation when an employment related *accident, illness* or *injury* occurs.
2. If the *member's* workers' compensation carrier denies a claim, the *member* may submit the claim to *us* with a copy of the denial for consideration under this *Policy*. All plan provisions of this *Policy* will apply in the consideration process for payment under this plan.
3. Workers' compensation Claims that are not a benefit under this *Policy* are not payable by *us*.
4. Any benefits payable are subject to all provisions of this *Policy*, including but not limited to the *authorization* requirements.

## **INTERNAL GRIEVANCE, INTERNAL APPEALS, AND EXTERNAL APPEALS PROCEDURES**

### **GRIEVANCE AND APPEALS PROCEDURES**

A *member* may, on occasion, be dissatisfied with quality of care, service issues, or the denial of a *claim* or request for service. Dissatisfaction with quality of care or service may be filed as a grievance. Dissatisfaction with the denial of a *claim* or request for service may be filed as an appeal. Below is a brief description of each process. Please see *your* separate information packet titled *Health Care Insurer Appeals Process Information Packet* for a full description of the filing process and the different levels of appeal available to *you*.

### **YOUR SATISFACTION IS OSCAR'S CONCERN**

At Oscar, *we* want *you* to be pleased with the quality of care and service *you* receive. Surveys show that most of Oscar's Members are satisfied and many stay with *us* year after year. *We* hope *you* are one of those Members. If not, *we* want to hear from *you* so *we* can improve.

Anytime *you* have a concern about the quality of care *you* receive, the level of *our* service or any other aspect of *your health plan* - *we* want to know. Call *us* toll free at 1-855-672-2788 (TTY/TDD 711). Many times, a single phone call to Concierge staff can make things right.

In addition to calling Concierge, there are other avenues for *you* to use if *you* do not agree with a decision made by *us* or by one of the health care professionals who work with *us*. Like *you*, *we* want to be sure the appropriate decisions are made regarding *your* medical care and that *you* receive the benefits *your health plan* covers.

### **SHOULD YOU FILE A GRIEVANCE OR AN APPEAL?**

#### **Grievance**

*You* initiate a grievance when *you* are not satisfied with the quality of medical care or service *you* are receiving. A grievance is the first step *you* take to tell *us* that *we* are not meeting *your* expectations. A grievance tells *us* that *you* are not pleased with the quality of medical care or the service that *you* received. A grievance brings *your* concern to our attention.

*We* want *you* to let *us* know how *we* can improve any aspect of *your* medical care, preventive health benefits, customer service or *your* understanding of *your* health plan. *You* can call *us* to learn more about the grievance process. *We* can assist *you* with completing a grievance. Or, write or fax *your* grievance to *us* using our grievance form. *We* will acknowledge receiving your grievance within five business days. *You* will receive a decision within 30 calendar days. Occasionally, *we* may take an extra 14 calendar days to receive and review information before *we* send *you* our decision. Every grievance about the quality of medical care is taken seriously. That's why *we* have a Quality Improvement team for investigation and

follow-up with the doctor or *facility* that provided the care.

## **Appeal**

*You* file an appeal in response to an *Adverse Benefit Determination* received from *us*. This could be a denial of *coverage* for requested medical care or for a *claim you* filed for care already received. An appeal asks *us* to review *your* request for *coverage* of medical care or *claim* for reimbursement. *Your* appeal goes to people who have not reviewed *your* case before. *You* can call, write or fax *your* request to start the appeal process.

In many *cases*, *you* can present the specifics of *your* initial appeal by phone. A *Health Care Insurer Appeals Process Information Packet* was delivered with *your policy*. In addition, *you* may request additional copy by contacting *us* by phone, mail, or fax with the contact information below.

## **Getting Your Medical Records**

Under Arizona *law*, *you* and *your* health care decision-maker are entitled to a copy of *your* medical records from any health care professional that has treated *you*. Make *your* request in writing and be sure to include the address where *you* want *your* records sent. In some cases, *your* records will be sent only to the medical professional that *you* have designated.

## **Confidential Medical Information**

*Your* medical records are confidential. They are used only as needed to make decisions about *your* care - or any appeals *you* may file. During an appeal, Oscar may release some portions of *your* medical records to the people who are reviewing *your* case.

## **Mailing Documents**

*We* want to be sure *our* response reaches *you*. Please confirm that *we* have *your* current mailing address or electronic mail (e-mail) in *our* records because that is where documents will be sent. *We* consider information mailed to *you* to be received on the fifth business day.

## **The Role of the Director of the Arizona Department of Insurance**

The Director of the Arizona Department of Insurance will oversee this appeals process. The Director will maintain a copy of each health plan's *utilization review* policy; receive, process, and act on requests from health plans for External Independent Review; review and enforce or overturn the decisions of the health plans; and file appropriate reports with the Arizona Legislature. When necessary, the Director must transmit appeal records to the Superior Court or the Office of Administrative Hearings and issue final administrative decisions.

After two years from the date of issue of this *Policy* no misstatements, except fraudulent misstatements, made by the *member* in the Enrollment Application shall be used to void the *Policy* or to deny a *claim* for *loss* incurred or Disability commencing after the expiration of such two year period.

No *claim* for *loss* incurred or Disability commencing after two years from the date of issue of this *Policy* shall be reduced or denied on the ground that a disease or physical condition not excluded from *coverage* by name or specific description effective on the date of *loss* had existed prior to the *effective date* of *coverage* of this *Policy*.

### **Independent Contractor Services**

We do not ourselves undertake to directly furnish any health care services under the Agreement. We reserve the right to add or delete *network providers* from our *provider* panel.

The relationship between *us* and *network providers*, *physicians*, *Skilled Nursing Facilities*, *networks*, other *health professionals*, and other community agencies, is that of independently contracting entities. Such independently contracting entities are neither agents nor employees of Oscar nor is Oscar or any employee of Oscar or its affiliates an employee or agent of such entities. We shall not be liable for any *claim*, demand or cause of action regarding damages arising out of, or in any manner connected with, any injuries, alleged or otherwise, suffered by the *member* while receiving care in, from, or through any such entities.

### **Acceptance of the Agreement**

The *member* enters into this Agreement on behalf of himself and any enrolled *dependents* who become Members of Oscar. Acceptance of this *Policy* by the *member* constitutes acceptance by his enrolled *dependents* and is binding on all *members*. By electing medical and *hospital coverage* pursuant to his *Policy*,

or accepting benefits hereunder, all *members* legally capable of contracting, and the legal representatives of all *members* incapable of contracting, agree to all terms, conditions and provisions of this *Policy*.

### **Amendment or Modification**

This *Policy* shall be subject to amendment, modification or termination in accordance with the provisions hereof. We will provide the *member* 60-day prior written notification of any amendment or material modification to this *Policy*, including the *Schedule of Benefits*. Notice will be sent to the *member's* e-mail or physical address of record. Receipt of Premium payment by will constitute the *member's* acceptance of the amendment or modification. Consent of enrolled *dependents* is not required. The *member's* failure to make Premium payment will automatically terminate *coverage* under this *Policy*. The date of termination will be the last day for which Premium payment has been received and accepted by our Accounts Receivable Department.

### **Policies and Procedures**

We have adopted policies, procedures, rules and interpretations to promote orderly and efficient administration of the Agreement, and, in our discretion, may Amend, modify, terminate, or adopt other policies, procedures, rules and interpretations. Consent or concurrence of the *member*, or enrolled *dependents*, is not required. At our sole discretion and without obligation under this Health Plan, we may offer to provide a *member* alternative coverage for services and supplies which may be otherwise excluded or limited by the terms of this *Policy*. Such alternative coverage is available only where Oscar and the *member*, or the *member's* legal representative, agree in writing to the alternative treatment. All alternative treatment is subject to the determination by the *member's* treating *provider* that the alternative treatment plan is appropriate for the *member*. In no event shall the cost of alternative coverage exceed the cost of *covered services* to which the *member* would otherwise be entitled.

### **Commencement or Termination**

Whenever an effective date of commencement or termination is provided, such commencement shall be effective as of 12:01 a.m. of that date in Arizona. Termination shall be effective as of 11:59 p.m. of that date in Arizona.

### **Implied Waiver**

Failure by *us* on one or more occasion to avail itself of a right conferred by this *Policy* shall in no event be construed as a waiver of its right to enforce said right in the future. Should *we* provide a *member* with *coverage* for benefits to which the *member* is not entitled under this *Policy*, such provision of *coverage* shall not amend this *Policy* to incorporate those benefits herein or entitle the *member* to receive additional benefits not specifically listed under this *Policy*.

### **Events Not In Our Control**

To the extent that a disaster, war, riot, civil insurrection, epidemic or other *emergency* or event not within the control of *our* results in the offices, personnel, or financial resources of *us* being unable to provide or arrange for the provision of *covered services* and benefits, *we* shall have no liability or obligation for any delay in the provision of or failure to provide such services and benefits, except that *we* shall make a good faith effort to provide such services, taking into account the impact of the event.

### **Women's Health and Cancer Rights Act of 1998:**

Surgical services for breast reconstruction and for post-operative prostheses incidental to a Medically Necessary mastectomy are covered. Coverage includes:

- reconstruction of the breast on which the mastectomy has been performed;

### **Newborns' and Mothers' Health Protection Act of 1996**

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending Provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a Provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).
