Prior authorization at a glance

Certain services at Oscar require prior authorization. It is important to submit any elective or pre-service requests in advance to ensure everything is in place for your patients to get the right care. To confirm requirements for a specific code or service, request authorization, or check the status of an existing authorization, reference the Authorization Procedure Lookup tool within Oscar’s Provider Portal. To access or sign up for the provider portal, visit provider.hioscar.com or call 855-672-2755. Authorization requests may also be submitted by faxing the authorization request form found in the Provider Manual to 844-965-9053. Please note that authorization requirements may be updated throughout the year. To access Oscar’s Provider Manual for your state please visit: hioscar.com/providers/resources.

Some drugs may require Prior Authorization before being covered by Oscar. Drug Prior Authorizations may be submitted to Oscar electronically through the EMR/ePrescribing system; online, through www.covermymeds.com/epa/caremark; via fax, 844-814-2259 (Specialty drugs) or 844-814-2258 (Non-Specialty drugs); or by calling 855-672-2755.

Prior Authorization review for certain services is delegated to eviCore healthcare. To access eviCore’s clinical criteria and authorization request forms, please visit www.evicore.com/healthplan/Oscar. For any other services not indicated in these resources, you can call 855-672-2755.

Inclusion of a service in the Oscar Prior Authorization List is not a guarantee of benefit coverage.

Coverage of these benefits may vary by plan, and the Prior Authorization list is subject to change. To verify coverage or prior authorization requirements, please call 855-672-2755.

If prior authorization is not obtained for a service that requires it, the service is subject to post-service (retrospective) review. Some services that may be part of an ongoing course of treatment may also be subject to concurrent review. Prior authorization requirements (including concurrent and/or retrospective review) for Behavioral Health and Substance Abuse are subject to the policies and procedures of Optum. Please reference the provider manual for Prior Authorization requirements for our vendors.
