Prior authorization at a glance

Certain services at Oscar require prior authorization. The list of services subject to pre-authorization can be accessed online at hioscar.com/prior-authorization. It is important to submit any elective or pre-service requests in advance to ensure everything is in place for your patients to get the right care. To confirm requirements for a specific code or service, request authorization, or check the status of an existing authorization, reference the Authorization Procedure Lookup tool within Oscar's Provider Portal. To access or sign up for the provider portal, visit accounts.hioscar.com or call 855-672-2755. Authorization requests may also be submitted by faxing the authorization request form found in the Provider Manual to 833-554-9046. Please note that authorization requirements may be updated throughout the year.

To access the most up to date authorization requirements please reference Oscar's Provider Manual for your state by visiting hioscar.com/providers/resources.

If prior authorization is not obtained for a service that requires it, the service is subject to post-service (retrospective) review. Some services that may be part of an ongoing course of treatment may also be subject to concurrent review. Prior authorization requirements (including concurrent and/or retrospective review) for Behavioral Health and Substance Abuse are subject to the policies and procedures of Optum. Prior authorization requirements for Pharmacy are subject to policies and procedures of CVS/Caremark. Please reference the provider manual for Prior Authorization requirements for these and other Oscar vendors.
