In-person and virtual Primary Care services provided by Hy-Vee Exemplar providers are covered in full. Prescription drugs distributed by a physician in a Hy-Vee Health Exemplar Clinic are covered in full. This means if your provider issues or writes a prescription and sends it to another in-network pharmacy (Hy-Vee in-store pharmacy, CVS pharmacy, etc), you will pay the cost-share listed in your plan document. Talk with a Hy-vee Health Exemplar Care provider to review the full list of select \$0 generics available at Hy-Vee Health Exemplar Care clinics.
