

# Get up to \$200 quarterly to cover your over-the-counter expenses<sup>\*</sup>

We know that the cost of non-prescription pharmacy items can really add up. This is why we give our Oscar + Holy Cross + Memorial Medicare Advantage members an "OTC card" to pay for over-the-counter items like vitamins, first aid supplies, pain relievers, and allergy meds.

Each quarter (every three months), the "OTC card" is loaded with funds<sup>\*</sup> to cover over-the-counter items. As an added bonus, this card can also be used to purchase items like food scales, Fit Bits, and Apple Watches.

You can use your card at major and local pharmacies in your neighborhood.

**Some of our participating partners include:**

**DOLLAR GENERAL**

**FAMILY DOLLAR**

*Walgreens*

\*OTC Card benefit value varies by plan type. OTC dollars cannot be rolled over each quarter. Oscar is an HMO with a Medicare contract. Enrollment in Oscar depends on contract renewal. H8961\_MKTAUG22016S\_M
