

Meet the plan built to support diabetes care

Staying on top of routine care is one of the best ways to manage diabetes. So, this tailored plan offers better coverage and savings for members with Type 1 or Type 2 diabetes.

PLAN BENEFITS:*

- Fully covered labs (including HbA1c screening, urinalysis, metabolic panel, lipid panel)
- Fully covered eye and foot exams
- \$0 Tier 1a drugs
- \$0 Primary Care Provider visits
- \$0 Behavioral health visits
- \$100 out-of-pocket maximum on insulin

CASH IN FOR REGULAR HEALTH CHECK UPS

Here are a few easy ways to earn extra gift cards:

1. Sign up for Livongo. The \$0 program gives you:
 - Unlimited strips and lancets
 - An advanced blood glucose meter
 - Free personalized coaching tailored to you, and a lesson on how to use the meter and track your strips.
 - Supplies sent right to you when you're running low
2. Visit your PCP to coordinate your care.

PLUS, GET FITNESS AND NUTRITION SUPPORT

- Access to on demand fitness programs with ASH Active & Fit just by completing two of these tests: HbA1c test, metabolic panel test, lipid test, UA (Urine Albumin) test, diabetic eye exam
- Reach step goals in our app to earn \$10 for healthy groceries with Instacart.
