

Oscar Bronze Elite: Get more from your plan

People often pay too much for plans that aren't right for them. That's why Oscar has plans custom designed for the kind of care members really need.

All Oscar Bronze Elite plans offer lower Primary Care Provider (PCP) copays and lab costs, providing greater cost transparency from day one.

With Bronze Elite- \$0 Ded+PCP Saver, members don't pay anything towards their deductible and pay less for PCP visits.
