- (1) If embedded deductible: The single deductible is embedded in the family deductible, so no one family member can contribute more than the single amount toward the family deductible.
 If non-embedded deductible: There is only a family deductible. All family members' out-of-pocket expenses count toward the family deductible until it is met, and then they are all covered with the health plan's usual copays or coinsurance
- (2) If you're away from home, Virtual Urgent Care is not available internationally. Virtual Urgent Care has a cost-share for members on HSA plans before they reach their deductible, after which the copay is \$0. Members can only access Virtual Urgent Care via phone. Cigna provides access to virtual care through national telehealth providers as part of your plan. This service is separate from your health plans network and may not be available in all areas.
- (3) Oscar Primary Care is exclusively provided through the Oscar App or Website. Care is provided via messaging, phone, or video appointments.
- (4) Mental health and chemical dependency copayment the same as Primary Care, (Bronze \$9400, copay reflects specialist costs).
- (5) This plan may utilize stepped ER coverage, after the first visit you will have a higher share of cost. Refer to SBC for cost details.
- (6) This plan may offer reduced cost share for lab tests performed at physicians offices or independent labs. If lab services are performed by other providers, including outpatient hospitals, the cost share may be higher. Please refer to Schedule of Benefits (SBC) for more coverage details.
- (7) This plan may offer reduced cost share for imaging performed at physicians offices or independent facilities. If lab services are performed by other providers, including outpatient hospitals, the cost share may be higher. Please refer to Schedule of Benefits (SBC) for more coverage details.
- (8) The \$3 prescription list is available in all Cigna + Oscar markets, excluding California. Refer to enrollment materials for details. For commonly covered medications, view the Prescription Drug List

Some benefits are subject to age and frequency schedules, limitations or visit maximums.

See the plan's Schedule of Benefits (SBC) for more on coverage details. All this information and more can be found on our Broker Resources page: www.hioscar.com/brokers
