

Speak to a doctor from the comfort of your own home.

Ocar plans come with free and unlimited Doctor on Call, available 24/7.*

You can call or send a secure message to a doctor—and you may be able to get a diagnosis, get a new prescription, or a refill—in as little as 15 minutes. That's one less trip to the doctor's office and one less copay to worry about! Doctor on Call reduces out-of-pocket expenses and is especially valuable for members on high-deductible plans. **Members save \$129 on average each time they use Doctor on Call.**

When to use it:

You're under the weather.

Doctors can diagnose common conditions and refer you to the right specialist if you need to see someone in person.

You need a prescription.

Doctors can send new prescriptions and refills for medications like blood pressure medication and antibiotics straight to your pharmacy.

It's outside of normal office hours.

Doesn't matter if it's the middle of the night. Doctors can usually resolve your issue so you can get back to bed.

You're away from home.

Doctors can diagnose you and send a prescription to a nearby pharmacy, wherever you are*, 24/7.
