Why does Oscar offer these plans?

Premiums of Silver tier plans on the government exchange have gone up, due to government defunding of cost-sharing reduction (CSR) subsidies.

In response, Oscar has created off-exchange Silver alternatives.

What should I know about these plans?

They are only available off of the exchange.

They have lower premiums than comparable Silver tier plans on the exchange.

Are these plans right for me?

If you do not qualify for subsidies on the government exchange at any point in 2021, and are seeking a Silver tier plan, these may be a good option for you.
