Finding your client's doctors and prescriptions

Oscar makes it easy for you to find your client's preferred providers and prescriptions. Instead of spending hours digging through provider directories, you can use our search tool.

Search for a provider:

- 1. Visit hioscar.com/search
- 2. Select your client's plan type (individual or small group) and state
- 3. Use the left side of the search bar to search for doctors by name or specialty

Search for a prescription:

- 1. Visit hioscar.com/search
- 2. Select your client's plan type and state
- 3. Select "Drugs" in the search bar and input your client's prescriptions.
- 4. Review if the drug is covered, and its cost under each plan type
