
See all of your stuff in one place.

Your plan details, prescriptions, health history, bills, claims, and ID card are easily accessible on your Oscar account.

Your Oscar account makes it easy to manage your health, find affordable and high quality care, and see everything all in one place. Here's what our members love most about it.

Reach your Concierge team in one click.

Get paired with a team of care guides and a nurse that can help you find affordable doctors in your neighborhood, answer questions, and even help you coordinate complex care. You'll talk to the same people every time you call or send a secure message.

Talk to a doctor in just two clicks.

Feeling sick or need a prescription refill? Every Oscar plan comes with Doctor on Call. Using your online account or Oscar app, you can call, send a secure message, or request a call from a doctor in as little as 15 minutes. It's free, unlimited, and available 24/7*. That's one less trip to the doctor's office and one less copay!

Get paid for walking.

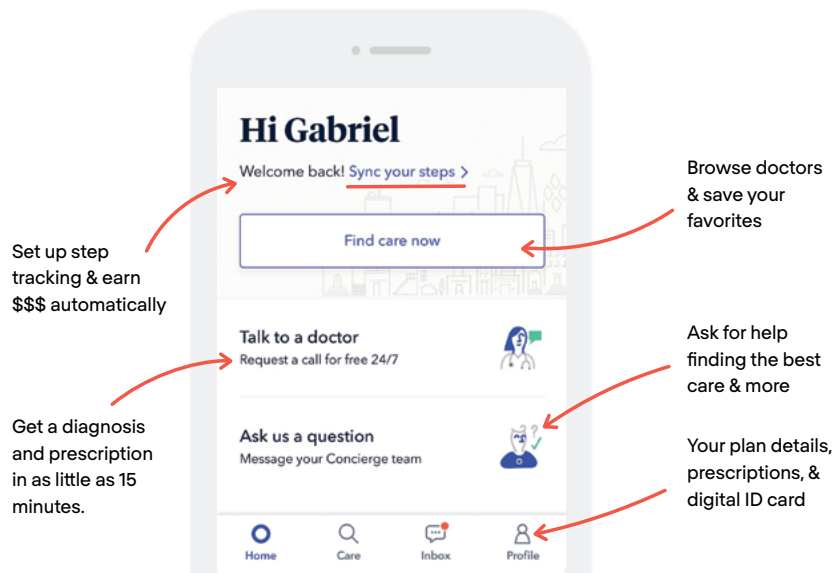

The Oscar app can sync with Google Fit or Apple Health, and you earn \$1 every day you hit your step goals—up to \$100 per year in Amazon® Gift Cards.
