### Why does Oscar offer these plans?

Premiums of Silver tier plans on the government exchange have gone up, due to government defunding of cost-sharing reduction (CSR) subsidies.

In response, Oscar has created off-exchange Silver alternatives.

### What should I know about these plans?

They are only available off of the exchange.

They have lower premiums than comparable Silver tier plans on the exchange.

### Are these plans right for me?

If you do not qualify for subsidies on the government exchange at any point in 2021, and are seeking a Silver tier plan, these may be a good option for you.

See the plan's Schedule of Benefits & Coverage (SBC) for more on coverage details. All this information and more can be found on our Broker Resources page: [hioscar.com/brokers](https://hioscar.com/brokers)
