Prior authorization and appeals at a glance

Certain services at Oscar require prior authorization. It is important to submit any elective or pre-service requests in advance to ensure everything is in place for your patients to get the right care. To confirm requirements for a specific code or service, request authorization, or check the status of an existing authorization, reference the Authorization Procedure Lookup tool within Oscar's Provider Portal. To access or sign up for the provider portal, visit accounts.hioscar.com or call 855-672-2755. Authorization requests may also be submitted by faxing the authorization request form found in the Provider Manual to 833-554-9046. Please note that authorization requirements may be updated throughout the year. To access Oscar's Provider Manual for your state please visit: hioscar.com/providers/resources.

Inclusion of a service in the Oscar Prior Authorization List is not a guarantee of benefit coverage. Coverage of these benefits may vary by plan, and the Prior Authorization list is subject to change. To verify coverage or prior authorization requirements, please call 855-672-2755.

If prior authorization is not obtained for a service that requires it, we may ask you to provide medical records to support medical necessity once we receive your claim for those services. However, if we do not receive records or the records do not demonstrate medical necessity, we may deny the claim.

Some services, like inpatient hospital or skilled nursing facility care, are subject to concurrent review.

Prior authorization for Behavioral Health and Substance Abuse services are subject to the clinical coverage guidelines of Optum and must be submitted to Optum for processing. Prior authorization requirements for Part D prescription drugs are subject to clinical coverage guidelines of CVS Caremark and must be submitted to CVS Caremark for processing. Please reference the Medicare Advantage Provider Manual for instructions on submitting prior authorization requests to Optum and CVS Caremark.

Appeals for denials of Part D prescription drugs must be submitted to CVS Caremark; instructions for submitting these appeals are included in the Medicare Advantage Provider Manual. Appeals for denials of all other services can be faxed to Oscar at 833-554-9047.
