Hi, we're Oscar!

“We started Oscar in 2012 to create the kind of health insurance company we would want for ourselves — one that behaves like a doctor in the family.”

- Mario Schlosser, Co-Founder & Chief Technology Officer

LET'S GET TO KNOW EACH OTHER...

We're health insurance that actually works for you by making a healthier life accessible and affordable. We stand by your side no matter the question or the issue, so getting care is easy.

HERE'S HOW:

Low-cost medications¹

We talked to doctors and members to figure out how to reduce prescription costs for the most commonly prescribed meds! So you'll be able to afford what you need.

A team that has your back

You'll have the ongoing support of a Care Team, whose only job is to help you make the most of your plan. They can answer questions about whether a provider is in network, help coordinate your appointments, make sense of your bills, and much more.

Virtual care options that work around you

Get the help you need without leaving the couch. Just request a Virtual Urgent Care visit and a provider will be in touch in as little as 15 minutes. They can help you 24/7 with a diagnosis, new prescriptions, refills and more. Better yet, appointments are always \$0.²

¹ Please check state and plan benefits for the most up to date information.

³ Oscar's Virtual Urgent Care offerings are not available in US territories or internationally. If you have an HSA-compatible high-deductible health plan or a Secure plan, you won't be eligible for \$0 visits. Prescriptions, visits and services may be limited per provider discretion.

Let's talk basics

When you're shopping for a plan all the insurance terms can be confusing, but knowing the basics can help you make the right choice.

Maximum out-of-pocket

The maximum amount you'll pay for covered healthcare expenses during the year. It's sometimes called MOOP. After you meet this amount, your plan will pay for all of your covered medical expenses.

Copay

A fixed dollar amount you're responsible for paying for a covered service. For example, a \$35 co-pay means you'll pay \$35 with in-network providers.

Co-insurance/ Percentage Co-payment

How much you owe for a covered healthcare service or prescription, usually presented as a percentage. For example, a 50% coinsurance means you'll pay 50% of the cost of care with in-network providers.

Out-of-pocket

Any money you'll pay towards covered healthcare expenses – like deductible, copays and coinsurance.

Premium

The fixed monthly fee you'll pay for your health insurance plan.

Deductible

The amount you'll spend on certain covered services before your plan starts paying for your care.

Choosing your plan

Everyone is unique and looking for different things from their health insurance coverage. We get that. So our metal tiers and plans give you plenty of options that suit your specific budget and healthcare needs.

CHOOSING YOUR METAL TIER

There are 3 different metal tiers when it comes to our health plans: Bronze, Silver, and Gold. **You'll receive the same quality of care and the same benefits for all tiers.**

Bronze plan	Silver plan	Gold plan
		
Lower premium, higher out-of-pocket expenses 60% of covered health costs paid by Oscar, 40% paid by you Good choice if you don't expect to use your plan often, but still want coverage to protect you from very high costs	Moderate premium, moderate out-of-pocket expenses 70% of covered health costs paid by Oscar, 30% paid by you Cost share reductions available if you're eligible Good choice if you're willing to pay a slightly higher monthly premium and get more care covered	Higher premium, lower out-of-pocket expenses 80% of covered health costs paid Oscar, 20% paid by you Good choice if you need care often

CHOOSING YOUR PLAN SUITE

Within each tier there are 3 plan suites you can choose from. The plan suites range from Simple to Elite. The difference between them is the breakout of coinsurance and copays.

Simple	Classic	Elite
Lowest monthly premium More coinsurance based cost-shares Mostly available in Bronze and Silver metal tiers	Mid to high monthly premium Out-of-pocket costs will be a mix of coinsurance & copays For example, you may have a copay for labs and coinsurance for a hospital stay	Highest monthly premium More copay based cost-shares \$0 medical deductible

Plan Overview

In Virginia, Oscar offers EPO plans with a range of premiums, deductibles, cost shares, and plan types. This gives you flexibility to choose a plan that matches your unique needs.

WHAT DOES THIS MEAN?

EPO (Exclusive Provider Organization)

With a EPO plan, your health insurance kicks in for in-network provider visits. That means you can get great care from providers Oscar has partnered with to make care more affordable for you.

With EPO plans you don't need a referral from your primary care provider to visit a specialist. You can just book with them directly as long as they're in-network.

For example, lets say you are concerned about some stomach issues you are experiencing....

You can make an appointment to see an in-network gastroenterologist directly.
