

How to make a payment.

Oscar members get the warmest welcome in the industry, and we want them to experience Oscar’s best-in-class service from the start. After enrollment, members will receive their first bill both via email and in the mail. In order to receive their Welcome Kit and ID card, members will need to make their first payment in one of the following ways.

01. Pay online at hioscar.com or through the Oscar mobile app

This is the easiest, fastest, and most secure way. Set up autopay via ACH with a checking account. Members can also pay with a debit card at hioscar.com. Unfortunately, we do not accept credit card payments.

02. Pay over the phone

Oscar can take members' checking or savings account information over the phone for one-time payments, or to set up autopay. Members can call their Concierge team directly at 855-672-2755.

03. Pay by check or money order

This is the least preferred method, but members can pay via check or money order. The member must:

- Include both a bill stub and a signed check, or a signed check with their OSC# ID on the memo line.
- Mail payments to:
