

# See all of your stuff in one place.

Your plan details, prescriptions, health history, bills, claims, and ID card are easily accessible on your account. Your account makes it easy to manage your health, find affordable and high quality care, and see everything all in one place. Here's what our members love most about it.

## Talk to a doctor in just two clicks.

Feeling sick or need a prescription refill? Using your online account or Oscar app, you can call, send a secure message, or request a call from a doctor in as little as 15 minutes. It's \$0 and available 24/7.\* That's one less trip to the doctor's office and one less copay!

## Get paid for walking.

The Oscar app can sync with Google Fit or Apple Health, and you earn \$1 every day you hit your step goals—up to \$100 per year in Amazon® Gift Cards.\*\*

## Reach your Care Team in one click.

Get paired with a team of Care Guides and a licensed nurse that can help you find affordable doctors in your neighborhood, answer questions, and even help you coordinate complex care. You'll talk to the same people every time you call or send a secure message.

\*If you're away from home, Virtual Urgent Care is not available internationally. Virtual Urgent Care has a cost-share for members on HSA plans before they reach their deductible, after which the copay is \$0. Members can only access Virtual Urgent Care via phone. This applies to new groups effective 1/1/2022 and upon a group's renewal in 2022.

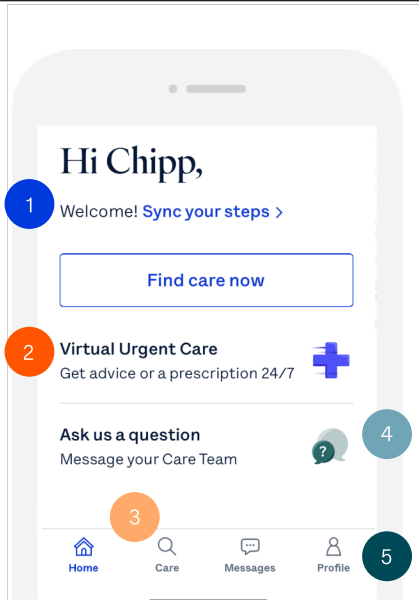

\*\*Please contact the actual merchant for terms and conditions that apply if you use a gift card. Gift cards may be considered taxable income. Please contact your tax advisor for details. Cigna Administered by Oscar is not responsible for lost or stolen gift cards.
