Why *Pompadour?*

At Persona, we like tradition too. Pompadour's identity is based on just that. Sitting just off Essex Regiment Way we took inspiration from this local regiment.

The regiment's facing colour – this is the lining of their military jackets – was once a lovely deep shade of purple known as Pompadour.

So now you know.

City and countryside *come together*

Pompadour homes are designed with a local influence that complements the county's style.

A series of lanes offer great views of the open countryside that surrounds the rural green edge of Channels. With plenty of open space, including fitness trails, wildlife zones and cycle routes, getting that fresh country air will take no effort at all.

The unique layout of Pompadour gives every home access to beautiful green space to enjoy, perfect to play, sit and socialise.

Walk, live, breathe and play.

Work or play,
LONDON
is *less than an*
hour away

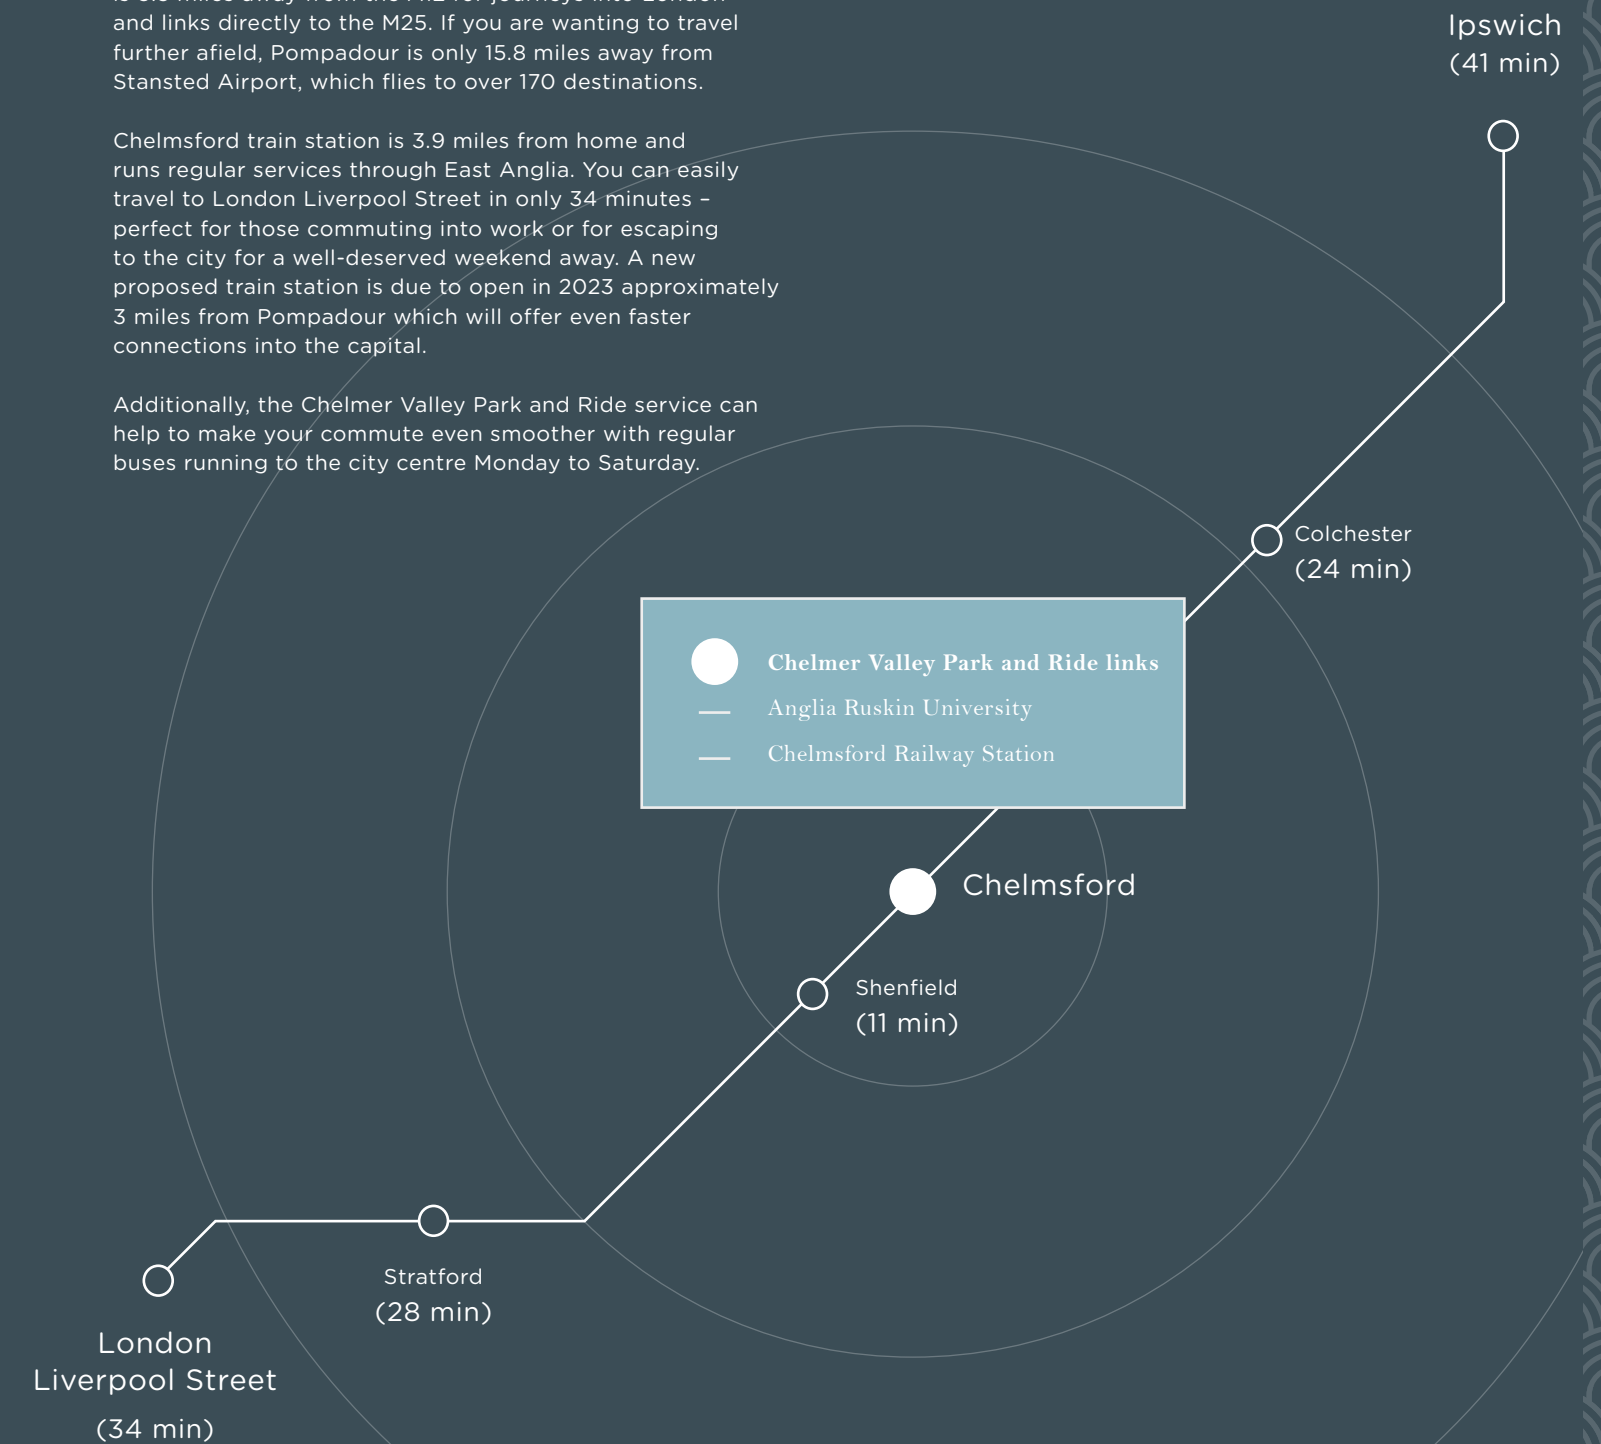

All within *reach*

Living at Pompadour means you will have more time at home and spend less time travelling. The development is 3.5 miles away from the A12 for journeys into London and links directly to the M25. If you are wanting to travel further afield, Pompadour is only 15.8 miles away from Stansted Airport, which flies to over 170 destinations.

Chelmsford train station is 3.9 miles from home and runs regular services through East Anglia. You can easily travel to London Liverpool Street in only 34 minutes – perfect for those commuting into work or for escaping to the city for a well-deserved weekend away. A new proposed train station is due to open in 2023 approximately 3 miles from Pompadour which will offer even faster connections into the capital.

Additionally, the Chelmer Valley Park and Ride service can help to make your commute even smoother with regular buses running to the city centre Monday to Saturday.

Travel times and distances are taken from [google.co.uk/maps](https://www.google.co.uk/maps) and [tfl.gov.uk](https://www.tfl.gov.uk). Park and Ride information is taken from [essexhighways.org/transport-and-roads](https://www.essexhighways.org/transport-and-roads).

Where *quality* meets contemporary styling

Persona homes are always specified to the highest possible standards, combining timeless quality with the very best in modern innovation. Pompadour at Channels is no exception.

We invite you to bring your own individual taste and preferences home, where there's space to grow.

Every individual room in each of our Persona homes exudes quality. Specifications have been carefully chosen with your lifestyle in mind, focusing on all the little details that make a home extra special.

We want you to enjoy every single element of your home for many, many years to come and we offer a high specification as standard.

It's all in the *details*
