

DECLARATION OF COMMITMENTS

Non-Union Crew Members

On behalf of *Insert Airline here*, I the undersigned, certify that the consignment mentioned to the attached consignment cover letter is as listed to the best of my knowledge.

I understand that a false declaration may lead to legal action being taken and I am fully aware that the Security Pass System has an international obligation;

'Each contracting states shall ensure that Security Restricted Areas are established at each airport serving international civil aviation and that procedure and identification systems are implemented in respects of persons'.

I understand the requirements for non-union crew to carry their passports whilst within the SRA and to ensure they are listed on the GAR.

I agree that I will check all documents of crew members employed by an air carrier may only be issued to personnel who has an operational need and has successfully completed a background check.

I am fully aware that any internal issues known to Airport Authorities shall be communicated immediately of loss, theft or failure to return an identification card. The Airport Authorities shall also be notified if a crew member has a conviction to a disqualifying offence.

I also agree to notify the Airport Authorities promptly of any updates to the identification card, including changes in its design, format or appearance. Failure to notify Airport Authorities of any updates will result in denied entry to security restricted areas.

I accept full responsibility for this declaration on behalf of _____*Airline*_____
