"Fund" means 'Undertaking for Collective Investment' (« UCI »). The UCI is a general term used for different undertakings collecting money from the public and whose activity consists of managing an investment portfolio. The term 'fund' covers collective investment schemes in the form of an investment company (such as the SICAV or SICAF), as well as mutual funds, and their sub-funds.»

"Shares/units registered with the FSMA» means shares/units of UCI's (UCITS or AIFMD) that are publicly offered in Belgium.

«Shares/units registered with a supervisory authority of the EEA» means shares/units of UCI's (UCITS or AIFMD) that are publicly offered in at least one state of the European Economic Area.
