> 4. Important information:

Upon receipt of your request, we will start to close your KEYPRIVATE or to make a withdrawal. Please bear in mind the following:

- Keytrade Bank will sell all the securities (for a closure) or a part of the securities (for a partial withdrawal), and the results of the sale, after deduction of taxes and the management fee (for a closure), will be credited on your current account.
- The sales slips will be available via the details of the portfolio (under the section transactions)
- For a partial withdrawal, a minimum amount of 15.000 euros must be kept in the portfolio.
- The minimum amount of withdrawal is 2.500 euros.
- For the closure of KEYPRIVATE worth more than 1.000.000 euros during the period before the closure, the owed amount (under the law on the annual taxe on securities accounts) will be debited from the account before the closure. In this case, you will receive an e-mail with a report indicating the average value of the KEYPRIVATE in the reference period and the amount of the taxe withheld.
