<p>Are you looking for a trusted doctor in your area, but not sure where to look? Having problems with finding a specialist? Whether it's finding a new doctor or looking for a specialist, Teladoc Health can help.</p>	<p>A female doctor stands in a lab. A woman sits at her computer and expresses frustration. A man sits on a couch and scrolls on his phone.</p>
<p>With Teladoc Health's Find a Doctor, we can help make the difficult task of finding a family doctor or a specialist a little easier.</p>	<p>A woman is sitting at her computer. A female doctor greets her patient.</p>
<p>In geographic areas where physicians are accepting new patients, our Find a Doctor service will provide you with a list of up to 3 physicians and the patient requirements.</p>	<p>Three doctors stand next to each other and are shown smiling.</p>
<p>If you're looking for a specialist, we can often help to provide you with wait times and the requirements to get a referral from your treating physician.</p>	<p>A doctor sits at his computer doing research and makes notes in his notebook.</p>
<p>With Teladoc Health's Find A Doctor, finding a doctor or a specialist doesn't have to be so stressful, giving you peace of mind for your healthcare journey ahead.</p>	<p>A doctor speaks to her patient who is sitting on a couch and listening intently.
