You are authorized solely to view and retain a copy of the pages of our website and App for your own personal, non-commercial use. You further agree not to: (a) use any robot, spider, scraper, or other automated device to access the Services; (b) remove or alter any author, trademark, or other proprietary notice or legend displayed on this website (or printed pages thereof); or (c) infringe WorldRemit Intellectual Property or any third party’s copyright, patent, trademark, trade secret, or other intellectual property rights, or rights of publicity or privacy.

If you provide us with any suggestions, feedback, reviews, or input (“**Feedback**”) related to our Services, we and our affiliates will own all right, title, and interest in and to the Feedback, even if you have designated the Feedback as confidential. We and our affiliates will be entitled to use the Feedback without restriction, including for marketing or business purposes. You assign to us all right, title, and interest in and to the Feedback and agree to provide us with any assistance we may require to document, perfect, and maintain our rights in the Feedback. For this purpose, the word “assign” is a legal term that means to legally transfer the benefit, such as you legally transferring the benefit of the Feedback to us.

Section 8. Disclaimer of Warranties

We make reasonable efforts to ensure that transactions are processed in a timely manner, but we make no representations or warranties regarding the time needed to complete processing or our ability to successfully process any transaction request. The Services are dependent on many factors outside of our

control. Your rights in respect of warranties may vary state to state, and you may have a right to a refund as expressly described herein. Consistent with federal law, if the Payout Amount is not available to the Recipient by the availability date shown on your transaction receipt, you can use the error resolution process described in Section 6 to notify us of the issue and you may be entitled to remedies under federal law, including a refund of our Fees.

We take measures to protect your personal data, but we cannot guarantee that unauthorized third parties will not be able to defeat those measures and access your personal data. Any personal data you provide us is at your own risk.

We are not responsible for any viruses or harmful technologies that may affect our website, App, or Services.

Section 9. Liability for Unauthorized Transactions.

9.1 To protect yourself from unauthorized activity in your Account, you should regularly log into your Account and review your transaction history and Account statements, and you should never share your Security Credentials or any one-time passcodes with anyone. Both your transaction history and Account statements are available in the App and you may contact Customer Care to assist you in accessing a copy of your transaction history and Account statements. Transaction receipts can also be found in the App. We will notify you of each transaction through the App. You must have provided us with at least one valid method of communication to use the App and it is your responsibility to ensure that your communication preferences are kept up to date. Please review these transaction notifications to ensure that you authorized each transaction and that it was accurately completed.

9.2 By law, certain protections are afforded to you in connection with unauthorized activity in your Account. We will provide certain protections to you as long as you cooperate with us and follow the procedures described below.

9.3 What is an Unauthorized Transaction? An “Unauthorized Transaction” occurs when money is sent from your Account that you did not authorize and that did not benefit you. For example, if someone steals or fraudulently obtains your Security Credentials (or the Security Credentials of your Authorized Recipient), uses the Security Credentials to access funds in your Account, and sends a payment using those funds, an Unauthorized transaction has occurred.

9.4 What is not an Unauthorized Transaction? It is not an Unauthorized transaction if you grant authority to someone to use your Account by giving them your login information and they exceed the authority you gave them. You are responsible for transactions made in this situation.

9.5 Reporting an Unauthorized Transaction. If you believe your login information has been lost or stolen, please contact Customer Care immediately via the App; or

for WorldRemit, call us at +1.202.580.0383 (toll number) or +1.855.383.7579 (toll free), or email us at transactionhelp@worldremit.com;

Please tell us as soon as possible if you believe that an electronic fund transfer has been made without your permission using your Account information or by other means. This will help prevent further loss. Telephone or the App is the best way of keeping your losses down. If your Account statement shows transfers that you did not make, including those made by card, code, or other means, tell us at once. If you do not tell us within sixty (60) days after the statement was made available to you, you may not get back any money you lost after the sixty (60) days if we can prove that we have stopped someone from taking the money if you had told us in time.

Section 10. Preauthorized Transfers

10.1 Right to stop payment and procedure for doing so. If you have told us in advance to make regular payments out of your account, you can stop any of these payments.

If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. We may charge you a fee for each stop-payment order you give us.

10.2 Notice of varying amounts. If these regular payments may vary in amount, we will tell you, 10 days before each payment, when it will be made and how much it will be. Section 11. Limitation of Liability

Under the Electronic Funds Transfer Act (“EFTA”), you are entitled to bring a cause of action against us for any failure on our part to comply with our obligations under the EFTA. If we are found liable, you are entitled to any actual damages you sustain or an amount between \$100 and \$1,000. You are also entitled to the costs of the action and a reasonable attorney’s fee as determined by the tribunal.

EXCEPT FOR THE PRIVATE RIGHT OF ACTION PROVIDED TO YOU UNDER THE EFTA, IN NO EVENT SHALL WORLDREMIT, OUR AFFILIATES, OUR SERVICE PROVIDERS, OR OUR OR EACH OF THEIR RESPECTIVE SUBSIDIARIES, OFFICERS, AGENTS, PARTNERS, REPRESENTATIVES, OR EMPLOYEES BE LIABLE TO YOU FOR ANY OTHER DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR EXEMPLARY DAMAGES BEYOND THE SUM OF \$100 (IN ADDITION TO REFUNDING THE TRANSACTION AMOUNT AND FEES), INCLUDING BUT NOT LIMITED TO, DAMAGES FOR LOSS OF PROFITS, GOODWILL, USE, DATA, OR OTHER INTANGIBLE LOSSES (EVEN IF WORLDREMIT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES) RESULTING FROM NEGLIGENCE ON THE PART OF WORLDREMIT, DISBURSEMENT PARTNERS, OR OUR OR THEIR RESPECTIVE SUBSIDIARIES, OFFICERS, AGENTS, PARTNERS, REPRESENTATIVES, OR EMPLOYEES.

If a party elects arbitration, the arbitration will be administered by American Arbitration Association (the “AAA”), an established alternative dispute resolution provider, under its Consumer Arbitration Rules. The AAA Consumer Arbitration Rules are available at adr.org. 14.3 Effect of Termination of this User Agreement. When this User Agreement ends: (a) you must immediately stop using the Services; (b) you are still responsible for paying us any and all Fees owed to us before the User Agreement ended; (c) all licenses provided to you under this User Agreement will immediately end; (d) we can delete all of your Account information that we stored for your use of our Services (except if we are required by applicable law to retain it for a certain amount of time); and (e) we are not liable to you or any third party for any issues arising from your inability to access the Services or for deleting your information or Account data.

14.4 Terms and Conditions that Will Continue. Any sections or provisions of this User Agreement that are necessary to enforce the purpose of this User Agreement after it has ended will continue to remain in effect after this User Agreement ends.

Section 15. General

15.1 Unclaimed Property. If your Account contains funds and we are unable to contact you and have no record of your use of the Services for several years, applicable law may require us to report these

funds as unclaimed property. If this occurs, we will try to locate you at the address shown in our records, but if we are unable to locate you, we may be required to deliver any such funds to the applicable state as unclaimed property. We reserve the right to deduct a dormancy fee or other administrative charges from such unclaimed funds, as permitted by applicable law. 15.2 Third-party Website Links and Content. Any external links to third-party websites or third-party content on our website or App are provided as a convenience to you and does not imply WorldRemit's endorsement of the third-party website or content. These sites are not controlled by us in any way and we are not responsible for the accuracy, completeness, legality, or any other aspect of these other sites including any content provided on them. You access such websites at your own risk.

15.3 Entire Agreement. This User Agreement constitutes the entire agreement between you and WorldRemit and governs your use of the Services, superseding any prior agreements between you and WorldRemit.

15.4 No Waiver. The failure of WorldRemit to exercise or enforce any right or provision of this User Agreement shall not constitute a waiver of such right or provision. If any provision of this User Agreement is found by an arbitrator or court of competent jurisdiction to be invalid, the parties nevertheless agree that the arbitrator or court should endeavor to give appropriately valid effect to the intention of the User Agreement as reflected in the provision, and the other provisions of the User Agreement shall remain in full force and effect.

15.5 Force Majeure. PART 2: SPECIFIC SERVICE TERMS

Section 1. Money Transfer Service

If you use our Money Transfer Service, the following additional terms and conditions apply.

1.1 Money Transfer Service. This Section describes our money transfer service (the “**Money Transfer Service**”). The Money Transfer Service allows you to send international money transfers from the United States to another person across the World in countries served by WorldRemit. More information about the scope of the Money Transfer Service can be found in our WorldRemit FAQ Pages.

1.2 Known Recipients. You should only send money to persons with whom you are familiar.

1.3 Availability. Our Money Transfer Service is generally available 24 hours a day, 365 days a year; however, there may be times when the service is unavailable (for example, if we need to make improvements to our systems).

1.4 Requesting a Money Transfer. Transfers are made when money is sent via a money transfer from an Account to WorldRemit’s available Disbursement Partners for a Recipient’s cash pick-up, cash delivery, or mobile wallet deposit, in each case, as available. Through our extensive network of Disbursement Partners, we will make money available to Recipients in local currency or where applicable other currencies, such as the US Dollar (USD). You may request to make a Transfer through one of our Channels. While we treat your request as received by us as soon as you submit it, we may not confirm our acceptance of your request or process it until you have completed all the required steps, including those required through our Channels, and we have completed our own steps in order to confirm the Transfer and notify you of such confirmation.

1.5 Information Needed for a Money Transfer. To use the Money Transfer Service you are required to provide us certain information in respect of you, the Recipient, and your preferred payout method. Examples of the information we will require are provided in the table below. For Money Transfers to Recipients in certain countries different information may be required, in which case we will inform you.

Payout Method	Information To Be Provided
All	In respect of you, for example: <ul style="list-style-type: none">● Full name● Date of birth● Place of birth● Physical address● Account number or other reference number (if applicable)

Cash Pickup / Mobile Money	<p>In respect of the Recipient, for example:</p> <ul style="list-style-type: none"> Full name Telephone number Physical address Reason for sending

You may need to provide us additional information we may request to complete the Transfer. All information you give us about a Transfer must be accurate (e.g., the amount of money you want to transfer and the details of the Recipient). Once we have received your Transfer request, it is normally not possible to make any changes.

1.6 Providing Payment Instrument Details. You must provide your Payment Instrument details, such as any card details, including your card number, full name as shown on the card, expiration date, and CVV or CVC or security code, and address. By adding money via any Payment Instrument, you attest that the Payment Instrument details are correct and that you are authorized to access and use such Payment Instrument. There may be single and/or monthly transaction limits.

1.7 Storing Payment Instrument Information. You agree and authorize us to store your Payment Instrument information for your convenience and future use. We will store this information securely. Payment Instruments previously added to your Account may be available for your use through the App to add or load money.

1.8 Payment Instrument Requirements. In addition to other requirements described in this User Agreement, all Payment Instruments must not be expired. You authorize us to verify your Payment Instrument is in good standing by submitting a test payment request for a low value amount and carrying out checks with your Payment Instrument issuer. We will follow your Payment Instrument issuer and any payment scheme rules when completing test payments and will refund you any test payment amounts.

1.9 Money Transfer Timing. Transfers may take different amounts of time depending on a variety of factors including, but not limited to, the country of destination, the currency, the payout method, and other items. As such, we do not guarantee the timing of a Transfer.

1.10 Fees and Exchange Rates. When using our Money Transfer Service, you agree to pay our Fees and any Exchange Rates that may apply. You may have to pay other charges (e.g., taxes or a charge your bank requires for making a money transfer) related to your use of our Services, which are outside of our control and not charged by us.

Based on your Transfer request we may need to convert the currency of the money you transfer. This could happen when you send money to a Recipient in a different country. Before you complete a Transfer, we will inform you of: (a) the total amount you will pay for the Transfer (including the amount of money you request to transfer plus our Fees) among other items required by applicable law; and (b) any Exchange Rate that may apply (note that Exchange Rates may change depending on how long you take to complete a Transfer, in which case the latest applicable Exchange Rate will be provided). There is a difference between the Exchange Rate we buy currency at and the Exchange Rate we provide to you,

and we usually make money from this difference. There may be additional charges or taxes imposed by a third party that are outside of our control. Our Fees and Exchange Rates can change at any time without notice to you.

1.11 Acceptance of Transfer Requests. We are not required to process every Transfer request you make. We may refuse to provide the Money Transfer Service at any time. When possible, we will inform you when and why we have not processed a Transfer request as permitted by applicable law. We are not liable for loss or damage as a result of our refusal to process a Transfer request.

1.12 Limits on Money Transfers. We may put limits on the number and value of Transfers that you can make in any period of time (e.g., daily, weekly, or monthly).

1.13 Canceling Transfers. You have the right to cancel a Transfer and obtain a refund of all funds paid to us, including any Fees. We may have offered promotional credits from time to time. These credits are not refundable. In order to cancel, you may contact us within the application or at the phone number or email address on your receipt within thirty (30) minutes of payment for the Transfer. When you contact us, you must provide us with information to help us identify the Transfer you wish to cancel, including the amount and location to where the funds were sent. We will refund your money within three (3) Business Days of your request to cancel a Transfer as long as the funds have not already been picked up or deposited into a Recipient's account.

1.14 Money Transfer Errors. You have specific error resolution rights with respect to our Money Transfer Service. The types of Errors subject to the resolution requirements described in this section are:

- You pay an incorrect amount in connection with the Transfer.
- We make a computational or mathematical error related to your Account.
- We do not make available to the Recipient the total amount disclosed on the transaction receipt (unless certain exceptions apply).
- We do not make funds available to the Recipient by the date of availability stated on the transaction receipt (unless certain exceptions apply).
- You request additional information or clarification concerning a Transfer, including a request to use to determine whether an Error has occurred.

If you believe an Error has occurred with our Money Transfer Service, you must contact us within one hundred eighty (180) days of the date we promised that funds would be made available to the Recipient. When you do, please give us: (a) your name and address; (b) telephone number; (c) the Error or problem with the Transfer, and why you believe it's an Error or problem; (d) the name of the Recipient receiving the funds, and if you know it, their telephone number or address; (e) the dollar amount of the Transfer; and (f) the confirmation code or number of the transaction. We'll determine whether an Error occurred within ninety (90) days of you contacting us, and we'll correct any Error promptly. We'll tell you the results within three (3) Business Days after completing our investigation. If we decide that there was no Error, or if the Error is a different type or amount than you reported, we'll give you a written explanation. You can ask for copies of the documentation we relied upon to make this determination.

Section 2. Wallet Service

If you use our Wallet Service, the following additional terms and conditions apply.

2.1 Adding Money. You may use your Account to open a digital Wallet. The Wallet permits you to add or load money to your Wallet from any Payment Instrument that we accept. Each time you instruct us to add funds from your Payment Instrument to your Wallet balance, you authorize us to immediately debit or charge the Payment Instrument specified by you at the time of the transfer for the amount instructed.

2.2 Providing Payment Instrument Details. You must provide your Payment Instrument details, such as any card details, including your card number, full name as shown on the card, expiration date, and CVV or CVC or security code, and address. By adding money via any Payment Instrument, you attest that the Payment Instrument details are correct and that you are authorized to access and use such Payment Instrument. There may be single transaction and/or monthly limits on the amount you can add to your Wallet balance.

2.3 Storing Payment Instrument Information. You agree and authorize us to store your Payment Instrument information for your convenience and future use. We will store this information securely. Payment Instruments previously added to your Account may be available for your use through the App to add or load money.

2.4 Payment Instrument Requirements. In addition to other requirements described in this User Agreement, all Payment Instruments must not be expired. You authorize us to verify your Payment Instrument is in good standing by submitting a test payment request for a low value amount and carrying out checks with your Payment Instrument issuer. We will follow your Payment Instrument issuer and any payment scheme rules when completing test payments and will refund you any test payment amounts.

2.2 Holding Money. All money held in your Wallet is a fiat currency and not cryptocurrency or any other form of asset. WorldRemit is not a bank and your Wallet is not a bank account. Your Wallet is a stored value account. The value held as a balance in your Wallet represents an unsecured claim against WorldRemit and is not insured by the Federal Deposit Insurance Corporation. We will hold customer funds as authorized by state regulators and in accordance with state money transmitter laws. We will not use the Wallet balances held on behalf of customers for any operating expenses or other corporate purposes.

2.3 Transferring and Withdrawing Money from your Wallet.

- (a) You may only use the funds in your Wallet to transfer or send money using the Money Transfer Service. Once funds are loaded into your Wallet, you may not withdraw such money from the Wallet. Notwithstanding the foregoing, your cancellation and error rights in connection with using our Money Transfer Service remain applicable, including your right to a refund as described in Part 2, Sections 1.13 and 1.14.
- (b) To protect us, you, and other customers from loss, you understand and agree that your Account is subject to Transfer limits. You also agree that we may delay a Transfer, including if we need to confirm that you have authorized the Transfer or when your deposit is subject to a reversal or chargeback. If we place a hold on your Transfer, we may request and require you to provide additional information and documentation to us before we complete the Transfer.

- (c) Where we have good reason to suspect some money that you have put into the Wallet are a result of fraudulent activity, we will suspend access to all other money stored in the Wallet for either: (1) 120 days, or (2) when you give us the information we ask for in order to unblock your Wallet (whichever is shorter). If we still have good reason after this period to suspect that the money in the Wallet includes money from fraudulent activity, we will continue to suspend access to the suspected fraudulent funds until we receive evidence that the source of funds does not include fraudulent activity.
- (d) Unclaimed money stored in the Wallet. If your Wallet is inactive for an extended period of time it may be deemed “unclaimed” or “abandoned” under applicable law. If this occurs, we will provide you with notice as required by applicable law. If money still remains in your Wallet, we will escheat such money as required by applicable law.
- (e) Unless otherwise noted, you are solely responsible for all funds necessary to complete any transactions initiated through your Account. You agree to reimburse us for any fees, costs, or expenses we incur as a result of insufficient or unavailable funds in connection with any transaction you initiate through our Services.

2.4 WorldRemit Fees. We will not charge any Fees or applicable Exchange Rates for you to pay into the Wallet. We will charge you our usual Fees and the relevant exchange rate that will be applicable when you use our Money Transfer Service. Below, see Exhibit A, Short Form Disclosure, which provides a summary fee disclosure, and Exhibit B, Long Form Disclosure, which provides a list of all Fees for the Wallet.

2.5 Authorized Recipients. You may allocate funds in your Wallet to be Transferred to certain Recipients who have been authorized as Recipients (“**Authorized Recipients**”). To receive a Transfer of allocated funds from a Wallet, an Authorized Recipient must be invited by you, create an Authorized Recipient profile through the Recipient App, and meet all Authorized Recipient terms and conditions (“**Authorized Recipient User Agreement**”). To receive Transfers of allocated funds from the Wallet, an Authorized Recipient must set up an Authorized Recipient profile by providing certain identifying information to us, which must be approved by us. You may allocate funds from your Wallet to be Transferred to an Authorized Recipient into a Subwallet (“**Subwallet**”). You may have up to one (1) Authorized Recipient per Subwallet at any given time. The total amount of money you allocate for any Subwallet cannot collectively exceed the total balance of your Wallet. The money held in the Subwallet will remain your money and you can close the Subwallet at any time by contacting us in the App or by telephone a +1-714-455-2320 and move funds in a Subwallet back into your Wallet. You may only close a Subwallet with a \$0 balance; however, if you close your Wallet, which is also conditional on having a \$0 balance, your Subwallet will also be closed. Money not available for use by you or your Authorized Recipients includes money allocated for pending transactions. You agree that you have authorized or pre-approved any request by an Authorized Recipient for a Transfer of funds from a respective Subwallet.

You agree and authorize the Authorized Recipient to do the following: (a) make a request for you to Transfer any amount of money in the Subwallet to the Authorized Recipient via any of WorldRemit’s available Disbursement Partners for the Authorized Recipient’s cash pick-up, bank or mobile wallet

deposit, or cash delivery per the payout method you authorize; (b) access and view certain Subwallet information, such as available funds for Transfer; (c) contact Customer Care for assistance as necessary.

Only you may put money into a Subwallet by directly allocating money into your chosen Subwallet through our Website or the App. You may recall funds sent to a Subwallet at any time in full or partial amounts.

2.6 Agency Designation. In connection with your use of the App, you may designate an Authorized Recipient as your agent for the sole purposes of (1) requesting a remittance transfer as defined by Regulation E and (2) receiving the pre-payment disclosure and receipt as required by Regulation E. By specifying that you have made such designation in the App and subsequently using the App, you represent and warrant to us that you have appropriately made such agent designation. You may revoke such designation at any time and notify us of such revocation through the App. If your agent does not request a remittance transfer from the Subwallet within ninety (90) days, such funds will be sent back to your Wallet.

Section 3. Airtime Top Up Service

If you use our Airtime Top Up Service, the following additional terms and conditions apply.

3.1 Airtime Top Up Service. You may obtain Airtime Top Up Service from us by submitting a request through our Channels. While we treat your request as received by us as soon as you submit it, we may not confirm our acceptance of your request or process it until you have completed all the required steps, including those required through our Channels, and we have completed our own steps in order to confirm the transfer and notify you of such confirmation.

3.2 Use Requirements. To use the Airtime Top Up Service you must provide to us (a) the mobile number you want to use to which you will send Airtime and (b) the amount of Airtime you would like sent.

3.3 Information Needed for an Airtime Top Up. To use the Airtime Top Up Service you are required to provide us certain information, including the mobile number and amount of Airtime. You will be so notified of such information requirements in our Channels. We will send Airtime in accordance with your instructions, but mobile operators are ultimately responsible for providing mobile services relating to the Airtime.

3.4 WorldRemit Fees. If applicable, we may pass on taxes to you by deducting the Airtime available to you. The amount of taxes owed may: (a) be included in the total amount you will pay for the Airtime, in which case, you will see the amount of Airtime you want to send adjusted for any Fees, and, in some cases, applicable taxes and Exchange Rates; and (b) be taken from the Airtime received by the person to whom you are sending Airtime, in which case, such recipient will receive less Airtime than the amount that you originally instructed to be sent to them. Our Fees can change at any time without notice. Before you complete an Airtime Top Up, our Channels will show you the amount you will pay for the Airtime Top Up, among other items, as required by applicable law.

3.5 Delivery Time. Airtime is typically sent within minutes after you make a successful payment on our Channel and we confirm acceptance of your order. Timings are representative of the service we provide for an average Airtime Top Up transaction. We do not guarantee the timing of the Airtime Top

Up Service for any individual transaction. For example, sometimes there may be a transmission delay, such as due to local mobile network congestion or other technical issues. You should visit our Channels or contact us if you have any concerns about longer delays.

3.6 Cancellations and Refunds. Once we have accepted your request to send Airtime, you will not be able to cancel such request unless applicable law requires you to be able to do so. Subject to applicable law, once Airtime is sent, it cannot be: (a) refunded to you; or (b) removed from the phone of the person to whom you sent it.

3.7 Transaction Limits. We may put limits on the number and value of Airtime Top Ups you can send in any period of time (e.g., daily, weekly, monthly).
