A collection that is very meaningful to the owner is known as a honorable item. It is often bestowed to a recipient as a manner of expressing gratitude for the recipient's contributions or as a token of appreciation for their efforts. Anything from a simple letter of acknowledgement to a pricey piece of jewelry might be presented as an honorary gift.

The design of the United States dollar has been subject to a great deal of evolution throughout the course of its history, yet despite these changes, it has always been used as a means to honor some of the most influential people in American heritage. Due to the fact that George Washington and Abraham Lincoln are two of the most influential historical leaders, the United States Treasury decided that it was appropriate for them to be portrayed on the nation's currency.
