Facts around fungal infection:

A fungal infection is the annoyance that eliminates the majority of your life's happiness. Untreated, it spreads throughout the body and kills the immune system, leading to life-threatening illnesses such as depression, cognitive disorders, chronic inflammation, and joint difficulties, among others.

Supplement Myco Nuker Ingredients:

The dietary supplement contains very potent natural substances used by Japanese homoepathic practitioners for a healthy lifestyle. They consist of:

Shiitake, Reishi, and Maitake mushrooms create a "fungal nuclear triad" that stops sugar from harming your health. They are the natural enemies of fungi.

It contains 137 times more antioxidants than Gyokuro. When they enter the bloodstream, they purify it and prevent fungal infections.

Beta-glucan is a naturally occurring immunomodulator and fiber molecule that strengthens the immune system and prevents bacterial, fungal, and viral infections.

Arabinogalactan (ARA-6) is a prebiotic that stimulates natural killer cells and boosts the immune system.

Turmeric stimulates the liver and improves its capacity to eliminate toxins.

Cat's Claw with garlic make a barrier that eliminates infections and enhances blood circulation.

Red raspberry juice, vitamin C, and vitamin E produce a laser net to protect the lungs from bacterial and fungal spores.

Selenium, graviola, and pine-bark extract create a preemptive attack force in your body that eliminates invaders immediately.

Lycopene helps the body recuperate and repair the damage caused by infections. It also prevents future harm to your cells.

Quercetin, pomegranate, and olive leaf extracts aid in the nail, skin, and internal organ regeneration, recovery, and repair processes.
