OFFICIAL WEBSITE

ScienceGenics iGenics is the world's first and only eye vision supplement that addresses the root cause of vision loss. iGenics is a 12-second morning habit that can completely restore vision in just 7 days. iGenics is for everyone interested in preventing vision loss associated with ageing. iGenics is for anyone who wants to protect their eyes from getting worse with age.

What Is iGenics?

iGenics addresses your vision loss safely and organically by addressing CPE. Its strong formulation addresses vision loss at its source by eliminating CPE and purifying the eye's toxic environment. Its powerful mix also protects your DNA, optic nerve, retina, and other fragile tissues.

iGenics is an advanced formula that fixes the real cause of vision loss and restores 20/20 vision. The formula was developed by ScienceGenics and is said to be backed by researchers to address the vision loss issue. The supplement is developed as simple capsules with a vital blend of 12 natural substances that may help prevent eyesight loss associated with ageing.

iGenics Advanced Vision Supplement is a natural proprietary blend of vitamins, minerals, and antioxidants that combine to help prevent vision loss associated with macular degeneration. This formula aids in improving visual clarity, colour perception, night vision, distance vision, and reading comprehension. Taking this supplement not only helps your eyes, but it can also help your body's immune system. Vision loss has a profound effect on the lives of individuals who suffer from it. Over 8 million people in their lifetime are at risk of developing age-related macular degeneration. Eye Health supplements with Lutein help prevent infections and other vision problems in the eyes. There are a lot of vitamins and minerals in this food, like Biotin and vitamin C. There is also an extra benefit of a boost to the immune system.

iGenics Ingredients

iGenics Ingredients include 100% natural, pure and FDA-approved ingredients from organic plants that boost testosterone levels. The main ingredients in iGenics include Ginkgo Biloba, Turmeric, Lutein, Zeaxanthin, Bilberry, Black Pepper Extract, Saffron, Vitamin A, Vitamin E and C.

Does iGenics Really Work?

Amazon's iGenics claims to address the root cause of your eye damage by addressing the damage your eyes are getting because of oxidation and inflammation. It improves your vision and helps keep your eyes healthy. Dr Charles Williams developed the iGenics eye supplement, which is manufactured in collaboration with ScienceGenics Lab.

- iGenics fight vision loss at the source by getting rid of CPE and making the eye environment cleaner.
- iGenics protects your optic nerve, retina, and even your DNA from damage.
- iGenics breaks the negative cycle of oxidative stress and inflammation.

Ancient natural healing ingredients are used to make iGenics Supplement. These ingredients help the eyes to repair DNA and restore perfect 20/20 vision. A list of the natural extracts and their benefits is below.

Ginkgo Biloba is a 200 million-year-old Tree that is capable of resolving a range of diseases ranging from memory loss to vision loss.

Bilberry, the secret of WWII fighter pilots for night vision.

Saffron, the world's most costly spice, is packed with nature's most potent antioxidants.

Turmeric, the golden anti-inflammatory, has been shown to be effective in the treatment of glaucoma and AMD.

And the world's most widely researched antioxidants for the eyes — AREDS-2, Lutein, and Zeaxanthin!

Is iGenics approved by the FDA?

Each bottle of iGenics is manufactured in the United States in a GMP-certified and FDA-approved facility. Science Genics, the manufacturer of iGenics, can ensure that each capsule is made with pure, safe ingredients. Plus, Science Genics contracts a third-party laboratory to examine each batch of iGenics and certify that each ingredient listed on the label is present in each pill you consume. While this procedure protects you, it can take up to two months to manufacture a new batch of iGenics.

How To Use iGenics?

As per the iGenics Ingredients Label, Take two (2) capsules daily with water.

iGenics Side Effects

Already over 22,000 people worldwide experience the benefits of iGenics. There are no iGenics side effects reported by the consumer; the formula is safe with a natural combination.

iGenics Scam

iGenics is not a scam because it comes with a 60-day money-back guarantee.

Conclusion

iGenics is a vision-enhancing supplement that helps people deal with eye-related problems by getting rid of any illnesses or threats to their eyesight.

You should use iGenics, if you see any of these signs of vision loss:

- Blurred View
- Having difficulty seeing distant objects or objects up close
- Night vision
- Experiencing headaches while attempting to read
- Spots of blindness or "fish-eye" vision

ScienceGenics iGenics customers are usually at least 40 when the effects of vision loss start to show up. But no matter how old you are, if you want to keep your vision healthy naturally, iGenics is the right choice for you.

ScienceGenics, the company that makes iGenics, says it is possible to get rid of blurry vision for good because of its unique combination of active ingredients. If iGenics can make your life better, why not try it now?
