How Do I Use Trichofol?

According to Trichofol Ingredients Label, In order to achieve optimal results, we recommend you take 2 power capsules after breakfast, lunch, or dinner daily, with a big glass of water.

How Does Trichofol Work?

Japanese researchers have discovered an amino acid called VEGF, which is able to expand the number of blood vessels on your scalp, ensuring that the nutrients and oxygen abundant blood can get to your follicles which have not been used for a while, and bring it back into vitality.

Trichofol will fix your VEGF and will improve the blood flow to your scalp, which means that hair follicles be supplied with the oxygen, vitamins, and nutrients they require to expand and thicken. The scalp is a good source of blood vessels to support the full volume of hair. Your hairline will increase in a matter of minutes, and your spots that are bald will develop thick, strong hair.
