## **What is PureLumin Essence exactly?**

PureLumin Essence, as previously mentioned is a powerful natural formula that targets age-spots. It is designed to control melanin and stop it from reaching your skin's surface.

PureLumin claims that you can enjoy several benefits by using it daily.

- Age spots can be removed
- Skin damage? Nourish it and repair it
- Skin softening and moisturizing
- Improve skin collagen levels for beautiful, luscious-looking skin

## ***Plus Much More***

PureLumin Essence is a powerful product that can help you achieve beautiful, luscious skin. Apply a few drops on your face, chest or hands, and massage until it's fully absorbed. The product's powerful ingredients will start to fade age spots within weeks. They will also add moisture and plump your skin for a beautiful, luscious look.

PureLumin was designed to be effective for all women, regardless of their age or skin conditions. PureLumin Essence is suitable for women of all ages, whether they are in their 40s or 60s. It will improve the appearance and health your skin.

## What is PureLumin Essence?

PureLumin Essence is a powerful product that helps women remove even the darkest age spots.

Dark spots on your skin that develop after a prolonged sun exposure are age spots. They are an attempt to protect yourself from further damage. PureLumin Essence is a safer, natural alternative to dangerous chemicals or surgical procedures for women who want to remove age spots.

**[PURELUMIN ESSENCE SUPPLEMENT:

It works primarily by supporting the body's natural process of keeping melanin in check and preventing it from leaking onto the skin's surface. The skin is also protected from developing age spots in the future by adding a protective barrier, protecting it from damage caused by UV rays.

UV damage can cause age spots, which are also prone to becoming wrinkled and dry. This is why PureLumin Essence also includes several extracts like glycolic acid and mandelic acid, which can easily penetrate the deepest layers of your skin, nourishing the skin for ultra-moisturization.

Finally, UV damage leads to collagen breakdown, which causes skin to age and become damaged. PureLumin Essence can help heal UV-damaged skin and add collagen to affected areas. You'll notice that your skin will look plump and young in just a few weeks. Your age spots will also be gone!

## **Ingredients in PureLumin Essence**

PureLumin Essence is formulated using the best ingredients that are scientifically proven to remove age spots. PureLumin Essence contains six powerful ingredients after researching hundreds of ingredients.

### ***Sunflower Lecithin***

Sunflower lecithin has a number of benefits for the digestive system and cardiovascular system. Recent research has shown that sunflower lecithin may help restore skin moisture, and even promote collagen

production. It has also been proven to relieve skin irritations such as acne and eczema.

### *Glycolic Acid*

Glycolic Acid can reverse sun damage. It also removes dead skin cells. A recent study found that glycolic acid could fade age spots and dark spots. It has anti-aging, exfoliating and hydrating properties.

### *Mandelic Acid*

Mandelic acid products can exfoliate the skin, resulting in a more radiant complexion. Many users have reported improvements in wrinkles and age spots. Mandelic acid is also effective in treating acne and reducing the appearance of acne marks.

### *Bearberry Extract*

Bearberry extract has a powerful natural skin lightener. It helps to even out your skin tone. It can help fade acne scars and age spots. It increases collagen production resulting in plumper, smoother skin with fewer wrinkles and fine lines.

## *Licorice Root Extract*

Licorice roots have powerful anti-inflammatory properties which help to combat swelling, irritation, and redness due to chronic inflammation. Studies also show that licorice extract can brighten and soothe irritated and itchy skin. Topical formulations containing licorice have been shown to brighten and glow the skin within a few weeks in some studies.

## *Kojic Acid*

Kojic Acid is highly prized because of its ability to fade hyperpigmentation, discoloration and dark spots. It is a proven ingredient that works well by itself, but the effects can be enhanced with other brightening agents. Kojic acid can also help to counteract the free radical damage that is caused by UV damage or environmental toxins.

PureLumin Essence contains only six ingredients. PureLumin Essence contains no artificial ingredients, additives, or fillers. PureLumin Essence has also been tested by a third party to ensure that only the most potent and safe ingredients are used in the formula.

**DIRECTIONS FOR USE:** Put a nickel-sized amount of the serum on your hand and apply it to the areas where you are experiencing unwanted dark spots, like your face, chest or neck. Tips: Use small, gentle, circular motions. Apply this product twice daily.

**FOR EXTERNAL USE ONLY**—Keep away from excessive heat or flame.

**WARNING**—The safety of this product has not been determined.

**WHEN USING THIS PRODUCT:** Avoid contact with eyes or mucous membranes. Do not apply to wounds or damaged skin. Do not apply to irritated skin or if excessive irritation develops. Do not bandage. Do not use with heating pad or heating device.

**KEEP OUT OF REACH OF CHILDREN.** If accidentally ingested, contact a Poison Control Center immediately.
