Key Features

1. The playbook starts with a section that explains the basics of homeschooling. It includes tips for creating a balanced timetable, understanding local regulations and setting up a school environment. This section is a good starting point for parents who are new to homeschooling.

2. Curriculum Planning

The selection and organization of a curriculum is one of the most difficult aspects of homeschooling. The playbook provides a step-by-step guide for selecting the best curriculum according to a child's interests, learning style and educational goals. The playbook also contains sample lesson plans and a schedule to get parents started.

3. Teaching Strategies

Effective teaching is the key to successful homeschooling. This section discusses various teaching methods, including classical education and unschooling. It also provides insight into the best method for different types learners. This section also includes practical advice on how to keep students engaged and make learning fun.

4. Resources and Tools

The playbook contains a wealth of recommendations for educational resources including books, websites and apps. The tools are organized by grade level and subject, so parents can easily find the right materials.

5. Socialization and Extracurricular Activity

The lack of social interaction is a common concern for homeschoolers. This is addressed in the playbook by

providing ideas for socialization such as joining homeschool cooperatives, participating community sports and organizing group fieldtrips. It also emphasizes the importance of extracurricular programs and offers suggestions on how to incorporate them into a homeschool schedule.

6. Assessing and recording

Homeschooling is not complete without keeping track of progress and maintaining records. This section offers templates and tips on how to document a child's achievements and maintain records that comply with legal requirements.

7. Supporting Community

It's not necessary to feel isolated when homeschooling. The playbook encourages homeschooling parents to reach out to the larger community for inspiration and support. The playbook lists online forums, local groups and organizations which offer support and resources for homeschoolers.
