## Enhance Your Ability to Stay Energetic & Healthy

In addition to the core 4, this powerful proprietary formulation harnesses the benefits of over 10 secondary ingredients in every pill.

- ✓ **Cilantro:** Cilantro, also known as coriander, is often used in traditional medicine for its potential detoxifying properties. It is believed to help remove heavy metals from the body.
- ✓ **Ginger:** Ginger is known for its anti-inflammatory properties and is sometimes used to support digestion. It may help stimulate the body's detoxification systems.
- ✓ **Turmeric:** Turmeric contains an active compound called curcumin, which has antioxidant and anti-inflammatory effects. It is often included in detox regimens for its potential health benefits.
- ✓ **Garlic:** Garlic contains sulfur compounds that are believed to have detoxifying properties. It may help activate certain enzymes in the liver that are involved in detoxification.

Vital Force Detox is a herbal supplement that helps the body to detoxify itself. The body naturally rids itself off harmful chemicals and substances; pills are only a way to speed up the process. The only disadvantage of detoxing is the time it takes. A natural detox can take up to one month. If you are in a hurry to detox, a natural cleanse may not be an option.
