Tribal Force X Ingredients

St. John's Wort

St. John's Wort is a yellow-flowering plant that contains hypericin, which may help regulate moods by increasing levels of serotonin, dopamine, and other neurotransmitters. This can be helpful in fighting depression and anxiety.

L-Glutamine

L-Glutamine is an essential aminoacid that plays a crucial role in cell volumizing and protein synthesis. It may increase testosterone and growth hormone levels. This is crucial to boosting overall vitality.

Phosphatidylserine

Phosphatidylserine is a component of cell membranes that supports cognitive function. It improves memory and concentration, which makes it an important ingredient for promoting mental clarity.

Bacopa Monnieri Extract

Bacopa Monnieri Extract is an ancient Ayurvedic herb that may improve neurotransmitter functions and promote relaxation. This can benefit cognitive focus and brain health.

Ginkgo Biloba

Ginkgo Biloba is one of the oldest trees. It acts as an antioxidant, which helps to improve blood flow. By dilating blood vessels, it promotes better circulation in the body.

N-Acetyl L-Carnitine Hydrochloride

N-Acetyl L-Carnitine Hydrochloride is a form amino acid that can better cross the blood brain barrier. It contributes to increased energy and blood flow which are essential for peak performance.

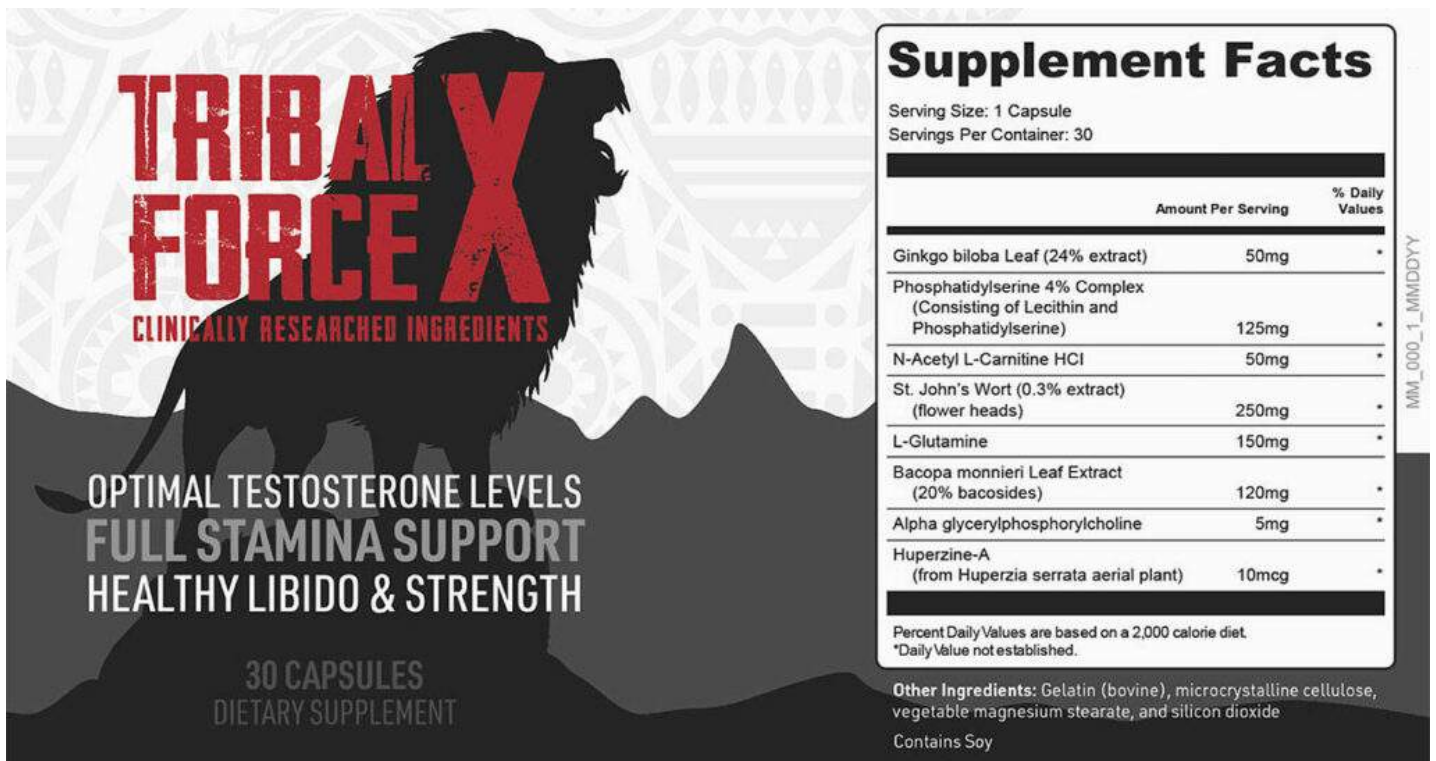

Vinpocetine

Vinpocetine is derived from periwinkle plants and improves sexual performance, circulation, and blood flow by dilatation of blood vessels.

Huperzine

Huperzine is an alkaloid that acts as a neuroprotective by maintaining high levels of acetylcholine, which benefits cognitive function and brain health.

Tribal Force X aims at boosting male sexual vitality and cognitive performance.
