## Clear Nails Max: What Is It?

A natural antifungal solution called Clear Nails Max aids in the prevention of nail fungus infections and encourages the development

of strong, healthy nails. By treating the underlying cause of the majority of fungal infections, the product promotes clear and clean nails.

With its all-natural and holistic approach, the fungus fighter formula guarantees that your body is healthier and encourages a healthy digestive system. For those with weak, yellow, discolored, or brittle nails, Clear Nails Max is the best option.

Probiotics included in Clear Nails Max support the proper balance of intestinal flora. It fosters the development of the good bacteria and makes the environment unfriendly for the bad ones. The mixture encourages healthy skin and gets rid of irritation, such as dryness and itching of the skin.

In addition to boosting your self-esteem, Clear Nails Max protects your skin and nails against fungus in the future. It boosts immunity and promotes tissue and cell regeneration. After using the fungus fighter for a few weeks, it is effective for both men and women.

The designers of Clear Nails Max utilised powerful substances supported by study from science. The nail support product is devoid of additives, stimulants, and GMOs and is suitable for vegetarians. It has no harsh aftertaste and is simple to eat. There have been no negative side effects reported by customers using the Clear Nails Max product.

A 100% money-back guarantee is offered for all three Clear Nails Max packages, and free extras are included when purchasing three or six bottles.

## How Does Clear Nails Max by Justified Laboratories Operate?

The maker of Clear Nails Max says that his goal is to provide customers a safe and all-natural fungal fighter. Numerous products on the market promise to use good bacteria to eradicate fungus.

In addition to treating the underlying cause of primary fungal infections, Clear Nails Max supports the growth of good bacteria in the stomach, which is essential for combating fungal infections. The

fungus fighter's powerful components fortify the immune system, protecting your skin and nails from harm.

The probiotics in Clear Nails Max begin by restoring the health of your digestive system, reducing inflammation, and fostering an environment that is favorable to the good bacteria. Probiotics aid in regular bowel motions and nutritional absorption, which supports a healthy digestive system.

## The Components of Max Clear Nails

Justified Laboratories' holistic nail support solution has 40 billion CFU each capsule, and scientific evidence supports the potent probiotic combination components. The ingredients are expertly blended to guard against nail fungus and enhance the condition of the nails. The following are the main components of Clear Nails Max:

### Subtilis Bacillus

Antimicrobial substances found in *Bacillus subtilis*, such as subtilin and bacitracin, aid in preventing the development of pathogens that infect nails. The component damages and destroys pathogen cell membranes. It bolsters the immune system and promotes intestinal health.

### Placental Lactobacillus

Lactobacillus Plantarum is a probiotic strain that enhances the absorption of nutrients, hence supporting gut health. It boosts immunity by triggering several immune system components that aid in the destruction of dangerous infections. Lactobacillus Plantarum also inhibits nail fungus and promotes skin regeneration.

### The Rhamnosus Lactobacillus

Lactobacillus rhamnosus maintains a healthy balance of gut bacteria, which aids in the restoration of gut and nail health. It generates lactic acid, which makes the stomach acidic and inhibits the development of dangerous microorganisms.

According to a research, Lactobacillus rhamnosus enhanced nail aesthetics by 45% and decreased the severity of nail fungus by 60%. Probiotics may aid in the prevention of eczema and dermatitis.

### The Advantages of Max Clear Nails

Clear Nails Max boosts development and gets rid of fungus to encourage thicker, healthier nails.

Lowers the possibility of recurrent nail fungus: Clear Nails Max deals with the underlying source of nail fungus. In this manner, the mixture protects your nails from further harm. It eases your stress and provides you with long-term relaxation.

Promote gut health: The probiotics in the formula help to promote the development of beneficial bacteria in the gut, which improves gut health. Clear Nails Max has several substances that aid in the

breakdown of food and prevent irregular bowel movements. A healthy gut reduces the risk of fungal infections and boosts immunity.

Enhance the appearance of your nails: Fungal infections cause your nails to become discolored and unsightly. Nail natural beauty may be restored with the aid of Clear Nails Max. Regular application results in a healthy, pink look.

Minimize dryness and itching of the skin: Fungal infections often result in uncomfortable dry, itchy skin. In addition to strengthening your nails, Clear Nails Max improves the general health of your skin by reducing itching and dryness around your nails.

Boost immune function since the immune system combats infections and illness. It finds and eliminates bacteria, viruses, and fungi before they harm different organs. Probiotics included in Clear Nails Max provide a natural barrier against infections.

Treat the underlying cause of fungal infections and control their symptoms; Clear Nails Max cannot provide short-term respite. It focuses on the signs and underlying causes of fungal infections.

Clear Nails Max Client Testimonials

Says William Clark,

For many years, I've been battling nail fungus, and despite using several over-the-counter lotions, creams, and liquids, I've had little to no luck. For the first time, even after only a few weeks of usage, I am thrilled to report that I can really see effects using Clear Nails Max!

Says Blanca Baker

"My large, discolored toenails have been bothering me for a long time. I'm 71 years old. I assumed it was just old age. After using this product for three weeks, my nails went from having terrifying grooves and a brown/yellow appearance to something I feel confident showing off at the beach. Purchasing more right now!

As Beth Troxel asserts,

All is ok thus far! After using it every day for a few weeks, there has been a notable change in the nail that is growing in! and improved nail color on diseased nails without any negative side effects. Will be working on a second bottle shortly in the hopes of resolving the bothersome problem!"
