### **What is the Metanail Complex?**

Metanail Complex's comprehensive 20-in-1 formula for nails and feet has attracted attention. It promises superior and lasting results. The product contains powerful natural ingredients such as Witch Hazel and Scots Pine. It also contains Horsetail Extract, Gotukola and Rosemary. These all support nail and skin health. Many users have noticed significant improvements. They praise the product for improving the strength and appearance of their feet and nails in a short time. It is free of chemical coatings, non-essential ingredients, and other additives, which makes it a clean, pure and effective product. The product is also non-GMO and vegan. It's gluten-free. This makes it suitable for a wide range of dietary needs. Although individual results can vary, Metanail Complex's overwhelmingly positive reviews and USDA-approved

handling of the ingredients suggest it is a promising choice for those who want healthier feet and nails.

## **What are the Ingredients of Metanail Complex?**

### **Horsetail, Scots Pine and Witch Hazel Extract**

Metanail Complex is a powerful trio of Witch Hazel Extract, Scots Pine Extract, and Horsetail Extract. Witch Hazel has soothing and anti-inflammatory qualities, making it ideal for soothing irritated or swollen skin. Scots Pine is known for its antiseptic properties, which help keep skin free of harmful bacteria. Horsetail Extract is rich in silica and strengthens and promotes the growth of your nails.

### **Gotukola**

Gotu Kola is a traditional medicine staple that plays an important role in supporting skin's protective function. This powerful herb is rich with triterpenoids that aid in collagen synthesis, elasticity and firmness of the skin. Gotu Kola strengthens the skin barrier and helps to maintain hydration. It also protects your skin and nails from environmental stressors.

## **Rosemary & Pelargonium graveolens**

Metanail Complex is a combination of Pelargonium Graveolens and Rosemary, both known for their moisturizing and nourishing properties. Rosemary stimulates blood circulation to promote healthier and stronger nails. Pelargonium graveolens (also known as geranium) is great for balancing skin oils and hydrating nail cuticles. This ensures a healthy and moisturized appearance.

## **Glycerin**

The Metanail Complex is made up of a large amount of glycerin due to its hydrating qualities. It works as a humectant to draw moisture from the surrounding environment into the outer skin layer, preventing drying. Glycerin keeps your skin and nail soft, smooth and supple by maintaining the optimal levels of hydration. This improves their appearance and overall health.

## **Lemon Peel Extract & Aloe Vera**

Aloe vera and lemon peel extract are both rich in the 14 kDa active protein, which has powerful nail rejuvenating properties. Lemon Peel Extract brightens and refreshes the skin, while also providing a mild skin exfoliation to remove dead skin cells. Aloe Vera is known for its

healing and soothing properties. It helps to hydrate and repair damaged skin and nails.

### **Organic Green Tea & Hops**

Metanail Complex is a nail and skin care product that contains organic green tea and hops. These two ingredients are known for their antioxidative properties. Green Tea is rich in polyphenols, which protect the skin and nails from free radical damage. Hops have anti-inflammatory, calming and protective effects on the skin. This combination is ideal for maintaining youthful, vibrant appearance.

### **Vitamin C and Vitamin E**

Vitamin C and vitamin E are necessary for the production of collagen, which is the main component in fingernails, giving them strength and shape. Vitamin C helps to promote collagen synthesis, combat oxidative stress and improve skin moisture. Vitamin E offers antioxidant protection and increases skin moisture. Together, these two nutrients ensure that your nails are healthy, strong and resilient.

### **Hyaluronic Acid**

Hyaluronic acid is praised for its amazing properties that naturally reinforce nail integrity. This powerful

humectant is capable of holding up to 1,000 times the weight in water. It provides deep hydration for nails and skin. Hyaluronic Acid helps to keep your nails flexible, strong and less likely to break by maintaining the optimal moisture level.

Jojoba Seed Oil with Sage Leaf Extract  
Jojoba Seed Oil, combined with Sage Leaf Extract, is the only way to provide long-term comfort and care for your nails and feet. Jojoba Seed Oil is a skin-like oil that provides deep hydration without clogging the pores. Sage Leaf Extract has anti-inflammatory and antimicrobial properties, which help to keep skin and nails healthy.

## MSM

MSM (Methylsulfonylmethane) is highly praised by modern science for its strengthening properties. It helps to produce keratin - a protein which forms the nail's structure. MSM improves the strength, thickness and health of your nails by increasing keratin.
