2025 SPONSORSHIP OPPORTUNITIES

DEAR FUTURE PARTNER,

At ABoR, we believe that success in real estate is driven by building strong relationships, fostering community, and creating valuable connections. As Affiliate Coordinator, my goal is to develop a partnership program that helps ABoR members expand their networks and access the tools they need to thrive in their businesses.

As an ABoR Sponsor and Affiliate Member, you play a key role in the success of our agents, and our partnership program is designed to help you connect with them. This program offers a variety of opportunities and touchpoints for engaging with our 27,000 members throughout the Greater Austin Area.

For the upcoming year, we've carefully considered all sponsorship options, offering several opportunities for engagement and creating more ways for you to connect with our members and tailor a package that fits your company's goals and budget, whether large or small.

I invite you to partner with us as we navigate the dynamic Austin real estate landscape in 2025.

Sincerely,

A handwritten signature in black ink that reads "Tami Lee".

OUR MISSION

Make agents successful on their own terms.

OUR VISION

To foster the most engaged and professional REALTORS® in the nation.

WHAT WE STAND FOR

ABoR is the engine of our agents' success. We deliver the knowledge, connections, and intelligence you need to succeed on your own terms.

WHO WE ARE

The Austin Board of REALTORS® is a trade association serving more than 20,000 real estate professionals across 18 counties in Central Texas, one of the country's fastest-growing markets. For nearly a century, we've been championing homeowners' rights and giving local real estate professionals the tools, data, and network they need to thrive.

We have a history of not just welcoming change but embracing it boldly. From being the first local association to livestream our board meetings to cutting direct syndication to preserve data integrity, we're not afraid to make things happen. This new chapter of ABoR is a call for our members to speak up and engage like never before—and we're right there with them leading the charge.
