Communication Guidelines for Service Providers

The following information is to provide some consistency in how service providers talk about their involvement with the Tourism Transition Fund and to help manage the expectations of businesses.

Overview

The Tourism Transition Fund is a fund made available, due to additional investment into the RBP, to support small and medium sized businesses during the global pandemic. The changes to the eligibility criteria and removal of the co-funding requirement is designed to extend the reach of this support to more businesses.

Demand is high and so it is vital that expectations are well managed. Always ensure you manage the expectations of a potential customer regarding whether they might receive voucher funding and how much they may receive.

The voucher funding is **up to** \$5,000 and allocated by a RBP Growth Advisor. Depending on business needs the amount allocated will vary. Only the Growth Advisors can make funding decisions, therefore as a Service Provider you should avoid mentioning funding amounts in any forms of promotion.

If unsure about your marketing and communication activity, please contact RBP@nzte.govt.nz.

Guidelines

As per the Promotion and Advertising terms in the contract, the service provider does not have rights to use the NZTE logo. Service Providers are not to use the RBP logo.

The New Zealand Government logo and other logos, icons, emblems and trade marks on [covid19.govt.nz](https://www.covid19.govt.nz) are protected by law. You must not copy or use any logo, icon, emblem or trademark without express permission and compliance with applicable laws. Commercial use of these logos, such as the [Unite against COVID-19](#), is not permitted.

Service Providers must not use the RBP network and the Tourism Transition Fund support as a marketing tool to sign businesses up to the service providers data base.

Service Providers are not authorised to speak to the media on behalf of the RBP. When/if dealing with media avoid giving that impression and if asked refer them to mediaenquiries@nzte.govt.nz.

Service Providers are not to:

- Use words such as Approved / Accredited / Authorised or Endorsed in relation to their services registered with the Tourism Transition Fund.
- Suggest that business can apply for funding via a service provider.
- Sign customers up to the RBP Network. Customers must do this themselves to agree to T&Cs.

- Refer to themselves as being able to get grants for businesses as this could lead to confusion as to how the RBP voucher system works.

Service Providers can:

- Promote that they have a registered service with RBP Network
- Promote that businesses **may** be eligible to receive funding for a registered service as part of the Tourism Transition Fund
- Acknowledge that there is support available for businesses through the Tourism Transition Fund.
