Louis Towning
ESR Developments (Australia) Pty Ltd
3-14 Augusta Street,
Blacktown NSW 2148

Dear Louis

Re: DA No. SSD-36138263
Address: 3-14 Augusta Street, Blacktown NSW 2148

Your recent application for a Construction Certificate dated 2 September 2026 has now been approved. We hereby enclose a copy of the Construction Certificate No. CC-26055/A for the proposed ***Amendments to retaining walls RW2A/2B and RW4C Design only***, associated with the Construction and operation of a warehouse and distribution centre comprising of four warehouse including one multi-level building, 15 warehouse tenancies including fitout, subdivision, car parking, landscaping, local road upgrades to Flushcombe Road, Augusta Street, and State intersection upgrades to Greater Western Highway / Flushcombe Road and Great Western Highway / Prospect Highway

Any associated documentation can be accessed via the NSW Planning Portal.

Council has also received a copy of the Construction Certificate together with the approved documentation via the NSW Planning Portal.

Please also find attached an inspection and certification schedule relevant to this development. The inspection schedule identifies the necessary Statutory Mandatory Critical Stage Inspections that must be undertaken together with other inspections of the progress building works that we will require to be undertaken by our office.

It is the client's responsibility to ensure that our office is contacted with not less than 48 hours' notice for our attendance to each of these inspections.

We thank you for your assistance in this matter and should you have any enquiries please do not hesitate to contact the undersigned on 02 9211 7777

Yours sincerely,

Dean Goldsmith
Director

BM+G

Building Surveyor-Unrestricted (NSW)

+ Inspection and Certification Schedule

Statutory Mandatory Critical Stage Inspections

The following statutory mandatory critical stage inspections must be undertaken during the construction program.

- + After excavation for, and prior to the placement of, any footings for Class 1 and 10 buildings.
- + Prior to covering of any stormwater drainage connections.
- + After the building works has been completed and prior to any Occupation Certificate being issued in relation to the building.

Other Required Inspections

Please ensure that our office is contacted to undertake the following inspections throughout the construction program:

- + Placement of erosion & sedimentation control measures.
- + Placement of tree preservation measures.

Compliance with the Building Code of Australia

All building works must be carried out strictly in accordance with the Building Code of Australia 2022 Amendment 2 (BCA). Any departure from the Deemed-to-Satisfy (DtS) requirements of the BCA must have the prior approval of BM PLUS G Pty Ltd.
