Introduction

Indigo Pipelines Limited is a Licensed Gas Transporter and has an obligation under the Independent Gas Transporters' Uniform Network Code (IGT UNC) to publish a Metering Charges Statement.

The operation of Indigo Pipelines' network assets has been contracted to SSE Enterprise Utilities, a trading name of SSE Utility Solutions Ltd, part of SSE plc. SSE is a major utility with many years of experience building and operating gas networks.

Indigo Pipelines is an approved Meter Asset Manager. We are pleased to offer licensed Gas Shippers Meter Asset Management (MAM) services to meter points on Indigo Pipelines' networks, in accordance with the terms defined in the IGT UNC. This document sets out the charges for these services from 1st April 2021 and replaces any Metering Charges Statement previously published by Indigo Pipelines under its current name or former name of SSE Pipelines Limited. Annual meter rental charges are based on the badged capacity of the meter installed at the meter point measured in standard cubic meters per hour (SCMH). Transactional Charges will be charged as per the Work Title descriptions shown on page 5. The Work Title shall be decided by SSE Enterprise Utilities staff unless mutually agreed between the requester and SSE Enterprise Utilities.

Invoicing

Indigo Pipelines, or SSE Enterprise Utilities acting on behalf of Indigo Pipelines, will invoice the Registered System User (Gas Shipper) for meter rental charges as set out in the 'Annual Rental Charge' section of this document, and transactional meter work charges as set out in the 'Transaction Charges' section of this document. All charges are exclusive of Value Added Tax. All prices shown in this document are in £ Sterling.

A Shipper can query any invoices issued, in accordance with the rules outlined in the IGT UNC, by contacting us before the invoice due date (contact details can be found on page 6).

Transactional Charges

Important Information

The 'New & Replacement Obligation' (NRO), which came into effect on 1st July 2019, prohibits the installation of domestic credit meters in favour of Smart meters. As Indigo Pipelines do not provide or install Smart meters, we are no longer able to perform any transactional meter works that require installation of a meter.

Transactional Charges shown below are for domestic sized meters only (< 11SCMH); Indigo Pipelines do not perform transactional meter works on non-domestic meters.

Any work downstream of the meter outlet is excluded unless specifically mentioned. In all cases, service pipe installation, alteration or disconnection will be subject to additional charges.

Out of Hours Visits

The Transactions charges described in this statement are carried out during working hours. If transactional work is required outside these times it will require the consent of SSE Enterprise Utilities. Transaction charges will be multiplied by the following amounts if transaction work falls outside of working hours:

Multiple	Description
1	Normal Working Hours: 9am to 4pm – Monday to Friday (excluding Bank Holidays*)
1.5	Evenings: 4pm to 8pm Monday to Friday (excluding Bank Holidays*)
2	Other Times: All other times including Weekends, Bank Holidays* and Weekdays between 8pm and 9am.

* Bank Holidays according to the territory in which the transaction work is being undertaken. In England & Wales this means public holidays in which banks in the city of London are closed. In Scotland this means public holidays that are observed in Scotland according to the Banking and Financial Dealings Act 1971.
